## **Gre Wordlist 491 Essential Words Test Prep Series:**

GRE Wordlist: 491 Essential Words Vibrant Publishers, 2013-01-10 The verbal reasoning section presents the most difficulty for GRE aspirants Limitless as the English lexicon is how do you know where to begin and how much to cover Thankfully with GRE Word List 491 Essential Words there s now an easy answer These 491 words have been selected by GRE experts after extensive analysis of the new verbal section and form the perfect foundation for acing the exam Unlike other vocabulary books the methodology adopted is not that of learning by rote emphasis is given on understanding the context and widening word awareness Here s what this book has to offer The top 491 words for the GRE along with detailed clear meanings Synonyms and antonyms to widen your knowledge as you learn new words Friendly pronunciation system to make sure you speak the words right every time Sample sentences to learn the right context for using the words Parts of speech to complete your understanding of how to work with the words GRE Word List 491 Essential Words is the one and only book to turbocharge your GRE preparation Get started now

**PREFACE** In the new format adopted by the GRE verbal reasoning skills are given greater importance than ever Students will face new types of questions in reading comprehension sentence equivalence and text completion and the average difficulty level has gone up The greater focus now is to test how well the student understands the context and is able to infer the right conclusions This means merely learning vocabulary words by rote is not a good idea Students looking to crack the verbal reasoning section need to develop a broader understanding of the vocabulary and relevant context This book was developed precisely with that purpose in mind It presents 491 words for the New GRE that are most likely to appear in the test in different ways The emphasis is on complete understanding rather than just word meanings Synonyms antonyms and parts of speech are included to expand your thinking horizons A simplified pronunciation system will help you get comfortable with how the words sound and will be useful even long after you ve cracked the GRE Another great feature is the use of sample sentences that demonstrate the correct context for using the words All this helps students improve cognitive and inferential thinking skills We suggest you have fun with these words Don t just read them from the book but make use of them in your daily conversations Before long you ll start noticing them everywhere around you in books magazines newspapers and movies Use of flash cards is highly recommended to make these words permanent in your memory and breeze through the New GRE Here s to your success

What's in this Book This book contains a Word List unlike any you have seen before Our Word List takes each vocabulary word through its paces denoting its part of speech synonyms for its various contexts its dictionary definition and most importantly THREE 3 to FIVE 5 sentences using the word in its varied contexts When appropriate those varied contexts include both literal and figurative uses of the word How will our Word List Help You Prepare for the GRE Performing well on the GRE General Test especially its Verbal Reasoning section requires a strong working knowledge of the vocabulary that appears in the questions how those words function both literally and figuratively how their meanings vary based on context and how in many cases they operate as more than one part of speech The following is an example of a question type the GRE refers to as Sentence Equivalence The test taker is instructed to select two 2 answer choices that when used to complete the sentence fit the meaning of the sentence as a whole and produce completed sentences that are alike in meaning The goal of the rebel forces was to \_\_\_\_\_ the current ruler in the hopes that as an expatriate he could not easily resume his control over the country A augment B supplant C exonerate D indemnify E conflate F oust To perform well on this test question the test taker must understand that words often function as different parts of speech and their varied uses must be determined by the context in which they are used The word expatriate for example is key to this question It is important to understand that it can be used as an adjective a noun or a verb Note that in this test question expatriate is clearly used as a noun because it is preceded by the article an In this context therefore expatriate refers to someone who is exiled to a foreign country From a foreign country an exiled ruler would have greater difficulty resuming power The answers must signify actions that remove a ruler from power and allow for his exile The two words that do this are oust and supplant Thus those are the 2 correct answers Using All Three 3 of our Word Lists Can Put Your Preparation on the Fast Track We offer three 3 Word Lists to help you prepare for the GRE List 1 List 2 and this list the Challenging list It is important to remember that your goal is to be fully conversant in as many of these vocabulary words as possible Why You must not only recognize and comprehend the words when you encounter them in GRE test questions but you must also utilize sophisticated vocabulary to express your own ideas in the Analytical Writing section of the test It is to your advantage therefore to have as many high level vocabulary words as possible at your disposal This is especially difficult to do if your preparation time is limited How Can our Word Lists Help You Beyond the GRE The goal of entrance exams like the GRE is to anticipate the test taker's likelihood of success in the field into which they seek entry Thus the long view of mastering sophisticated vocabulary is that doing so will not only help you prepare for the GRE but will simultaneously prepare you for

what lies ahead comprehending analyzing and evaluating graduate level materials and writing with the complexity and sophistication expected of a graduate level student To put it simply a fully functioning high level vocabulary is the key to success in your graduate experience Prepare for success NOW *GRE Master Wordlist* ,2017-02-25 Features GRE Master Wordlist 1535 Words for Verbal Mastery 1535 essential words for complete preparation Easy pronunciation guide Synonyms and antonyms Sample sentences Parts of speech Master the New GRE vocabulary with these essential 1535 words Preparing vocabulary for the New GRE can be tricky Students usually do not know how much to prepare and end up wrestling with dictionaries and thesauruses Not anymore With this book you will be able to master the essential GRE vocabulary in no time And you dont need to learn many thousands of words for it just the top 1535 Handpicked by GRE experts having years of experience these words reflect the core of the GRE exam and promise perfect score to aspirants who master them Here is the learning offered The top 1535 words that feature in verbal reasoning section of the GRE List of synonyms and antonyms you are going to need in the exam The right context for using the words through sample sentences The right way to pronounce the words thanks to the easy and friendly pronunciation system given Understanding where the words fit in as parts of speech This increases your word awareness and builds verbal skills Verbal reasoning has become more challenging in the new format of the GRE As a result students aiming for a high score need to master all the essential words they are likely to come across With New GRE Master Wordlist you have everything you need to build a comprehensive vocabulary and ace the verbal reasoning section GRE Vocabulary Workbook Lewis Morris, Learn the Secret to Success on the GRE Test Ever wonder why learning comes so easily to some people This remarkable workbook reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the subject and exams you will be poised to tackle the toughest of questions with ease We ve discovered that the key to success on the Graduate Record Exam lies with mastering the Insider s Language of the subject People who score high on their exams have a strong working vocabulary in the subject tested They know how to decode the vocabulary of the subject and use this as a model for test success People with a strong Insider s Language consistently Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The GRE Test Vocabulary Workbook is different from traditional review books because it focuses on the exam s Insider s Language It is an outstanding supplement to a traditional review program It helps your preparation for the exam become easier and more efficient The strategies puzzles and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory The GRE Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider s Language before you even begin your review Learn the Secret to Success After nearly 20 years of teaching Lewis Morris discovered a startling fact Most students didn t struggle with the subject they struggled with the language It was never about brains or ability His students simply didn t have the knowledge

of the specific language needed to succeed Through experimentation and research he discovered that for any subject there was a list of essential words that when mastered unlocked a student s ability to progress in the subject Lewis called this set of vocabulary the Insider s Words When he applied these Insider s Words the results were incredible His students began to learn with ease He was on his way to developing the landmark series of workbooks and applications to teach this Insider s Language to students around the world

**GRE Word List 3861 Words** Franklin Vocab System,2020-04-07 New 2020 Edition This new GRE Prep Book contains all the 3861 GRE words meanings and for most words memorable sentence fragments You also download CD 1 of the 19 CDs If you re really planning on nailing the vocab part of GRE then this comprehensive GRE Word List of 3 861 words will dramatically boost your GRE Verbal score Listening to vocab is an easy and effortless way to memorize and it sticks Best for You If If you are an American student who is not strong in vocabulary If you are a foreigner and English is not your first language Why is vocabulary so very important on the GRE test Even though there are no vocabulary questions on GRE a good command of vocabulary is crucial for a high GRE score Why Because without a good college level vocabulary it is hard to understand the passages and answer questions If you ve taken a few GRE practice tests and your score was low because you didn t know certain words at all making it quite difficult for you to discern the correct answer then any improvement in the vocabulary would dramatically help boost your GRE score So if you can memorize the high frequency GRE words which others find difficult it can help you get a high GRE score Content The words are given in bold for example the words belabor and buttress below The meaning is given after the equal sign following a word The words are not necessarily in alphabetical order USE gives a sentence fragment carefully chosen for memory When no sentence fragment is given a is shown as in the word buttress below belabor to assail verbally to insist repeatedly or harp on USE belabor a point buttress support USE Makes a Great Gift for Students Many parents and grandparents give it as a gift
