Grassroots Social Action Lessons In People Power Movements:

Grassroots Social Action Charles V. Willie, Steven Ridini, David Willard, 2008 Willie and his colleagues analyze social action from the bottom up The focus is on how people outside the traditional circuits of authority exercise power and how their actions relate to bureaucratic social action from the top down All told the contributors offer a critical **The Palgrave Handbook of Educational Leadership and Management Discourse** Fenwick W. English, 2022-10-13 This Handbook explores the discourse within the field of educational leadership and management It provides a clear analysis of the current field as well as older foundational ideas and newer concepts which are beginning to permeate the discussion The field of educational leadership and management has long acknowledged that educational contexts include a variety of leaders beyond school principals and other school officials such as informal and middle level leaders By looking at the knowledge dynamic rather than a static knowledge base this Handbook allows research to be presented in its multidimensional evolving reality **Men Still at Work** Elizabeth F. Fideler, 2014-02-18 Men Still at Work explores the reasons why many men are continuing to work well beyond the traditional retirement age In today s challenging economy they are the second fastest growing group of workers just behind older women Filled with profiles of older working men as well as dynamic interview quotes Men Still at Work explores thorny issues such as masculinity and the need to provide as well as economic issues job satisfaction and more **Preventing Eating-Related and Weight-Related Disorders** Gail L. McVey, Michael P. Levine, Niva Piran, H. Bruce Ferguson, 2013-01-24 This book presents a collection of writings by expert researchers from Canada the United States and Australia who are committed to finding common cause and common ground in the prevention of eating disorders and obesity The ten chapters in this book seek to create a new public health approach to the prevention of weight related disorders one that counters the confusion and frustration from public policies messages and programs that recipients of prevention efforts often experience The first section looks at prevention from a public health perspective and the second section highlights theories from risk and resilience research that can inform the prevention of weight related disorders The contributions are varied in their theories and models but woven throughout is the theme of collaboration in changing public institutions and social systems that promotes universal prevention and fosters mental health and resilience Unique methods of linking systems and fostering partnerships across sectors and disciplines are highlighted and readers are exposed to innovative ideas of how to move the field of prevention science forward to reduce the onset of negative body image unhealthy weight management eating disorders and disordered eating Preventing Eating Related and Weight Related Disorders is the second in a series of titles from The Community Health Systems Resource Group at The Hospital for Sick Children This series will educate researchers policy makers students practitioners and interested stakeholders on such topics as early intervention in psychosis aggressive behaviour problems eating related disorders and marginalized youth in educational contexts **Handbook of Public Sociology** Vincent Jeffries, 2009-07-16 Public sociology an approach to

sociology that aims to communicate with and actively engage wider audiences has been one of the most widely discussed topics in the discipline in recent years The Handbook of Public Sociology presents a comprehensive look at every facet of public sociology in theory and practice It pays particular attention to how public sociology can complement more traditional types of sociological practice to advance both the analytical power of the discipline and its ability to benefit society The volume features contributions from a stellar list of authors including several past presidents of the American Sociological Association such as Michael Burawoy a leading proponent of public sociology The first two sections of the Handbook of Public Sociology look at public sociology in relation to the other three types of practice professional policy and critical with an emphasis on integrating the four types into a holistic model of theory and practice Subsequent sections focus on issues like teaching public sociology at various levels case studies in the application of public sociology and the role of public sociology in special fields in the discipline The concluding chapter by Michael Burawoy a past president of the American Sociological Association and a leading proponent of public sociology addresses current debates surrounding public sociology and presents a constructive vision for the future that embraces and improves upon all four types of sociology The Handbook of Public Sociology with its examination not only of public sociology but also of how it can enhance and complement other types of practice transcends differences in the field and will appeal to a wide range of academics students and practitioners

Pedler,2020-12-17 This book is about action learning in the service of social action and social change The contributors are all engaged in developing new approaches to the wicked problems found in the world today including the climate emergency the circular economy food poverty and insecurity homelessness disadvantage active citizenship social entrepreneurialism and the learning of young women abducted by Boko Haram They reflect a great diversity of settings in South Africa Australia Canada Nigeria Mozambique Hungary Poland and the UK At this time of global crisis rapid technological and social developments sit side by side with apparently impossible challenges needing urgent action In the Global South conflicts terrorism and climatic changes have forced millions of people to abandon their homes and to migrate in search of food and safety In the Global North neo liberal and market based policies have pursued deregulation privatisation and the shrinking of the state with consequent increases in homelessness poverty and ill health Action learning was devised to help people work together in challenging situations to bring about changes from the bottom up The people in these stories and cases are not passively awaiting brighter futures but are acting together to create a better world for themselves They are taking back control in local community regeneration schemes local energy and housing projects setting up co working spaces and inventing new ways of doing business and learning new ways to inhabit the earth They demonstrate a confidence in an action learning idea that is alive and evolving The chapters in this book were first published in the journal Action Learning Research and Practice

Poor People and Library Services Karen M. Venturella,2015-11-16 In 1996 nearly 40 million United States citizens were

reported to be living in poverty This enormous number set in conjunction with the rapid growth in demand for more information technology presents librarians with a wrenching dilemma how to maintain a modern facility while increasing services to the economically disadvantaged Karen Venturella has gathered a diverse group of librarians and facilitators including Khafre Abif head of Children s Services for the Mount Vernon Public Library in New York Wizard Marks who directs the Chicago Lake Security Center in its mission to improve the area Lillian Marrero who has concentrated on providing services to the Spanish speaking population Kathleen de la Pena McCook director of the School of Library and Information Science at the University of South Florida and 15 others to find strategies for dealing with the current crisis of disparity These writers address both the theoretical issues of ensuring access to information regardless of ability to pay and the practical means for meeting the needs of low income populations Appendices include the ALA s Policy on Library Services to Poor People The Library Bill of Rights and a listing of poverty related organizations **Choice** ,2008 Politics and Government in Hong Kong Ming Sing,2009 This book examines the government of Hong Kong since its handover to mainland China in 1997 focusing in particular on the anti government mass protests and mobilisations in the years since 2003 It argues that Hong Kong has been poorly governed since transferring to Chinese rule and that public frustration with governmental performance including anti subversion laws and slow democratisation has resulted in the regular and massive protests which have been rare in Hong Kong s past political development The book then assesses different explanations for Hong Kong s government problems including lack of social cohesion incomplete economic restructuring structural budgetary deficit severe social inequality intensifying cronyism and deficiencies within the political system itself It goes on to discuss the implications of poor governance for legislative elections civil society and constitutional development and considers the prospects for the future It argues that although in the short term the Hong Kong government has managed to maintain its popular support ratings in the longer run it is unlikely to be able to maintain its legitimacy in dealing with the fundamental challenges of government unless the current system is replaced by popular election of the government with appropriate institutional capacity and political powers **The Oxford Handbook of Political Participation** Marco Giugni,Maria Grasso,2022 The Oxford Handbook of Political Participation provides readers with up to date knowledge on the wide ranging topics covered in this field and considers the key theoretical and methodological pluralism in the area as well the most recent developments One of the aims of this Handbook is to bring together two research traditions from political science and sociology bridging research in political sociology and social movement studies Accordingly the Handbook mainly brings together authors coming from both the politics and sociology research traditions as well as key authors working on political participation coming also from other fields such as psychology economics anthropology and geography The volume provides the first comprehensive up to date treatment of political participation in all of its varied expression it covers a wide range of topics relating to the study of political participation both from a theoretical and methodological perspective it brings together

the political science and political sociology tradition on the one hand and the social movement sociological tradition on the other it is sensitive to theoretical and methodological pluralism as well as the most recent developments in the field and includes discussions combining perspectives that have traditionally been treated separately in the literature as well as discussions of current trends and future directions for research in this field
