Hastings Journal ,2012 The Hastings Law Journal ,2012 **Frontiers** ,2010 Sociologists and Social Progress
O. Alexander Miller,2011 This book utilizes narratives from U S and Caribbean scholars to examine the viability of sociologists changing the world from below through sporadic interdependent networks Piven 2008 The conclusion reached is that in its current state the academy can do little to improve conditions in society as sociologists are themselves embattled by defeating narratives revolving around poor personal experiences the recalcitrance of Old World history European epistemological meta narratives and the multi paradigmatic criteria for determining sociological knowledge If sociologists are to finally influence society then the academy has to first overcome its calcified European and Anglo American principles of domination **The British National Bibliography** Arthur James Wells,2009 *Elusive Justice* Thea Renda Abu El-Haj,2012-12-06 Elusive Justice addresses how educators think about and act upon differences in schools be they based on race gender class or disability and how discourse and practice about such differences are intimately bound up with educational justice Rather than skip over contentious or uncomfortable dialogues about difference Thea Abu El Haj tackles them head on Through rich and detailed ethnographic portraits of two schools with a commitment to social justice she analyzes the ways discourses about difference provide a key site for both producing and resisting inequalities and examines the dilemmas that emerge from either focusing on or ignoring them In interrogating fundamental assumptions about difference and equity Abu El Haj deftly blends critique with a search for hope and possibility to ultimately argue for ways educators might translate ideals about justice into effective practice *Sociological Abstracts* Leo P. Chall,2002 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Multicultural Education, Critical Pedagogy, and the Politics of Difference Christine E. Sleeter,Peter McLaren,1995-01-01 This book explores and expands upon linkages between multicultural education and critical pedagogy drawing on the shared goal of challenging oppressive social relationships **Diversity and Education** Michael Vavrus,2014-11-01 **Critical Multicultural Education** Christine E. Sleeter,2024 This volume collects Christine Sleeter's core work focusing on critical multicultural education situating culture and identity within an analysis of power and racism Multicultural education arose in the context of the Civil Rights Movement and in its inception shared with that movement a

focus on eradicating both interpersonal and systemic racism The problem this book takes up is that over time many people have come to understand and enact multicultural education in ways that evade grappling directly with racism This dilution has happened for several reasons including White teachers rearticulations of multicultural education as getting along or learning to be colorblind and neoliberal reforms that have reduced it to a celebration of cultural diversity while maintaining silence about racism This volume includes ten of Sleeter s articles that explicitly locate multicultural education within critical understandings of race racism and colonialism offering both theoretical and practical discussions of what that means A deeply researched contextualized and nuanced account of multicultural education H Richard Milner IV Vanderbilt University This beautiful and intersectional volume needs to be required reading in every school of education Robin DiAngelo coauthor of *Is Everyone Really Equal* This book is an important intervention on the side of racial justice in education Wayne Au editor *Rethinking Schools* Critical Multiculturalism Stephen May, 2005-08-18 This text aims to bring together two movements of multiculturalism and anti racism which have previously been distant from each other **Diversity and Multiculturalism** Shirley R. Steinberg, 2009 This reader demands that we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught and by redefining the field with an equitable lens freeing it from the dominant cultural curriculum The book problematizes the issue of whiteness for instance as not being the opposite of blackness or person of colorhood but rather a meta description for our dominant culture Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism this reader includes essays on physical diversity geographic diversity and difference in sexualities This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity Critical Multiculturalism Stephen May, 1999
