Larson, 2016-05-23 Conventional wisdom says that Europe's crisis is a financial crisis But is this really the case In Industrial Poverty economist Sven R Larson challenges this view and suggests instead that Europe is in a state of permanent economic decline The crisis says Larson is in fact a welfare state crisis Over decades government has grown too big for the private sector to pay for when the recession hit in 2008 most European economies could no longer bear the burden of the welfare state Raging deficits accelerating unemployment and harsh austerity policies hurled the continent into more than a regular recession Europe is entering a new economic state industrial poverty Using Sweden in the 1990s as an example Larson shows how a welfare state crisis combined with the wrong kind of austerity policies replaces prosperity with industrial poverty In a desperate effort to balance the budget and save the welfare state in the midst of the crisis the Swedish government subjected the country to some of the toughest austerity measures on record The outcome was a permanent reduction in the standard of living for Swedish families as well as the standard of government services Today Europe is going through the same transition into industrial poverty Tomorrow it could be the United States unless Congress and the President take decisive action against the runaway budget deficit Shadows of Things to Come Rick Joyner, 2001-04-08 One of the greatest sources of prophetic vision is found by better understanding our past says Rick Joyner I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today
