

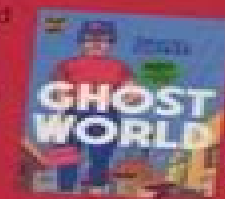

GRAPHIC NOVELS

EVERYTHING YOU NEED TO KNOW

Graphic Novels: Everything You Need To Know is the perfect companion to this dazzling world, whether you're a novice uncertain where to begin or an enthusiast eager to discover more. In a series of themed, interlinked chapters, Paul Gravett introduces the masterpieces of the medium and helps readers to explore their hidden treasures, from the rich, mysterious textures of Neil Gaiman's *Sandman* to Marjane Satrapi's vivid memories of her Iranian childhood in *Persepolis*. All of human experience is here: from teenage girlfriends alienated in suburbia, or a son learning about the Holocaust, to a desperate housewife's search for passion, brought to life with insight, imagination, and page-turning narrative. Stories to change your life.

Paul Gravett, author of the bestselling *Manga: Sixty Years of Japanese Comics*, has worked in comics publishing and promotion for over twenty years as a writer, curator, lecturer, and broadcaster. He also writes for newspapers and magazines, including the *Guardian*, *Time Out*, *Blueprint*, *Neo*, *The Comics Journal*, *Comics International*, *Comic Art* and *Dazed & Confused*.
