Simul Sanctification Jeff McSwain, 2018-08-10 Why do we see so much fruitful good in unbelievers and so much evil in believers What could it mean for a believer that the old is gone especially when it doesn t feel that way What does it mean for humans who are simul iustus et peccator simultaneously righteous and sinner to be transformed in Christ and by his Spirit We typically think of sanctification as pertaining to humans being conformed to Jesus but what could it mean when Jesus speaks of himself as being sanctified for our sakes John 17 19 Jeff McSwain mines the theology of Karl Barth to engage such questions In looking through the simul he concludes with Barth that universal human transformation is a reality before it is a possibility and that despite our contradictory state we may live Spirit filled lives as we participate in Christ s true humanity that determines ours a humanity which never gets old
