Rowling,2015-12-08 There is a plot Harry Potter A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year Harry Potter s summer has included the worst birthday ever doomy warnings from a house elf called Dobby and rescue from the Dursleys by his friend Ron Weasley in a magical flying car Back at Hogwarts School of Witchcraft and Wizardry for his second year Harry hears strange whispers echo through empty corridors and then the attacks start Students are found as though turned to stone Dobby s sinister predictions seem to be coming true Having become classics of our time the Harry Potter eBooks never fail to bring comfort and escapism With their message of hope belonging and the enduring power of truth and love the story of the Boy Who Lived continues to delight generations of new readers **Harry Potter and the Chamber of Secrets** Listening Library,2006 Detective Mystery in the School Story - The Example of Harry Potter and the Chamber of Secrets Felix Jeschonnek,2011-01-20 Pre University Paper from the year 2010 in the subject Didactics for the subject English Literature Works grade 15 00 Punkte language English abstract J K Rowling s famous Harry Potter series which started with *Harry Potter and the Philosopher s Stone* in 1997 is commonly known as a fantasy story This is due to the fact that its most striking aspect is magic which is a typical sign for an ordinary fantasy novel Accordingly there has to be something more important than magic in the story in order to make it as popular interesting and fascinating as it is Of course magic is highly important for Harry Potter s popularity and to make a difference between the series and any other school story Without magic the series would probably have been less popular than it is now since it would not have been something

special The story is neither only a fantasy story nor is it only a school story It is something less striking that is at least as important as magic for the series In the following Detective Mystery will be explained and revealed as one of the most important elements of Harry Potter and the Chamber of Secrets Moreover this paper seeks to prove that magic is not even necessary for the story itself

Harry Potter K Rowling Joanne, Britanic, 2016-01-18 Harry Potter and the Chamber of Secrets is the second novel in the Harry Potter series written by J K Rowling The plot follows Harry s second year at Hogwarts School of Witchcraft and Wizardry during which a series of messages on the walls of the school s corridors warn that the Chamber of Secrets has been opened and that the heir of Slytherin would kill all pupils who do not come from all magical families These threats are found after attacks which leave residents of the school petrified frozen like stone Throughout the year Harry and his friends Ron Weasley and Hermione Granger investigate the attacks The book was published in the United Kingdom on 2 July 1998 by Bloomsbury and in the United States on 2 June 1999 by Scholastic Inc Although Rowling found it difficult to finish the book it won high praise and awards from critics young readers and the book industry although some critics thought the story was perhaps too frightening for younger children Much like with other novels in the series Harry Potter and the Chamber of Secrets triggered religious debates some religious authorities have condemned its use of magical themes while others have praised its emphasis on self sacrifice and on the way in which a person s character is the result of the person s choices Several commentators have noted that personal identity is a strong theme in the book and that it addresses issues of racism through the treatment of non magical non human and non living characters Some commentators regard the diary as a warning against uncritical acceptance of information from sources whose motives and reliability cannot be checked Institutional authority is portrayed as self serving and incompetent The book is also known to have some connections to the sixth novel of the series Harry Potter and the Half Blood Prince The film adaptation of the novel released in 2002 became at that time the seventh highest grossing film ever and received generally favourable reviews Video games loosely based on Harry Potter and the Chamber of Secrets were also released for several platforms and most obtained favourable reviews
