Grandpa Corner Store Story:

Grandpa's Corner Store DyAnne DiSalvo, 2000 Grandfather's corner grocery business is threatened by a new supermarket but his granddaughter Lucy organizes the neighbors to convince him to stay *Grandpa's Corner Store-Pb* NATIONAL GEOGRAPHIC, 2013-06-28 **Advantage Reading Grade K** Creative Teaching Press, 2004-04 **Grandpa's Stories** Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared That's all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish I'm sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more than I did writing them **Promoting a Global Community Through Multicultural Children's Literature** Stan Steiner, 2001-03-15 You will find this book invaluable for teaching students the beauties of diversity and for building understanding of cultures from around the world This book features more than 800 titles both single volume and series selected for their multicultural content and compelling reflections of the social issues of diverse cultures The more than 100 interdisciplinary application strategies for titles range from reading aloud with follow up discussions to social activism Fully indexed by author and title this guide includes Web sites for literature integration contact information a discussion of the benefits of multicultural literature and suggestions for further reading The perfect guide for introducing students to other cultures and customs **Understanding Diversity Through Novels and Picture Books** Liz Knowles, Martha Smith, 2007-05-30 Understanding Diversity Through Novels and Picture Books goes beyond the usual multicultural lists and

looks at the wide expanse of the diversity of cultures and lifestyles impacting children's lives in America today and identifies good books to have in library collections for them to read Included are annotated titles with discussion questions from all of the identified cultures and subcultures and annotated teacher librarian resources print and Web based as well as an excellent list of topical annotated journal articles Grades 4-8 Knowles and Smith examine current research on diversity and multiculturalism They move away from the traditional aspects of multicultural education food fashion folktales festivals and famous people to a focus on novels and picture books and realistic fiction to show children with diversity issues that there are others in similar positions The issue of authenticity whether the author of the book should be of that culture or merely familiar with the culture is discussed Topics include Ethnicities Asian Latino Hispanic African Black Native American White European Bi-Multiracial Exceptionalities Ageism Socioeconomic Status Sexual Orientation Gender and Religion The authors provide this valuable resource for libraries schools and communities that wish to utilize literature to help diverse students walk in the shoes of others and to match books to children and young adults to heighten understanding and acceptance

Grades 4-8 **Tacking into the Wind** Dick Vander Woude, 2015-04-14 I joined the teachers revolution of the 60s expecting to work for a just and honored profession Colliding symbiotic values fomented into the experiences that defined my future The established order asked us to comply and compromise Idealism required us to accommodate pragmatism while never compromising our passion for justice Mine is a story about choices Choices that took me from school teacher to teacher advocate from the teachings of John Calvin to the philosophy of Baruch Spinoza from conservative to the progressive left A path guided by inculcated values influenced by social and political events molded by mentors and interrupted by tragedy Along the way I met great teachers organizers philosophers policy makers writers and presidents Born into a conservative rural Iowa family I was inspired by Bobby Kennedy's promise of withdrawal from Viet Nam and his passion to fulfill Martin Luther King's vision of a just society But Bobby was gone and with him much of the hope he had inspired Flying away from my safe predictable life as a teacher near Lake Okoboji I hoped to embrace a new life as an organizer Today as I reflect on life's lessons I believe that justice mercy and humility should guide the organizer's mantra Educate Agitate Organize

Woodland Echoes Dianna Cross Toran, 2018-06-29 For many years Woodland Park was a best kept secret for the residence and vacation property owners Her lake was and still is according to a recent conservation report pristine As with most secrets they are not kept for long and the word got out People have moved in or bought the property some very inexpensively that went back for taxes These new people probably wonder why there are so many black property owners in Woodland Park The majority of the newcomers are not aware that Woodland Park was once a black resort that was created during segregation They never stop to read the historical marker in front of the old one room schoolhouse that tells about Woodland Park's history They are unaware that there were once hotels and rental cottages that couldn't keep up with the summer demand or that the now deserted beach used to be packed with many black vacationers and locals They don't know

that there was once a grand clubhouse that dominated Mayo Point Many of these new people swim in the shallow waters of that very point where the clubhouse boardwalk once led They havent heard of the beautiful Hallie Q Brown a black elocutionist who once gave a speech for Queen Victoria Hallie owned a humble cottage near the public beach The new people dont know that the famous boxer Joe Louis spent lots of time in Woodland Park because his wifes family owned a cottage across the street from the old Kelsonia Hotel Or that W E B Du Bois once stood on a dock in Woodland Park with its founder Marian Auther They would be interested to know that during Prohibition Dutch Anderson would be killed in a shoot out with the police in Muskegon Only a few days earlier he had been to what is now the Shangri La in Woodland Park to pick up his bootleg whisky and beer They only know that Woodland Park has one of the most beautiful lakes in the area and that it is a wonderful place to bring the family They know they can count on the old timers waving to them with a smile as they pass them by But there is so much more for them to learn about this enchanted place and so much more about Woodland Park its settlers and the people in the surrounding communities

Grandpa's Backstory Larry Taliaferro,2015-05-18 After facing the realization I was going to become a grandfather to a great little boy it seemed important to tell him something about his family history that occurred before he was born With as busy as he is now in college it may be awhile before he slows down long enough to inquire I simply started at the beginning with the first memory I ever had and chronicled many of the meaningful things in my life as I remembered them I documented grade school high school and college experiences I then moved on to my time in the military and in the working world all the while starting a family with a special woman Trudy my wife of nearly forty seven years The highlights in my life get a treatment including my travels and the events that affected me deeply enough to shape my thinking because I also share my many opinions Here then is Grandpa s Backstory Because Somebody Might Need to Know
