Greetings From Ocean City Maryland:

Greetings from Ocean City, Maryland Mary L. Martin, Nathaniel Wolfgang-Price, 2007 Historic photographs trace this island's development from a remote Victorian seaside village to the advent of high rise condos and resort hotels Look back at the city's long favorite attractions the Boardwalk Fishing Pier Atlantic Hotel Ocean City Life Saving Station and nearby Ocean Downs Raceway Frontier Town and Assateague Island Pictures and text combine to beautifully summarize the history of this popular summer vacation area *Ocean City's Historic Boardwalk, Beach, and Bay: The Fisher Collection* Robert Craig, 2023-07-03 With 275 postcard images this visual account of Ocean City's historic boardwalk renowned beach and surrounding bay and ocean waters draws on the extensive Fisher Collection perhaps the best private postcard collection on the Eastern Shore

Ocean City Ph.D., Nan DeVincent-Hayes, John E. Jacob, 1999-07-27 Discover the beloved town of Ocean City Maryland and its vibrant historic past Originally the land of the Algonquian people the barrier island on which Ocean City is now located served as a protective wall for the mainland Delmarva peninsula It was a somewhat remote area until five men having formed the Atlantic Hotel Company Corporation built the first lodging facility and Ocean City as a coastal resort began to take root From the cattle grazing in the mid 1800s to the few blocks of buildings constructed at the turn of the century from the infamous storm of 1933 to the overwhelming growth of the 1940s Ocean City has had a rich and vibrant history This volume offers a historical perspective of Ocean City from its inception to 1946 a period when growth was steady but slow Now boasting over eight million visitors annually the area is Maryland's golden haired child and its second largest city during peak summer weekends when an average of 300 000 tourists arrive

Ocean City Gianni DeVincent Hayes, Nan DeVincent-Hayes, John E. Jacob, 1999 Ocean City Maryland's own seaside resort has become so popular that it is almost too small five square miles to hold all its tourists The last few decades have brought tremendous growth to the area in the form of both population and development Bridges and tunnels have been built high rise hotels and condominiums have grown up and amusements of all kinds have become available to the summertime crowds In this second volume of Ocean City images of beach life from the late 1940s to the present day capture the spirit of this popular vacation spot From funnel cakes to Ferris wheels and deep sea fishing to seasonal festivals Ocean City now a year round retreat has offered millions of visitors an endless variety of entertainment Having survived destruction caused by storms problems associated with the real estate boom and the overwhelming surge of visitors who each summer crowd the boardwalk and Coastal Highway this small town has matured over the last few decades into the jewel of Maryland's shore *Playland* Earl Shores, 2019-05-16 Grab your restraint bar and hold on tight for an unforgettable ride through the final summer of Ocean City's long lost Playland Amusement Park

Historic Lodgings of Ocean City: The Fisher Collection Robert M. Craig, 2023 This is a visual history of the architecture of tourist accommodations in Maryland's famous beach resort These have ranged from the Atlantic Hotel to the most recent chain hotels and condominiums that have so altered the streetscapes and skyline of the barrier

island Ocean City's architectural evolution paralleled national developments it began on boardwalk adjacent and beachfront sites with turreted and gabled cottages and shingle clad Victorian hotels By the 1920s porticoed boardwalk hostelrys emerged and as the popularity of the automobile increased auto camps and groups of cottages developed into motor courts and mom and pop motels during the mid 20th century After the 1970s lodgings changed with infill condominium blocks time shares and megastructures casting afternoon shadows across the beach

Down the Ocean Bert Smith,1999 In this companion to his book Greetings from Baltimore Bert Smith takes us on a tour of summers past in Ocean City Maryland and the nearby Delaware beaches where vacationers have been going for more than a century to find sun surf and souvenirs Down the Ocean offers a wonderful selection of charming postcard scenes of the early days of these resort towns when visitors held tight to safety lines and bravely entered the water dressed in heavy woolen bathing suits It also takes us through the decades that followed when automobiles and the Chesapeake Bay Bridge made jaunts to the ocean more convenient and brought changes that transformed the mid Atlantic coast Accompanied by Bert Smith's engaging account of local history and lore the images assembled here document not just the appearance of beach towns but also the feel of beach life from years gone by Some postcards from the first half of the twentieth century were individually hand colored and many display photographic tricks illustrated embellishments humorous cartoons or unique design elements making them far more evocative than mere snapshots These postcards capture views of Ocean City's grand hotels of the past such as the Atlantic the Plimhimmon the Stephen Decatur and the Commander as well as smaller cottages motels and boardwalk businesses Many of these structures have been destroyed by fires storms or the ravages of time others have been altered beyond recognition or replaced by condominiums Whether you seek saltwater taffy a carousel ride a moonlight stroll on the boardwalk or a quiet view of a historic lighthouse you'll find it all then as now down the ocean Some of the happiest postcards are those saved or sent from our summer vacations at the ocean With bright or faded images of the beach and sun and short messages like the weather's hot the water's cold and the fish are biting these colorful souvenirs can instantly take us back to warm breezes hot sand between our toes and the smell of french fries and fresh saltwater taffy You can almost hear the ragtime pianos of the pre World War I years as you turn over a softly colored card of the old Atlantic Hotel and read the greeting put down in an elegant flourishing hand in real ink that flowed from a fountain pen in 1910 or imagine crowds jitterbugging to the joyful jive and swing of the big bands in the 1940s when you see a glowing technicolor linen textured card of Rehoboth Avenue with its wartime message hurriedly scribbled in pencil from the Introduction
