Bartholomew, Joe Nickell, 2015-06-19 This work provides an accurate in depth examination and scientific evaluation of the most famous hauntings in American history as depicted in popular films and television programs Neither a debunking book nor one written for the true believer in the paranormal American Hauntings objectively scrutinizes the historic evidence behind such hugely popular films as *The Exorcist* *The Amityville Horror* *An American Haunting* *The Conjuring* and *The Haunting in Connecticut* to ascertain the accuracy of these entertainment depictions of true life hauntings The authors then compare these popular culture accounts against the alleged real life encounters and impartially weigh the evidence to assess whether each incident actually took place Written by highly credentialed recognized authorities on the

paranormal and social psychology this book contains meticulously documented science based information written for a broad audience from middle and high school students and those taking introductory courses at a university level to general readers There is no other work that provides as careful and unbiased an evaluation of the most famous hauntings in American history The book also examines the reliability of popular television shows such as Unsolved Mysteries and Paranormal Witness

Real Hauntings Hans Holzer, 2012-04-03 Hans Holzers Real Hauntings continues his account of true authenticated case histories of haunting throughout the United States From the restless shade of a sea captain on Cape Cod to the remorseful parishioner at St Marks in New York who is unable to forget her extramarital affair to the little girl ghost of Landsdowne Pennsylvania who cant quite understand what happened to her world Real Hauntings chronicles the fascinating and dramatic accounts of the true experiences that ordinary people have had with the world beyond our own New Hampshire Virginia California Louisiana Minnesota Ghostly encounters can occur anywhere and to anyone Among the many remarkable encounters in Real Hauntings is the story about the ghost of a young girl killed during a wild party in Hollywood the testimony of tenants at an 18th century carriage house in New Yorks Hells Kitchen regarding the several ghosts they have encountered and the account of the piano playing phantom in an old house in Arkansas In all twenty five true witnessed accounts are reported here by Dr Hans Holzer **True Hauntings** Hazel M. Denning, 1996 Here is a book about haunted houses written from the perspective of the ghosts themselves In True Hauntings psychic researcher Dr Hazel M Denning recounts the real life case histories of earthbound spirits both benevolent and malevolent she has investigated

Hauntings Peter Underwood, 1977 In this fascinating account of the best attested cases of haunting Hampton Court the demon drummer of Bedworth the Wesley ghost Glamis Borley Rectory and many others Britain s foremost ghost hunter has brought to light a wealth of valuable new evidence Using the results of his many years of research and personal investigation into ghosts and hauntings and providing detailed plans and original photographs Peter Underwood puts forward some exciting and startling theories which will radically change our ideas about these hauntings The Mammoth Book of True Hauntings Peter Haining, 2011-09-01 This giant collection includes a huge range of 20th century first hand accounts of hauntings such as the American troops who repeatedly saw the ghosts of a dead platoon of men while on patrol in Vietnam and the witnessed haunting of a house near Tintagel in Cornwall that led actress Kate Winslet to pull out of buying the property It covers the full spectrum of credible hauntings from poltergeists the noisy dangerous and frightening spirits that are usually associated with pubescent girls like the Bell Witch to phantoms like the Afrits of Saudi Arabia and seduction spirits such as the Lorelei which have lured German men to death Also included are the notes of the most famous ghost hunters of the twentieth century such as Hans Holzer Susy Smith USA Harry Price Jenny Randles UK Joyce Zwarycz Australia Eric Rosenthal South Africa and Hwee Tan Japan Plus essays by such names as Robert Graves Edgar Cayce and M R James outlining their own often extraordinary conclusions as to just what ghosts might be along with a full bibliography and list of

Apartment Stories Sharon Marcus,2023-11-15 In urban studies the nineteenth century is the age of great cities In feminist studies it is the era of the separate domestic sphere But what of the city s homes In the course of answering this question Apartment Stories provides a singular and radically new framework for understanding the urban and the domestic Turning to an element of the cityscape that is thoroughly familiar yet frequently overlooked Sharon Marcus argues that the apartment house embodied the intersections of city and home public and private and masculine and feminine

spheres Moving deftly from novels to architectural treatises legal debates and popular urban observation Marcus compares the representation of the apartment house in Paris and London Along the way she excavates the urban ghost tales that encoded Londoners ambivalence about city dwellings contends that Haussmannization enclosed Paris in a new regime of privacy and locates a female counterpart to the fl neur and the omniscient realist narrator the porti re who supervised the apartment building In urban studies the nineteenth century is the age of great cities In feminist studies it is the era of the separate domestic sphere But what of the city s homes In the course of answering this question Apartment Stories provides a singular

True Ghost Stories Hereward Carrington, 2024-02-10 In True Ghost Stories Mr Carrington presents a number of startling cases of this character but they are not the ordinary ghost stories based on pure fiction and having no foundation in reality Here we have a well arranged collection of incidents all thoroughly investigated and vouched for and the testimony obtained first hand and corroborated by others The chapter on Haunted Houses is particularly striking The first chapter deals with the interesting question What is a Ghost and attempts to answer this question in the light of the latest scientific theories which have been advanced to explain these supernatural happenings and visitants It is a book of absorbing interest and cannot fail to grip and hold the attention of every reader no matter whether he be a student of these questions or one merely in search of hair raising anecdotes and stories He will find them here a plenty The following little book endeavors to bring together a number of ghost stories of the more startling and dramatic type but stories nevertheless which seem to be well authenticated and which have been obtained in most instances at first hand from the original witnesses and often contain corroborative testimony from others who also experienced the ghostly phenomena Some of these incidents indeed rise to the dignity of scientific evidence others are less well authenticated cases but interesting for all that These have been grouped in various Chapters according to their evidential value Chapters II and III contain well evidenced cases some of which have been taken from the Proceedings and Journals of the Society for Psychical Research S P R or from Phantasms of the Living or from other scientific books in which narratives of this character receive serious consideration Chapter V on the contrary contains a number of incidents which striking and dramatic as they are cannot be included in the two earlier Chapters as presenting real evidence of Ghosts but are published rather as startling and interesting ghost stories Chapter IV devoted to Haunted Houses contains brief accounts of the most famous Haunted Houses and of the phenomena which have been witnessed within them Appendix A gives a list of a few of the important Historical Ghosts Appendix B describes the Phantom Armies lately seen by the Allied troops in France while Appendix C lists a number of books of Ghost Stories which the interested reader may care to peruse A short Glossary at the beginning of the book explains the meaning of certain terms used which are not perhaps ordinarily met with in books of this character In the Introductory Chapter I have endeavored to explain very briefly the nature and character of Ghosts what they are and the various scientific theories which have been brought forward of late years to explain Ghosts I hope that this may prove of interest to the reader in case it does not do so

he is invited to skip directly to Chapter II which begins our account of True Ghost Stories I wish to express my thanks in this place to the Council of the English S P R for special permission to quote and to summarize several striking cases here reproduced also to Miss Estelle Stead for permission to utilize several cases previously printed at length in Mr Wm T Stead s collections of Ghost Stories H C Author
