Grandparenting A Child With Special Needs:

Grandparenting Children with Disabilities Madonna Harrington Meyer, Ynesse Abdul-Malak, 2020-08-29 Childhood disabilities particularly cognitive disabilities are on the rise yet social programs and services to help US families respond to disabilities are not Many families turn to grandparents for assistance juggling work family responsibilities and specialized therapies This book is based on in depth interviews with grandparents who are providing at least some care to grandchildren with disabilities The analyses will help to better understand 1 under what conditions grandparents provide care and support 2 what types and intensities of care and support grandparents provide and 3 the impact of that care and support on grandparents social emotional physical and financial wellbeing In this fascinating and provocative book Madonna Harrington Meyer and Ynesse Abdul Malak take readers on a deep dive into the complex lives of grandparents who care for their disabled grandchildren In *Grandparenting Children with Disabilities* their interviews reveal the joy meaning and purpose grandparents find in caregiving the challenges and frustrations they encounter and the many ways they compromise their own health and well being for the sake of their grandchildren Drawing from theories of cumulative inequality and from their deep knowledge of the US policy context the authors lay bare the systemic failures that leave families of children with disabilities without adequate support and that place the most vulnerable among them at grave physical emotional and financial risk Jane McLeod Provost Professor Indiana University Grandparents in the U S already take on far more parenting responsibilities as compared to their peers in other countries *Grandparenting Children with Disabilities* demonstrates that the intensity of these responsibilities is compounded for those whose grandchildren have disabilities given limited policy supports and a society still largely unaccommodating to those with disabilities This book beautifully navigates the tension between the love these grandparents have for their grandchildren and the challenges they face caring for them Pamela Herd Professor Georgetown University *Grandparenting Children with Disabilities* offers important insights about the lived experience of older adults who care for and care about their grandchildren The authors skillfully integrate the stories they tell with consideration of macro social structural influences and life course perspectives I recommend it highly Eva Kahana Distinguished University Professor Case Western Reserve *Grandparenting a Child with Special Needs* Charlotte Thompson, 2009-04-15 This book provides guidance on how to grandparent a child with special needs and give parents the added support they need From coming to terms with a diagnosis to helping with the transition from adolescence to adulthood the book gives clear advice on grandparenting a child with special needs throughout their life **Grandparents of Children with Disabilities** Liora Findler, Orit Taubman - Ben-Ari, 2016-09-27 This brief offers a comprehensive view of the journey of grandparents of children with disabilities by employing a wide range of theoretical approaches such as intergenerational relationships positive psychology psychoanalytic views and models of stress It presents a multidimensional view of grandparents which begins with the general role of grandparents in the family and the transition to grandparenthood

as a major life event The briefs moves on to discuss grandparents roles under unique circumstances such as illness or disability in the family and then deals with perspectives of parents of children with disabilities on the role of grandparents Finally it reviews attitudes of professionals toward grandparents and concludes with suggested intervention strategies for working with families on intergenerational relationships

Grandparents as Carers of Children with Disabilities Phillip McCallion,Matthew Janicki,2014-03-18 Older adults caring for developmentally disabled children have special needs Are you and your agency doing all you can to help Grandparents as Carers of Children with Disabilities Facing the Challenges provides the first comprehensive picture of grandparents caring for children with developmental disabilities and their related requirements Here you ll find information on the mental and physical health of these caregivers highlighting their unique needs and the roles that agencies and advocates need to play in order to meet them This unique volume will assist practitioners administrators and policymakers in including the needs of this group into planning and service delivery efforts Grandparents as Carers of Children with Disabilities Facing the Challenges takes an incisive look at characteristics of these carers and the children they care for children in kinship care and their special needs the effect of kinship foster care on caregiving grandmothers the approach of Latino grandparents to bringing up children with special needs the service needs and provision issues of grandparent carers In this book here is some of what you ll find data from a school based comprehensive multigenerational program in East Harlem New York City which explores environmental stressors associated with children coming into kinship care discussing the impact on grandparent caregivers with a focus on health status and access to care correlates of self reported depressive symptoms among urban Latino grandparent caregivers a survey of grandparents mostly African American mostly female caring for children with developmental disabilities in New York City that focuses on health status emotional state use of formal and informal services and general life situation helpful charts and tables that put the facts at your fingertips a demonstration project that used an intervention model to determine how a three pronged approach using outreach support groups and case management could be used to aid grandparents caring for children with developmental delay or disabilities and much more As editors McCallion and Janicki point out Primary childcare is rapidly becoming a normative experience of grandparenting Grandparent primary care is found among all ethnic groups and across all socioeconomic levels of society Concern over preserving the family often causes grandparents to assume responsibility in spite of their limited financial means or own health conditions Grandparents as Carers of Children with Disabilities will enable you to provide these courageous loving people with the help they need to do this extraordinarily difficult and often thankless job

Children with Special Needs Ulrika Hallberg,Gunilla Klingberg,2023-03-31 There can be a lack of understanding of the vulnerable situation of children with disabilities and their families even among professional caregivers whose mission is to protect the health and wellbeing of these children Their respectful treatment should include knowledge empathy humanity and an open and sympathetic dialogue This book provides an overview of knowledge and

literature review of children and adolescents with special care needs that contribute to the respect and understanding of children with disabilities and their families It also explains possible reasons for different outcomes in research studies and why there is a lack of knowledge in some areas concerning these children Research on children with disabilities is considerable but often can be difficult to access on many levels which means it does not always benefit those who need this knowledge This compact book addresses this by presenting the international research in the field in an understandable way for people who work with children with disabilities and their families The authors provide a broad picture of the background reality of life opportunities for professional help and support as well as outlook of these children and families Among the topics covered The Health and Well being of Children with Disabilities The Health and Well being of Relatives Occupation On the Road to Adulthood Children with Special Needs An Overview of Knowledge on Disability is pertinent reading for students in all areas of health care including nursing and psychology social work sociology and education aimed at children and young people The text also would be of interest to those who practice in these areas and or encounter children with disabilities in their daily work

Handbook of Research on Diagnosing, Treating, and Managing Intellectual Disabilities Gopalan, Rejani Thudalikunnil, 2016-04-22 Intellectual disabilities can be difficult to detect in children prior to their school age years Throughout their lives individuals with intellectual disabilities may require specialized care and support in order to lead healthy and fulfilled lives The Handbook of Research on Diagnosing Treating and Managing Intellectual Disabilities is a pivotal reference source for the latest research on the effects of disabilities in intellectual functioning examining the causes treatment and rehabilitation of such limitations in adaptive behavior Highlighting empirical findings on the management of these disabilities throughout various stages of life this publication is ideally designed for clinicians researchers special educators social workers and students actively involved in the mental health profession

A Grandpa's Musings Pasquale De Marco, 2025-05-03 A Grandpa's Musings is a comprehensive guide to grandparenting in the 21st century Drawing on the author's own experiences as a grandfather this book offers practical advice and insights on everything from building a strong bond with your grandchildren to dealing with the inevitable challenges that arise along the way Pasquale De Marco explores the special role that grandparents play in the lives of their grandchildren He discusses the importance of providing stability and support offering a listening ear and a shoulder to cry on and sharing wisdom and experience He also addresses the challenges of grandparenting such as balancing time between grandchildren and other responsibilities dealing with different parenting styles and setting boundaries and enforcing discipline This book is not just a how to guide for grandparents It is also a celebration of the joys and rewards of grandparenting Pasquale De Marco shares heartwarming stories about his own grandchildren and he reminds us that grandchildren bring a sense of joy and purpose to our lives They help us to stay young at heart and to see the world through their eyes They teach us about the importance of love laughter and forgiveness And they remind us that life is a precious gift to be cherished Whether you are a new grandparent or a seasoned pro A Grandpa's

Musings is a valuable resource that will help you to make the most of this special time in your life Pasquale De Marco is a grandfather of five He has written extensively about grandparenting and his work has been featured in numerous publications He is a passionate advocate for grandparents rights and he is dedicated to helping grandparents to build strong and lasting relationships with their grandchildren If you like this book write a review on google books

Annual Review of Gerontology and Geriatrics, Volume 24, 2004 Merrill Silverstein, PhD,2004-11-18 This volume examines the importance of time and place as applied to aging families In the first section chapters focus on the temporal dimension of intergenerational relations using frameworks from human development sociology social history and social psychology The second section focuses on the social ecology of intergenerational relations in terms of the national contexts within which families are embedded The contributors demonstrate how the social cultural historical and institutional forces that orient older and younger family members toward each other in both structured and adaptive ways

A Love Like No Other Sue Schwartz,2013 Is Your grandchild with Special Needs Special To You Has your grandchild been diagnosed with a challenging special need Does your worry keep you up at night Is it hard to share with your friends Help is right here in this book Grandparents who have a grandchild who has been given a diagnosis of a life changing challenge share with you their experiences their feelings and offer you a brighter look at the future Read stories of others who have walked in your path and gather the hope you need to move on in a different way than you had dreamed of

Ordinary Families, Special Children Milton Seligman,Rosalyn Benjamin Darling,2017-02-13 This popular clinical reference and text provides a multisystems perspective on childhood disability and its effects on family life The volume examines how child family ecological and sociocultural variables intertwine to shape the ways families respond to disability and how professionals can promote coping adaptation and empowerment Accessible and engaging the book integrates theory and research with vignettes and firsthand reflections from family members

Ordinary Families, Special Children, Third Edition Milton Seligman,Rosalyn Benjamin Darling,2009-02-23 This popular clinical reference and text provides a multisystems perspective on childhood disability and its effects on family life The volume examines how child family ecological and sociocultural variables intertwine to shape the ways families respond to disability and how professionals can promote coping adaptation and empowerment Accessible and engaging the book integrates theory and research with vignettes and firsthand reflections from family members
