Maine Life at the Turn of the Century Diane Barnes, Jack Barnes, 1995-10-01 Before her death in 1910 Nettie Cummings Maxim chronicled the people landscapes and animals of a typical Maine farm at Bird Hill in Bethel at the turn of the century In a time before mass media her world consisted almost entirely of her family and farm This intimate familiarity with her immediate world and a degree of cultural isolation allowed Nettie to explore and capture on film the details of farm life through the seasons and the innocence and wisdom in the eyes of the children whose lives were so closely entwined with life on a rural Maine hill farm After one look at her photographs her innate artistic talent becomes immediately apparent her use of natural light the composition of her images and her eye for detail lend a tremendously beautiful evocative quality to her images She turned the long exposures mandated by film at the turn of the century to her advantage and somehow manages to create the illusion of motion in her photographs Through her cameras Nettie recorded the world that was so endearing to her a world that has gone largely undocumented by photography In doing so she has given immortality to the people buildings and even the animals that were part of her life and her

microcosm of society nearly a century ago as well as giving us a rare insight into the intricacies of daily life in the nearby communities of Locke s Mills and Greenwood Allow her to lead you back into life in rural Maine at the turn of the century it is a journey worth making and one that you will never forget *Country Life* ,1909 **Early American Life** ,1992 A History of Food in 100 Recipes William Sitwell,2025-05-01 Sitwell is without doubt one of the great food writers of our day Every serious cook should read this book at least once Marco Pierre White A riveting narrative history of food as seen through one hundred recipes from ancient Egyptian bread to modernist cuisine We all love to eat and most people have a favorite ingredient or dish But how many of us know where our much loved recipes come from who invented them and how they were originally cooked In *A History of Food in one hundred Recipes* culinary expert and BBC television personality William Sitwell explores the fascinating history of cuisine from the first cookbook to the first cupcake from the invention of the sandwich to the rise of food television A book you can read straight through and also use in the kitchen *A History of Food in one hundred Recipes* is a perfect gift for any food lover who has ever wondered about the origins of the methods and recipes we now take for granted What a splendid book it manages to be a recipe collection a history of cooking and in passing a history of the world all at once Tom Standage author of *A History of the World in six Glasses* and *An Edible History of Humanity* A generous tasting menu that evokes the people places influences intrigues and inventions that have guided the story of food through the millennia *Elle Magazine* What food lovers will be reading at the beach the format delivers culture in fascinating digestible chunks *The Washington Post* **Daily Life of U.S. Soldiers** Christopher R.
