Greedy Apostrophe A Cautionary Tale:

Greedy Apostrophe Jan Carr, 2009-03-05 It's the moment all the punctuation marks have been eagerly awaiting assignment time. There are plenty of open positions for apostrophes as contractions, soon there's only one job left for a possessive and only one apostrophe to fill it, none other than Greedy Apostrophe. It's not long before his greed gets out of hand and he jumps into signs where he doesn't belong. What will it take to put Greedy Apostrophe back in his place? This clever and zany language arts picture book will have kids eager to learn the tricks of using an apostrophe. [If You Were an Apostrophe](#) Shelly Lyons, 2009 Explains and illustrates how an apostrophe is used in a sentence. **The Read-Aloud Scaffold** Judy Bradbury, 2011-09-16 This compendium of outstanding read aloud choices for grades pre K-3 will enrich and extend content area instruction, helping busy teachers to meet curriculum requirements within the confines of their busy schedules. It's a familiar and unfortunate story: educators everywhere are being asked to do more teaching with less money, less staff, and less time. One easy way to provide more content area instruction to very young readers is by scaffolding beneficial learning subjects within memorable read aloud activities. This augments the instructional curriculum and keeps learning fun without adding to the educator's already full plate. *Read Aloud Scaffold: Best Books to Enhance Content Area Curriculum, Grades Pre K-3* offers teachers and librarians over 700 content area connections through carefully selected, recently published children's trade books. These selections include fiction and non-fiction titles that represent outstanding read aloud choices that will augment the instructional curriculum, covering subjects ranging from history to holidays to special events and from biographies and memoirs to poetry and character education. A Closer Look suggests outstanding read aloud choices related to key units in the curriculum and features discussion points, cross-curricular activities, writing prompts, and related online and print materials. [Using Paired Text to Meet the Common Core](#) William Bintz, 2014-12-11 Teaching students to make connections across related texts promotes engagement and improves reading comprehension and content learning. This practical guide explains how to select and teach a wide range of picture books as paired text: two books related by topic, theme, or genre in grades K-8. The author provides mini-lessons across the content areas along with hundreds of recommendations for paired text, each linked to specific Common Core standards for reading literature and informational texts. In a large size format for easy photocopying, the book includes 22 reproducible graphic organizers and other useful tools. Purchasers also get access to a Web page where they can download and print the reproducible materials. [If You Were a Contraction](#) Trisha Speed Shaskan, 2008-07-01 Describes what contractions are and provides examples of them used in different words. [Lessons in Teaching Phonics in Primary Schools](#) David Waugh, Jane Carter, Carly Desmond, 2015-08-17 Lesson planning in line with the new Primary National Curriculum.
