Football pearl of Ukraine Timo Snakes, Abstract My name is Timofey more often just Tim with the ancient surname Katsonis Great great great great grandson of the legendary pirate of the tsarist times Lambros Katsonis A representative of the once great and now withered family of sea daredevils brave corsairs and courageous warriors True since childhood dreaming not of the endless blue battles and boarding but of green fields and more specifically football fields After many years of unsuccessful attempts fate finally gave me a chance to become the head coach of a real club and even the one I supported since childhood The book was written on the career in FM24 The book is fiction written by an amateur author please do not judge harshly In his book the author mixed a career in the FM game real historical facts and his own fictional stories
