The background of the entire cover is a warm, orange-hued sunset or sunrise. Silhouetted against this light are several horses galloping from left to right, and a cowboy on a horse in the center background, also galloping. The overall mood is one of a classic Western scene.

Grass Beyond the Mountains Richmond P. Hobson,2015-04-14 The first in a trilogy Grass Beyond the Mountains is a story of discovery and endurance on North America s western frontier by three good old fashioned cowboys With laconic cowboy humor and the ease of a born writer Richmond Hobson describes the life and death escapades the funny and tragic incidents peopled with extraordinary frontier characters in a true adventure that surpasses the most thrilling Wild West fiction In the fall of 1934 three cowhands with a dream of owning a cattle ranch made their way from peaceful Wyoming to the harsh uncharted territory of the British Columbian interior In conditions as challenging as any encountered by the western frontier pioneers of a hundred years earlier the three men and their equipment laden horses conquered the tortuous miles over narrow passes and mountain summits hewed their first cabin from virgin timber and attempted to carve out a space for themselves on the unforgiving landscape Gritty fun and endlessly entertaining Hobson s story is sure to entertain country and city dwellers alike
