Law, I had my stepbrother's baby in secret. Kristie: My mom married Nick Bradley's dad years ago and it was a happy union. Our families merged and I went from being an only child to having a handsome older brother. Of course Nick never paid attention to me. Why would he? I was nothing but an annoying little girl who trailed after him with puppy dog eyes. Still, something changed along the way. I lost the glasses, took off the braces and most of all developed curves. Even better, the night I turned eighteen, who showed up at my birthday party but my handsome older brother Nick was gorgeous with broad shoulders, piercing blue eyes and a smirk on that mobile mouth that made me want to slap him and kiss him at once. But the unexpected happened because I left the party pregnant with his child, Nick. I've wanted Kristie since she was nothing but jailbait. It's fucked up and wrong because we're technically family. So I did everything in my power to get her out of my blood. I moved away, I slept with other chicks and even got into a serious relationship with another woman. But Kristie's deep under my skin and after all these years I'm still obsessed. What she doesn't realize is that obsession burns bright and now that she's had my child, I'm claiming her and the baby as MINE. Call 9 1 1. This is a tale of forbidden romance between two people who absolutely positively shouldn't. Their liaison is taboo and Nick and Kristie spend every ounce of their energy trying to fight the
