Gratitude An Intellectual History:

Gratitude Peter J. Leithart, 2018-06-15 Gratitude is often understood as etiquette rather than ethics an emotion rather than politics It was not always so From Seneca to Shakespeare gratitude was a public virtue The circle of benefaction and return of service worked to make society strong But at the beginning of the modern era European thinkers began to imagine a political economy freed from the burdens of gratitude Though this rethinking was part of a larger process of secularization it was also a distorted byproduct of an impulse ultimately rooted in the teachings of Jesus and the apostle Paul Christians believed that God stood at the center of the circle of gratitude God was the object of thanksgiving and God gave graciously Thus Christians taught that grace cancelled the oppressive debts of a purely political gratitude **Gratitude An Intellectual History** examines changing conceptions of gratitude from Homer to the present In so doing Peter J Leithart highlights the profound cultural impact of early Christian ingratitude the release of humankind from the bonds of social and political reciprocity by a benevolent God who gave and who continues to give graciously **Themelios, Volume 40, Issue 2** D. A. Carson, 2016-04-22 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **The Art of Gratitude** Jeremy David Engels, 2018-04-25 In The Art of Gratitude Jeremy David Engels sketches a genealogy of gratitude from the ancient Greeks to the contemporary self help movement One of the most striking things about gratitude Engels finds is how consistently it is described using the language of indebtedness A chief purpose of this he contends is to make us more comfortable living lives in debt with the nefarious effect of pacifying the citizenry so we are less likely to speak out about social and economic injustice To counteract this he proposes an alternative art of gratitude as thanksgiving that is inspired by Indian philosophy particularly the yoga philosophy

of the Bhagavad Gita and Patanjali's Yoga Sutras He argues that this art of gratitude can challenge neoliberalism by reorienting our politics away from resentment anger and guilt and toward a democratic ethic of thanksgiving and the common good American Intellectual History Jennifer Ratner-Rosenhagen,2021 Long before the United States was a nation it was a set of ideas projected onto the New World by European explorers with centuries of belief and thought in tow From this foundation of expectation and experience America and American thought grew in turn enriched by the bounties of the Enlightenment the philosophies of liberty and individuality the tenets of religion and the doctrines of republicanism and democracy In engaging and accessible prose Jennifer Ratner-Rosenhagen's introduction to American thought considers how notions about freedom and belonging the market and morality and even truth have commanded generations of Americans and been the cause of fierce debate Philosophical Perspectives on Existential Gratitude Joshua Lee Harris,Kirk Lougheed,Neal DeRoo,2023-03-23 Existential gratitude gratitude for one's very existence or life as a whole is pervasive across the most influential human cultural and religious traditions Weaving together analytic and continental as well as non-western and historical philosophical perspectives this volume explores the nexus of gratitude existence and God as an intersubjective phenomenon for the first time A team of leading scholars introduce existential gratitude as a perennially and characteristically human phenomenon central to the distinctive life of our species Attention is given to the conditions under which existence itself might be construed as having a gift like or otherwise gratitude inducing character Drawing on a diversity of perspectives chapters mark out new territory in philosophical inquiry addressing whether and in what sense we ought to be grateful for our very existence By analysing gratitude this collection makes a novel contribution to the discourse on moral emotions phenomenology anti-natalism and theology Philosophy and Psychedelics Christine Hauskeller,Peter Sjöstedt-Hughes,2022-06-16 What do psychedelics reveal about consciousness What impact have psychedelics had on philosophy In this rapidly growing area of study this is the first volume to explore the philosophy of psychedelic experience from a range of interdisciplinary and cross-cultural perspectives In doing so Philosophy and Psychedelics reveals just why the place of psychedelics in our societies should not be left to medical sciences alone as psychedelic experience opens up new perspectives on fundamental philosophical questions relating to human experience ethics and the metaphysics of mind Mapping a range of philosophical responses to the surge in studies into psychedelic drugs in the cognitive sciences this go-to volume examines topics including psychedelics and the role of governance psychedelics and mysticism what psychedelics can tell us about dyadic thankfulness and psychedelics as ways to gain new knowledge Written by leading international scholars the essays cover Western and non-Western traditions from analytic philosophy to Zen Buddhism and discuss a variety of hallucinogens such as LSD MDMA and Ayahuasca in order to build a much needed bridge between the rapidly growing scientific research and the philosophy behind psychedelic experience **The New Testament and Intellectual Humility** Grant Macaskill,2018-12-20 This study examines how the New Testament scriptures might form and foster intellectual

humility within Christian communities It is informed by recent interdisciplinary interest in intellectual humility and concerned to appreciate the distinctive representations of the virtue offered by the New Testament writers on their own terms It argues that the intellectual virtue is cast as a particular expression of the broader Christian virtue of humility something which itself proceeds from the believer's union with Christ through which personal identity is reconstituted by the operation of the Holy Spirit This demands that we speak of virtue in ways determined by the acting presence of Jesus Christ that overcomes sin and evil in human lives and in the world The Christian account of the intellectual virtue of humility is framed by this conflict as the minds of believers who live together within the Christian community struggle with natural arrogance and selfishness and come to share in the mind of Christ The new identity that emerges creates a fresh openness to truth as the capacity of the sinful mind to distort truth is exposed and challenged This affects not just knowledge and perception but also volition for these ancient writers a humble mind makes good decisions that reflect judgements decisively shaped by the sacrificial love of Jesus Christ By presenting humility of mind as a characteristic of the One who is worshipped Jesus Christ the New Testament writers insist that we acknowledge the virtue not just as an admission of human deficiency or limitation but as a positive affirmation of our rightful place within the divine economy

History and Human Flourishing

Darrin M. McMahon, 2023 The Humanities and Human Flourishing series publishes edited volumes that explore the role of human flourishing in the central disciplines of the humanities and to what degree the humanities can increase human happiness This volume examines the relationship between history and human flourishing and more broadly investigates the ways in which the arts and humanities are related to human well being The essays here represent the efforts of a varied and distinguished group of professional historians to consider a deceptively simple question what is the value of history for life Each author asks in what ways historians their work and the objects of their inquiry might contribute to human well being and how they might be encouraged to do so History in this volume refers not just to the past writ large but also to the discipline and practice of historical inquiry along with the production and consumption of works of historical representation Thinking of history in these ways the contributors address a wide variety of subjects in connection to issues of well being considering history across time and place as a vocation a source of the sublime a site of play and a repository of meaning with surprising analogues to religious experience Overall History and Human Flourishing uses personal experience insight into the professional and scholarly world of historians and a variety of historical periods and approaches to highlight the value of studying history in discussions of human flourishing The essays in this volume identify history and the historical craft as tremendous potential resources for human well being and of vital importance for our times

Philosophies of Gratitude

Ashraf H. A. Rushdy, 2020 Ashraf H A Rushdy examines gratitude as a philosophical concept In the first half of the book he outlines its history and significance in western philosophical history specifically in classical antiquity the early modern era and the Enlightenment The second half of the book is focused on contemporary meanings of gratitude as a

sentiment action and disposition how we feel grateful act grateful and cultivate grateful being Rushdy argues that gratitude is a virtue that we practice in moral recognition of our dependency and connectedness with our families friends communities environments and universe

Islam, Orientalism and Intellectual History Mohammad R. Salama, 2011-03-30 Debates on the relationship between Islam and the West rage on from talk of clashing civilizations to political pacification from ethical and historical perspectives to distrust xenophobia and fear Here Mohammad Salama argues that the events of 9 11 force us to engage ourselves fully without preconditions in understanding not just the history of Islam as a religion but of Islam as a historical condition that has existed in relationship to the West since the seventh century Salama compares the Arab Islamic and European traditions of historical thought since the early modern period focusing on the watershed moments that informed the two traditions ideas of intellectual history and perceptions of one another He draws attention to European intellectual history s entangled links with the Islamic philosophy of history especially the complexities of orientalism and modernity Recent critical reflections on the work of Ibn Khald n confirm this intertwined and troubled relationship reflecting major disparities and contradictions At the same time recent Arab writings on Europe s intellectual history reveal a struggle against erasure and intellectual superiority Calling for a new understanding of the relationship between Islam and the West Salama argues that Islam has played a major role in enabling and positioning various paths of Western historiography at crucial moments of its development leaving palpable imprints on Islamic historiography in the process He proposes an answer to a fundamental question how to make sense of the mechanics of production in Arab Islamic and Western historiographies or how to identify the ways in which they have both failed to make sense of themselves and of each other in an increasingly disenchanted postnationalist world Spanning an impressive array of recent writings on these themes as well as older foundational texts in both traditions including al Tabar Ibn Khald n Hegel al Jabart Toynbee Foucault Edward Said and Hourani this book is both timely and crucial for all those interested in Islamic and Middle Eastern studies Western and Islamic philosophies of history modernity and the relationship between Islam and the West

Gratitude An Intellectual History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gratitude An Intellectual History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gratitude An Intellectual History has opened up a world of possibilities. Downloading Gratitude An Intellectual History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gratitude An Intellectual History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gratitude An Intellectual History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gratitude An Intellectual History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gratitude An Intellectual History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gratitude An Intellectual History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
