26 of these county seats from Curraghmore in County Waterford and Ballywater Park in County Down to Glin Castle in County Limerick *Great Irish Houses and Castles* Jacqueline O'Brien, Desmond Guinness, 1992 **The Lost Houses of Ireland** Randal MacDonnell, 2002-08-08 There is a growing fascination with Irish houses This pictorial record shows 25 houses and castles in the time when the original families were still in residence and their interiors and contents were intact just before they sank into oblivion burdened by debt and decay The text tells the story of the families who owned these wonderful houses their sometimes ruthless beginnings and their extravagant and often eccentric ends **In Ruins** Duncan McLaren, 1997 *The Hidden Houses of Ireland* Marianne Heron, 1999 Intended as a companion guide to THE HIDDEN GARDENS OF IRELAND by the same author this is an illustrated guide to houses all over Ireland The history and architecture of each house is discussed as well as the family background of past and present inhabitants It also contains opening times directions admission prices and contact numbers **The Cambridge Social History of Modern Ireland** Eugenio F. Biagini, Mary E. Daly, 2017-04-27 This is the first textbook on the history of modern Ireland to adopt a social history perspective Written by an international team of leading scholars it draws on a wide range of disciplinary approaches and consistently sets Irish developments in a wider European and global context *Leinster : Beautiful Ireland Series* Stephen Lucius Gwynn, Leinster Beautiful Ireland Series Leinster is the richest of Irish provinces the heart of Ireland and for beauty it can challenge any of its sisters save in one respect only it lacks the beauty of wildness What it has to show of most beautiful lies within twenty miles of the capital There is no city north of the Alps which has so lovely surroundings as Dublin or so varied in their loveliness Sea and mountain plain and river all come into that range of exquisite choice But everywhere in it the beautiful frame of nature has been modified and beautified by man Since it is not possible in the small space available to describe exhaustively the features of this great province which stretches from the sea to the Shannon and from the Mourne Mountains to Waterford Haven Pg 6 a selection must be made and indicated at once First then the county of Dublin itself infringing a little on Kildare Secondly the Wicklow Mountains and their glens Thirdly that rich valley of the Boyne which was the heart of the ancient kingdom of Meath But before details are dealt with some general idea of the topography must be given Suppose you are on deck when the mail boat from Holyhead has been two hours out or a little more I write here for strangers you will see Dublin Bay open before you To your right making the northernmost horn of the curve is the rocky almost mountainous peninsula of Howth and ten miles north of it you see its shape repeated in the Island of Lambay Except for that to the north and to the west coast and land are all one wide level far as your eye can reach unless by some chance the air be so rarefied that you discern fifty miles northward the purple range of Carlingford Hills still in Leinster and beyond them delicate and aerial blue the long profile of the Mourne Mountains where Ulster begins But to the south of the city where it lies in the bight of the bay spilling itself northward along the shore to Clontarf of famous memory and southward to Kingstown and beyond mountains rise a dense huddle of rounded shouldering heights stretching away far

as you can see Near Dublin they almost touch the Pg 7 shore one rocky spur comes down to Dalkey Island which was the deep water landing place before Kingstown harbour was built it rises into the peaked fantastic summit of Killiney Hill Beyond it the coast curves in a little giving a bay and valley in which lies Bray our Irish equivalent for Brighton The Bray river marks the limits of County Dublin and beyond Bray again is the high serrated ridge of Bray Head fronting the water in a cliff Landward from it rises peak by peak that exquisite chain of heights which from Little Sugarloaf to Great Sugarloaf runs back to connect here once more the main body of mountains with the sea [Ireland](#) Johann Georg Kohl,1844 [DK Eyewitness Travel Guide Ireland](#) DK Travel,2016-10-18 DK Eyewitness Travel Guide Ireland is your in depth guide to the very best of Ireland From touring historic castles to exploring the countryside along the mystical Ring of Kerry to drinking Guinness in Dublin s coziest pub experience the best of what the Emerald Isle has to offer Discover DK Eyewitness Travel Guide Ireland Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city map of Dublin includes street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Ireland truly shows you what others only tell you **DK Eyewitness Travel Guide: Ireland** ,2015-10-06 DK Eyewitness Travel Guide Ireland is your in depth guide to the very best of Ireland From touring historic castles to exploring the countryside along the mystical Ring of Kerry to drinking Guinness in Dublin s coziest pub experience the best of what the Emerald Isle has to offer Discover DK Eyewitness Travel Guide Ireland Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city map of Dublin includes street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Ireland truly shows you this country as no one else can Recommend For an in depth guidebook to Dublin check out DK Eyewitness Travel Guide Dublin which offers the most complete coverage of Ireland s capital city trip planning itineraries and more
