Grandparents A New Look At The Supporting Generation:

Grandparents Ursula A. Falk, 2010-12 What image comes to mind when we hear the term grandparents Too often it is the Norman Rockwell view of innocuous kindly white haired folk or conversely the negative stereotype of doddering dim witted burdens confined to nursing homes Unfortunately such notions shortchange not only older people but younger generations as well who may never realize how much grandparents have to offer This informative well researched book aims to add some perspective and depth to the stick figure images of grandparents promulgated by contemporary culture Psychotherapist Ursula Falk and sociologist Gerhard Falk provide an illuminating overview of the many facets of being a grandparent in today's society Among the topics discussed are the history of the grandparent role and its evolution social forces that have affected the American family including grandparents the distinctly different roles of grandmother and grandfather the parental responsibilities that grandparents today are often forced to assume for their grandchildren in the absence of the children's parents the ways in which other cultures treat grandparents the usually negative and stereotypical depiction of grandparents in the media and in literature and finally the supporting role that grandparents play with authentic examples Also included is an appendix outlining the legal rights of grandparents The authors stress that grandparents must be seen as individuals with their own lives to lead and that society needs to reassess the value of the elderly Ursula Adler Falk Ph D Kenmore NY is a psychotherapist in private practice and a nursing home consultant She is the author of a number of books including *On Our Own Independent Living for Older Persons* Gerhard Falk Ph D is professor of sociology at the State University of New York College in Buffalo NY and the author of many books including *Stigma How We Treat Outsiders*

Grandparents in a Digital Age Laura Tropp, 2018-11-23 This book investigates the changing culture of grandparenting Depending on the group the period and the family grandparents have been powerful patriarchs and matriarchs reliable second parents dependents burdens or community figures The book examines the history of grandparenting and the changing depiction of grandparent culture from old to hip including the development of the celebrity grandparent the emergence of media technologies that allow for new communication and relationships between grandparents and their grandchildren new rituals associated with grandparenting the growth of the marketing of grandparenting as a new stage of life and the impact on our culture of the commodification of grandparenting Prior to the twentieth century within the United States the idea of the modern grandparent likely did not even exist Many people did not live long enough to reach the grandparent stage of life Today people are living longer and grandparenting is occupying a longer phase in one's life Grandparenting is becoming its own life stage where new rituals exclusive to grandparents are emerging Newer technologies such as Skype Google Hangout and FaceTime allow grandparents who are far away to establish relationships with their children Many grandparents also use social media and blogs to chronicle their experiences Some grandparents have turned their grandparent lifestyle into a business The representation of grandparenting in popular culture is shifting as well

Grandparents are becoming their own figures on television and film programs including reality shows Others have been thrust into the public eye across social media Marketers have realized the power of this new consumer subgroup and have begun to direct marketing campaigns to grandparents Yet despite the pervasive images of grandparents some of which present empowered figures grandparent representation in popular media continues to mimic many of the stereotypes commonly associated with aging encouraging people to laugh at versus laugh with these figures The Third Act Grandparenting in a Digital Age examines grandparenting through history interviews and popular culture to study the changing image of grandparents in society

Fatherhood Scenarios Rama Rao Gogineni, April E. Fallon, Andres J. Pumariaga, Salman Akhtar, 2024-05-08 Fatherhood Scenarios offers a wide range of perspectives including different cultural and ethnic perspectives and chapters considering the role of the father throughout the lifespan including experiences of gay fathers adoptive fathers and disabled fathers With contributors from around the world representing diverse mental health disciplines these chapters constitute a harmonious gestalt of knowledge information theory and socio clinical dimensions pertaining to fatherhood The emphasis of all these sections is nonetheless the psychosocial tasks of fatherhood as it undergoes subtle and gradual transformation with the offspring's growth through childhood and adolescence to full adulthood including becoming a parent themselves The book also traces the portrayal of fatherhood in popular media including television and movies keeping in mind their evolution and transformation over the past many decades Spanning a vast terrain of psychosocial concern Fatherhood Scenarios will be of great appeal to mental health professionals psychotherapists child psychiatrists and family welfare workers in practice and in training

Grandparents' Guide to Gifted Children James T. Webb, Janet L. Gore, Frances A. Karnes, 2004 Grandparents with their greater life experience will often realize Xeven before the parents Xthat a child is gifted and that the child will need additional emotional and intellectual sustenance Grandparents Guide to Gifted Children includes XEarly signs of giftedness XSpecial needs of gifted children XAreas of concern XUnique roles of grandparents XBuilding a bond with a grandchild XMaximizing grandparenting XEducation plans XWhen a grandparent is the parent XLeaving a personal legacy

Widening the Family Circle Kory Floyd, Mark T. Morman, 2013-08-20 Widening the Family Circle New Research on Family Communication Second Edition continues to address historically under studied family relationships such as those involving grandparents in laws cousins stepfamilies and adoptive parents In this engaging text editors Kory Floyd and Mark T Morman bring together a diverse collection of empirical studies theoretic essays and critical reviews of literature on communication to constitute a stronger more complete understanding of communication within the family

Grandparents in Cultural Context David W. Shwalb, Ziarat Hossain, 2017-07-20 Grandparents in Cultural Context gives a long overdue global view of the changing roles of grandparents The eleven main chapters are by experts in the Americas Europe and Russia Asia and Africa and the Middle East and the editors integrate their chapters with previous writings on grandparenthood Rather than technical or statistical

research reports each chapter provides a thought provoking and comprehensive review of research real life case stories cultural influences and applied implications for grandparenthood across and within societies Calling special attention to the roles of grandfathers and grandparenthood in societies previously un represented in the literature it provides several hundred new citations of work previously unavailable in English language publications Accessible to both scholars and students it has several pedagogical features e g web links discussion questions that make it useful as a text for upper division undergraduate or graduate level classes in behavioral social and family sciences It is relevant to psychology gerontology family studies anthropology family comparative sociology education social work gender studies ethnic studies psychiatry and diversity and international studies programs Practitioners service providers policymakers and internationally minded grandparents will also enjoy this book

Battleground: The Family Kimberly Brackett, 2008-12-30 Everyone is part of a family but what constitutes a family is one of the most hotly debated issues in the United States today Battleground The Family provides extensive coverage of those critical issues in U S culture concerning current and future family life such as dating marriage parenting work and family abuse and divorce The scholarly contributors to this set provide unbiased coverage on these often incendiary topics allowing students to assess the role of these controversies in their own lives Entries thoroughly introduce the topic of concern describe the problem as it currently exists provide context for the controversies surrounding it synthesize the current knowledge on the topic and guide the reader to additional areas for consideration Battleground The Family serves as a starting point for those advanced high school and beginning undergraduate students who wish to pursue a more detailed study of family controversies and cultural concerns for classroom assignments Non specialist readers will also find this a useful resource in critically assessing current trends and conflicts in constituent groups conceptions of family

The Essential Homebirth Guide Jane E. Drichta, Jodilyn Owen, Christianne Northrup, 2013-02-12 Two midwives present the What to Expect When You re Expecting for homebirths with a foreword by Dr Christiane Northrup Birthing is a miraculous time when you and your baby will work together to bring about life As you finally cradle your precious newborn in your arms you should know deep in your soul that every decision that brought the two of you to this special moment was yours More families than ever are choosing to birth at home Midwives Jane E Drichta and Jodilyn Owen answer questions about the kind of care support and information you need as you investigate whether this option is right for you Birth can be an empowering and positive experience and this book provides gentle guidance with high regard for your wisdom and ability to successfully navigate your prenatal care birth and early mothering Enriched with real birth stories from new mothers The Essential Homebirth Guide offers thoughtful compassionate advice on a wealth of birthing topics including Building a supportive homebirth community Caring for yourself and your baby from your pregnancy through the postpartum period Communicating about your birthing plans with your midwife your partner and your family and friends Deciding whether homebirth is safe for you Educating yourself about

common pregnancy related issues Preparing your home and your family for the big day *Grandparents Raising Kids* Rae Simons,2015-02-03 In 2005 6 million children were being raised by their grandparents Sometimes their grandchildren s parents had died sometimes they were in prison and sometimes they just couldn t cope with raising children When grandparents take in their grandchildren to raise they have some difficulties most families don t have They re older for one thing and they also have to deal with their own children and that relationship But they have the wisdom and experience they ve gained from raising one set of children already and this can help The families in this book have had both good and bad experiences but they have learned a great deal through them *Grandparenting Children with Disabilities* Madonna Harrington Meyer,Ynesse Abdul-Malak,2020-08-29 Childhood disabilities particularly cognitive disabilities are on the rise yet social programs and services to help US families respond to disabilities are not Many families turn to grandparents for assistance juggling work family responsibilities and specialized therapies This book is based on in depth interviews with grandparents who are providing at least some care to grandchildren with disabilities The analyses will help to better understand 1 under what conditions grandparents provide care and support 2 what types and intensities of care and support grandparents provide and 3 the impact of that care and support on grandparents social emotional physical and financial wellbeing In this fascinating and provocative book Madonna Harrington Meyer and Ynesse Abdul Malak take readers on a deep dive into the complex lives of grandparents who care for their disabled grandchildren In *Grandparenting Children with Disabilities* their interviews reveal the joy meaning and purpose grandparents find in caregiving the challenges and frustrations they encounter and the many ways they compromise their own health and well being for the sake of their grandchildren Drawing from theories of cumulative inequality and from their deep knowledge of the US policy context the authors lay bare the systemic failures that leave families of children with disabilities without adequate support and that place the most vulnerable among them at grave physical emotional and financial risk Jane McLeod Provost Professor Indiana University Grandparents in the U S already take on far more parenting responsibilities as compared to their peers in other countries *Grandparenting Children with Disabilities* demonstrates that the intensity of these responsibilities is compounded for those whose grandchildren have disabilities given limited policy supports and a society still largely unaccommodating to those with disabilities This book beautifully navigates the tension between the love these grandparents have for their grandchildren and the challenges they face caring for them Pamela Herd Professor Georgetown University *Grandparenting Children with Disabilities* offers important insights about the lived experience of older adults who care for and care about their grandchildren The authors skillfully integrate the stories they tell with consideration of macro social structural influences and life course perspectives I recommend it highly Eva Kahana Distinguished University Professor Case Western Reserve **Handbook of Gerontology** James A. Blackburn,Catherine N. Dulmus,2007-06-15 A multidisciplinary resource that combines the latest research with the best practices for working with older adults *The Handbook of Gerontology*

Evidence Based Approaches to Theory Practice and Policy provides an essential source of important theoretical and applied information on gerontology for all mental health professionals interested in optimizing the health and well being of older adults Interdisciplinary and incorporating the most current evidence based practices in its focus this timely book considers the many factors that affect the way this growing population experiences the world and provides a positive and proactive guide to administering care Integrating the latest research findings with important practice implications for working with an older client population the Handbook of Gerontology draws on a multidisciplinary team of expert contributors who provide coverage and insight into a diverse range of topics including A global perspective on aging Elder abuse Family caregiving Parenting grandchildren Depression Substance abuse Alzheimer s disease Successful aging and personality Biological and cognitive aspects and theories of aging An exceptional resource for practitioners researchers policymakers and students the Handbook of Gerontology is essential reading for anyone who works with older adults Youth Culture and the Generation Gap Gerhard Falk, Ursula A. Falk, 2005 Risk taking school sex church entertainment language and class are among the factors that Gerhard sociology State U College Buffalo New York and psychotherapist Ursula consider as they explore how American youth culture has changed and stayed the same since the 16th century Puritan colonies They discuss the life of children and adolesc **Functional Performance in Older Adults** Bette R Bonder, Vanina Dal Bello-Haas, 2008-10-31 The ideal resource for rehabilitation professionals who are working with or preparing to work with older adults It describes the normal aging process illustrates how health and social factors can impede an aging person s abilities and demonstrates how to develop mechanisms for maximizing the well being of older adults *Understanding Communication and Aging* Jake Harwood, 2007-05-08 The book examines key topics such as interpersonal and family relationships in old age media portrayals of aging cultural variations in intergenerational communication and health communication in old age *Family Ties and Aging* Ingrid Arnet Connidis, Amanda E. Barnett, 2018-10-05 Providing an integrated and thorough representation from current research and contemporary society Family Ties and Aging shows how pressing issues of our time an aging population changing family structures and new patterns of work family balance are negotiated in the family lives of middle aged and older adults Focusing on key questions such as How do current trends and social arrangements affect family relationships and What are the implications of what we know for future research theory practice and policy authors Ingrid Arnet Connidis and Amanda E Barnett explore groups and relationships that are typically overlooked including the unique family situations of older single and childless persons sibling ties older lesbian and gay adults and new forms of intimate relationships The Third Edition is thoroughly updated to include the latest research and theoretical developments recent media coverage of related issues and new information on intimate relationships in later life and elder neglect abuse **Ethics, Law, and Aging Review, Volume 9** Marshall B. Kapp, JD, MPH, FCLM, 2003-08-15 This volume explores the concept of safety as applied in the long term care context Chapters examine the way in which the quest for safety may work

either synergistically or adversely upon other worthy social goals Among the initiatives considered are promoting the decision making autonomy of patients clients and their surrogates enhancing the quality of care and quality of life available to long term care residents and providing fair compensation for injured victims when serious harm occurs Questions addressed that are of concern to legal and ethical theorists social science researchers and patient client advocates include To what extent do litigation and or regulation accomplish the safety and other legitimate objectives of public policy in the long term care arena Do the costs of various approaches outweigh the benefits in promoting safety and other goals How do litigation and regulation compare with alternative approaches to achieving the same goals in terms of an acceptable cost benefit balance

Intellectual and Developmental Disabilities Briana S. Nelson Goff,Nicole Piland Springer,2017-10-19 Intellectual and Developmental Disabilities provides a unique contribution not currently available in the professional literature by addressing the experiences and perspectives of families living with or raising a child with a disability Designed for family therapists social workers and other helping professionals it provides empirically based practical information for working with families experiencing intellectual and developmental disabilities of a loved one This book also provides important information for navigating the various professional systems of care with which these families interface health care providers early childhood intervention teams educational systems the legal system and financial planners

The American Drug Culture Thomas S. Weinberg, Gerhard Falk, Ursula Adler Falk,2017-12-14 The American Drug Culture uses sociological and other perspectives to examine drug and alcohol use in U S society The text is arranged topically rather than by drug categories and explores diverse aspects of drug use including popular culture sexuality legal and criminal justice systems other social institutions and mental and physical health It covers alcohol the most widely used drug in the United States more extensively than other texts on this subject The authors include case studies from their own field research that give students empathetic insights into the situations of those suffering from substance and alcohol abuse

Adolescence ,2003

Journey to Adulthood Chin-Chun Yi,Ming-Chang Tsai,2023-01-06 Young people in East Asia are increasingly experiencing a prolonged transition to adulthood They are spending longer in school entering the labour market later and getting married later still This protracted young adulthood interacts with forces of both tradition and modernization as social and economic changes generate profound effects on the transition from school to work on family formation on personal relationships and on subjective well being Journey to Adulthood explores the special characteristics of young adulthood in East Asia It uses Taiwan as illustrative example with comparative findings from its East Asian neighbours Japan Korea and Hong Kong It describes the particular growth context of a millennial generation and the challenges they face as they attempt to balance family formation personal development and entry into a market economy Edited by Chin Chun Yi and Ming Chang Tsai this collection helps us to understand the structural configurations East Asian young adults collectively represent Taking a cross cultural and comparative perspective it enables meaningful policy suggestions on family dynamics educational

strategy and health and well being across the globe Dr Chin Chun Yi and Dr Ming Chang Tsai both work within the Institute of Sociology Research Center for Humanities and Social Sciences Academia Sinica Taiwan
