Blue Ribbons Bitter Bread

This unforgettable story has become an Australian classic describing how an Australian bush girl saved the lives of 1,000 Polish and Jewish children in a daring escape from the Nazis. This updated edition contains an important eye witness account of the burning of Smyrna (Izmir) causing a vast number of deaths. The author's father, a young British naval officer, saved hundreds of Greeks from the blaze that destroyed their beautiful city, and many of them would be cared for by Joice Loch in a Greek refugee camp and later in the refugee village of Ouranopolis, now a holiday resort. Joice Loch was an extraordinary Australian. She had the inspired courage that saved many hundreds of Jews and Poles in World War II, the compassion that made her a self-trained doctor to tens of thousands of refugees, the incredible grit that took her close to death in several theatres of war, and the dedication to truth and justice that shone forth in her own books and a lifetime of astonishing heroism. Born in a cyclone in 1887 on a Queensland sugar plantation, she grew up in grinding poverty in Gippsland and emerged from years of unpaid drudgery by writing a children's book and freelance journalism. In 1918 she married Sydney Loch, author of a banned book on Gallipoli. After a dangerous time in Dublin during the Troubles, they escaped from possible IRA vengeance to work with the Quakers in Poland. There they rescued countless dispossessed people from disease and starvation and risked death themselves. In 1922, Joice and Sydney went to Greece to aid the 1,500,000 refugees fleeing Turkish persecution. Greece was to become their home. They lived in an ancient tower by the sea in the shadows of Athos, the Holy Mountain, and worked selflessly for decades to save victims of war, famine, and disease. During World War II, Joice Loch was an agent for the Allies in Eastern Europe and pulled off a spectacular escape to snatch over a thousand Jews and Poles from death just before the Nazis invaded Bucharest, escorting them via Constantinople to Palestine. By the time she died in 1982, she had written ten books, saved many thousands of lives, and was one of the world's most decorated women. At her funeral, the Greek Orthodox Bishop of Oxford named her one of the most significant women of the twentieth century. This classic Australian biography is a tribute to one of Australia's most heroic women who always spoke with great fondness of Queensland as her birthplace. In 2006, a Loch Memorial Museum was opened in the tower by the sea in Ouranopolis, a tribute to the Lochs and their humanitarian work.

Disorderly Women and the Order of God Michele A. Connolly, 2018-04-19 Michele A Connolly s postcolonial analysis links the Gospel of Mark produced in the context of the Roman Empire with contemporary Australia established initially as a colony of the British Empire Feminist analysis of texts from two foundational events in Australian colonial history reveal that women in such texts tend to be marginalised silenced and denigrated Connolly posits that imperialist sexism both ancient and modern perceives women as a threat to the order that males alone can impose on the world The Gospel of Mark portrays Jesus bringing the order of the Reign of God to combat the disorder of apocalyptic evil Jesus task is a markedly male project against which eleven female characters are portrayed as disorderly distractions who are managed by being marginalised silenced and denigrated contradicting Jesus message of mutual service

and non domination In his death under apocalyptic power Jesus is likewise depicted as isolated silenced and denigrated subtly associating femininity with chaos failure and disgrace **We Who Proudly Served** Peter Francis Kenny, 2015-05-27
