English Language Arts, Grade 6 Module 3 PCG Education, 2015-12-09 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Parallel Curriculum Units for Grades K-5 Marcia B. Imbeau, 2011-01-11 Since intelligence can be influenced by circumstance and environment, The Parallel Curriculum Model Unit K-5 shows elementary educators how to provide clear unit planning utilizing the empirical-based model. Broken out into 4 sections, this resource provides the following: 1 a chapter on each content unit in K-5 literacy, mathematics, social studies, and science using the Model 2 a content framework based on national and content standards 3 unit assessments and 4 unit sequence as well as teacher reflection lessons. Approximately 5-7 lessons of each content area will be provided in every chapter in this handy resource. The opening chapter defines what The Parallel Curriculum is and discusses how this researched-based curriculum can be created and utilized for gifted learners, learners with special needs, as well as general education students. Recognizing that curricula should be flexible to meet the needs of all learners, The Parallel Curriculum Model Unit Book K-5 provides an educational rationale for developing a new curriculum model, gives a brief overview of the theoretical underpinnings of the model, and

aims to help practitioners apply the specific units and lessons in the classroom
