Great and Noble Jar Cinda K. Baldwin, 2014-04 In *Great and Noble Jar* Cinda K Baldwin offers the first authoritative study of South Carolina stoneware and traces the ways in which a rich regional tradition emerged from a unique cultural source As Baldwin notes South Carolina's old legislative district of Edgefield an area now comprising Edgefield Aiken and Greenwood counties has long been recognized as the place of origin for an alkaline glazing process that came to characterize pottery produced throughout the lower South The process developed during the early nineteenth century after the poisonous properties of lead glazed stoneware became known Abner Landrum a newspaper editor and scientific farmer was probably the first to combine locally available materials with Chinese glaze formulas to produce this new and safer alkaline glazed stoneware The plantation operations of the Edgefield District Baldwin shows created a demand for large scale food storage and preservation often in containers of huge capacity In response to this need an extensive system of family owned stoneware factories emerged Reflecting the contributions of the many slaves and freed blacks who worked in the industry the objects produced in these factories often incorporated African designs and techniques Particularly notable were the grotesques or voodoo jugs wheel thrown vessels onto which the slave potters applied facial features in molded clay Baldwin pays special attention to the remarkable work of a slave potter named Dave who marked his wares with brief verse inscriptions including this one found on a large food storage container Great Noble Jar hold sheep goat and bear Tracing the tradition's history through the post Civil War period and the first half of the twentieth century Baldwin also examines South Carolina pottery outside the Edgefield District and analyzes a variety of decorative treatments and forms She concludes with a consideration of the decline and renewal of the southern folk pottery tradition The book is illustrated with nearly two hundred photographs including fifteen color plates maps and drawings Complementing earlier studies that focused on Georgia and North Carolina pottery *Great and Noble Jar* is a significant contribution to the understanding of this heritage

Great & Noble Jar Cinda K. Baldwin, 2014-04-01 Originally published in 1993 *Great and Noble Jar* was the first authoritative study of South Carolina stoneware from its beginnings in colonial times and its heyday in the 1850s through the post Civil War period and the first half of the twentieth century Folklorist Cinda K Baldwin examines not only many traditional pottery forms but also the methods by which they were thrown glazed decorated and fired Among the topics on which Baldwin focuses are the contributions of slaves and freed blacks to the pottery industry including the remarkable work of the potter named Dave who marked his wares with brief verse inscriptions including this one found on a large food storage container Great Noble Jar hold sheep goat and bear The book is illustrated with nearly two hundred photographs including fifteen color plates maps and drawings and includes an index of South Carolina potters *Craft in America* Jo Lauria, Steve Fenton, 2007 Illustrated with 200 stunning photographs and encompassing objects from furniture and ceramics to jewelry and metal this definitive work from Jo Lauria and Steve Fenton showcases some of the greatest pieces of American crafts of

the last two centuries Potter Craft     Word by Word Christopher Hager,2013-02-11 Consigned to illiteracy American slaves left little record of their thoughts and feelings or so we have believed But a few learned to use pen and paper to make sense of their experiences despite prohibitions These authors perspectives rewrite the history of emancipation and force us to rethink the relationship between literacy and freedom     Many Voices, One Nation Margaret Salazar-Porzio,Joan Fragaszy Troyano,Lauren Safranek,2017-05-30 Many Voices One Nation explores U S history through a powerful collection of artifacts and stories from America s many peoples Sixteen essays composed by Smithsonian curators and affiliated scholars offer distinctive insight into the peopling of the United States from the Europeans North American arrival in 1492 to the near present Each chapter addresses a different historical era and considers what quintessentially American ideals like freedom equality and belonging have meant to Americans of all backgrounds races and national origins through the centuries Much more than just an anthology this book is a vibrant cohesive presentation of everyday objects and ideas that connect us to our history and to one another Using these objects and personal stories as a transmitter the book invites readers to hear the voices of our many voices and contemplate the complexity of our one nation The stories and artifacts included in this volume bring our seemingly disparate pasts together to inspire possibilities for a shared future as we constantly reinterpret our e pluribus unum our nation of many voices     **Where is All My Relation?** Michael A. Chaney,2018 This book explores the poetry pottery and culture of David Drake an antebellum slave who distinguished himself by composing verse on the ceramics he produced in the years leading up to the Civil War From the 1830s to 1850s he incised couplets and signatures a singular Dave onto the incredibly large storage vessels that he made In fact his stoneware pots and jars are among the largest made in North America during the antebellum era Rich with biblical allusions historical facts and personal opinions his art provides insights into the lives of slaves craftsmen and the culture of the American South in the first half of the nineteenth century The essays here engage with the historical context and major issues that Drake s work provokes among them prohibitions against slave literacy Drake s privileged status compared to other slaves at the time the interpretive status of his material craft objects the influence of contemporary African American poet George Moses Horton and Drake s ability to sell his pottery despite the fact that slaves were not officially permitted to participate in a cash economy     **High Seminary: Vol. 1:** Jerome V. Reel,2023-12-15 This study shows how Clemson weaves together the three federal charges of land grant institutions teaching specified in the Land Grant Act of 1862 research the Hatch Act of 1887 and public service the Smith Lever Act of 1914 into a high seminary of learning Clemson students and their lives here are the other major theme of this work The narrative of this institution traces the people who created it those who guided it and the people who lived under its influence and the paths they followed as they left dear old Clemson     *Planting a Capitalist South* Tom Downey,2009-08-01 This is a pathbreaking book well grounded in the appropriate documentary record Downey makes especially good use of the reports of the South Carolina Canal and Rail Road Company and of other corporations which are so

tedious to read to offer an exciting and fresh perspective on an old problem of vital importance the relationship between businessmen and planters in the Old South American Historical Review Downey s book has many merits First of all it successfully presents a comprehensive and harmonious picture of the development of the region Second it helps to better define the contours of the long misunderstood southern political economy and its transformations during the latter part of the antebellum era It is indeed a well written and well thought piece of historiography showing in microcosm how a new synthesis of antebellum southern history should be conceived Enterprise and Society In Planting a Capitalist South Tom Downey effectively challenges the idea that commercial and industrial interests did little to alter the planter dominated political economy of the Old South By analyzing the interplay of planters merchants and manufacturers Downey characterizes the South as a sphere of contending types of capitalists agrarians with land and slaves versus commercial and industrial owners of banks railroads stores and factories His book focuses on the central Savannah River Valley of western South Carolina an influential political and economic region and the home of some of the South s leading states rights and proslavery ideologues which also spawned a number of inland commercial towns one of the nation s first railroads and a robust wage labor community As such western South Carolina provides a unique opportunity for looking at contrasting economic forces but solely within the boundaries of the South slavery vs free labor industrial vs agricultural urban vs rural A revisionary study Planting a Capitalist South offers clear evidence of a burgeoning transition to capitalist society in the Old South Downey s book is a welcome new addition to the growing corpus of studies seeking to understand the lives of white merchants and manufacturers Well written and researched Downey s excellent work will add greater nuance to our picture of the social and economic life of the Old South particularly our picture of the emerging southern middle class Georgia Historical Quarterly Planting a Capitalist South makes several important contributions The idea that commerce and industry challenged tenets of republican ideology may be a familiar one but Downey pursues it in directions seldom explored by previous historians of the Old South examining conflicts over issue like railroad routes water rights and the power of town governments Moreover he links those subjects to historians debates about the capitalist character of the region and he stakes out an innovative position with his argument that the late antebellum South was in the midst of a transition to capitalism Business History Review

**Becoming Catawba** Brooke M. Bauer, 2022-11-15 Becoming Catawba examines the lives and legacies of women who executed complex decision making and diplomacy to navigate shifting frameworks of kinship land ownership and cultural production in dealings with colonial encroachments white settlers and Euro American legal systems and governments from the mid sixteenth century to the early nineteenth century Personified in the figure of Sally New River a Catawba leader to whom 500 remaining acres of occupied tribal lands were deeded on behalf of the community in 1796 and which she managed until her death in 1821 Bauer reveals how women worked to ensure the survival of the Catawba people and their Catawba identity an effort that resulted in a unified nation Bauer s approach is primarily

ethnohistorical although it draws on a number of interdisciplinary strategies      *The Words and Wares of David Drake* Jill Beute Koverman, Jane Przybysz, 2024-02-06 A celebration of the remarkable poem vessels of Dave the Potter David Drake who often signed his work simply as Dave was an enslaved potter who lived and worked in Edgefield District South Carolina Despite laws prohibiting enslaved people from learning to read or write Drake was literate and signed some of his pots His practice was not only to add his name and a date but also to embellish his work with commentary or verse a powerful statement of resistance *The Words and Wares of David Drake* collects multifaceted scholarship about David and his craft Building on the 1998 national traveling exhibit catalog *I Made This Jar The Life and Works of Enslaved African American Potter Dave* and featuring more than one hundred beautiful images and six new essays this authoritative volume presents the diverse perspectives of scholars artists and collectors *The Words and Wares of David Drake* adds important depth and context to our understanding of both Edgefield pottery and Drake s life David s work was the cornerstone of the Metropolitan Museum of Art s traveling exhibit of nineteenth century ceramic art from Edgefield Metropolitan Museum of Art New York September 8 2022 February 5 2023 Museum of Fine Arts Boston March 6 2023 July 9 2023 University of Michigan Museum of Art Ann Arbor August 26 2023 January 7 2024 High Museum of Art Atlanta February 16 2024 May 12 2024      **South Carolina** Walter B. **Fit for War** Mary E. Fitts,2017-06-20 This study reveals how Catawba settlement aggregation refugee incorporation and political coalescence affected the scale of interaction networks and communities in the lower Catawba River valley It also defines the crucial strategies employed in response to food security crises daily life and the roles of both men and women This study highlights the double edged nature of strategies available to American Indian groups seeking to maintain political autonomy in early colonial period contexts

**Creolization and Transatlantic Blackness** Charmaine A. Nelson,2024-11-12 Departing from more conscribed definitions this book argues for an expansion of the concept of Creolization in terms of duration temporality population and importantly in regional scope which also impact climate and the practices of slavery that are typically included and excluded from consideration Eschewing the normative focus on language and music the authors instead center art and visual and material cultures as both outcomes and practices in their explorations to consider the ways that cultural production in the period of slavery and its aftermath was irrevocably impacted by the collision of races and cultures in the Americas The chapters probe how creolization unfolded for differently constituted individuals and populations as well as how it came to be articulated both in the historical moments of its enactment and its retroactive cultural representations and production In so doing they seek to both expand the terrain literally and figuratively of the definition of creolization and to turn towards an

examination of its relevance for art and visual and material cultures of the Transatlantic world The chapters in this book were originally published in *African and Black Diaspora An International Journal*      **Landscape of Slavery** Angela D.

Mack, Stephen G. Hoffius, 2008 Through eighty nine color plates and six thematic essays this collection examines depictions of plantations plantation views and related slave imagery in the context of the history of landscape painting in America while addressing the impact of these images on US race relations      *Materializing Colonial Identities in Clay* Jon Bernard
