Great Truths From Jesus Conversations With Women:

Great Truths from Jesus' Conversations with Women Shirley Stephens,2003-06 Jesus conversations with women reveal great truths about the Christian faith and about Jesus special relationship with women and truths about their place in His kingdom work Author presents Jesus conversations in dialogue fashion using fiction techniques to enliven the text while remaining true to the biblical account The accounts take into account the cultural and political background of the period and places

Two Great Truths David Ray Griffin,2004-01-01 Furthering his contribution to the science and religion debate David Ray Griffin draws upon the cosmology of Alfred North Whitehead and proposes a radical synthesis between two worldviews sometimes thought wholly incompatible He argues that the traditions designated by the names scientific naturalism and Christian faith both embody a great truth a truth of universal validity and importance but that both of these truths have been distorted fueling the conflict between the visions of the scientific and Christian communities Griffin contends however that there is no inherent conflict between science or even the kind of naturalism that it properly presupposes and the Christian faith understood in terms of the primary doctrines of the Christian good news

Great Truths from One Woman's Conversations With the Apostle Paul Shirley Stephens,2012-05-02 Great Truths from One Woman s Conversations With the Apostle Paul presents in dialog form the teachings of Paul on the role of women in the home church and society The author presents Paul s teachings on this subject in nine conversations One woman asks the questions with the answers based solidly on the biblical record The content of the answers has been carefully researched in commentaries and historical sources The conversations take into account the cultural and political background of the period and places A final chapter charts the progress in applying Paul s teachings of equality in the work of the church Subject and Scripture indices along with a glossary are provided to aid in study and understanding Following the account of each conversation are interactive learning exercises that can be completed individually or in a group setting This book is a handy tool for group and individual Bible study This is the fourth in a series of conversation books written by this author

The Padgett Messages Volume 1 James E., Receiver Padgett,Communication,2008-10-14 The Padgett Messages introduce the reader to soulful teachings of Divine Love spirit communications received by James E Padgett The Padgett Messages introduce many spirit related matters such as soulmates insight into the afterlife spirit guides the soul of mortal man and realm of spirits The teachings of Divine Love are the essence of these messages and apply to the individual on their soul journey James Padgett received these messages from spirits and Celestial spirits through his gift of mediumship of automatic handwriting The inspiration for James to commence receiving messages from spirits was to communicate with his wife Helen who had passed into the afterlife Dr Stone and Eugene Morgan assisted James in this work during 1914 1920 The message of Divine Love is as relevant today as are the Celestial spirits who conveyed these messages with James Padgett Communication with spirit inspires many to seek information which may illuminate their spiritual journey

The New Faces of Christianity Philip

Jenkins,2006-09 Named one of the top religion books of 2002 by USA Today Philip Jenkins s phenomenally successful The Next Christendom permanently changed the way people think about the future of Christianity In that volume Jenkins called the world s attention to the little noticed fact that Christianity s center of gravity was moving inexorably southward to the point that Africa may soon be home to the world s largest Christian populations Now in this brilliant sequel Jenkins takes a much closer look at Christianity in the global South revealing what it is like and what it means for the future The faith of the South Jenkins finds is first and foremost a biblical faith Indeed in the global South many Christians identify powerfully with the world portrayed in the New Testament an agricultural world very much like their own marked by famine and plague poverty and exile until very recently a society of peasants farmers and small craftsmen In the global South as in the biblical world belief in spirits and witchcraft are commonplace and in many places such as Nigeria Indonesia and Sudan Christians are persecuted just as early Christians were Thus the Bible speaks to the global South with a vividness and authenticity simply unavailable to most believers in the industrialized North More important Jenkins shows that throughout the global South believers are reading the Bible with fresh eyes and coming away with new and sometimes startling interpretations Some of their conclusions are distinctly fundamentalist but Jenkins finds an intriguing paradox for they are also finding ideas in the Bible that are socially liberating especially with respect to women s rights Across Africa Asia and Latin America such Christians are social activists in the forefront of a wide range of liberation movements It s hard to overstate how interesting how eye opening how frequently surprising and sometimes disturbing Jenkins findings are Anyone interested in the implications of these trends for the major denominations for Muslim Christian conflict and for global politics will find The New Faces of Christianity provocative and incisive and indispensable The Table-talk of Jesus George Jackson,1896

Speak the Truth Carmen LaBerge,2017-09-25 Animosity confrontation confusion from cable news right down to our kids classrooms Christians are waking up to a world very different from the one we once knew We are quick to blame everyone else from Hollywood to Washington but it is not the culture s fault God is sidelined If God is missing from the conversation then it is because His people have failed to represent Him there Christians have been far too silent for far too long retreating out of fear of offending someone or the unpleasantness of stepping outside our comfort zone When Christians have spoken up too often it has not been in ways that honor Jesus We have inserted our own opinion obscuring the beauty and truth of the Gospel in favor of our political ideological or personal agenda It s time for us to embrace our calling as Christ s ambassadors To do that we must be equipped to engage the world in ways that bring the mind of Christ to bear on the matters of the day Carmen LaBerge s Speak the Truth seeks to give believers the confidence to speak the truth and the tools to re engage in the culture and address the problems we are facing today by boldly and lovingly bringing God back into every conversation **The Life of Christ, for the Use of Classes in Secondary Schools and in the Secondary Division of the Sunday School** Isaac Bronson Burgess,1921 MESSAGES FROM HEAVEN Joseph Babinsky (Compiler/Editor),James

E. Padgett (Recorder),2014-11-07 This book is based on messages from Jesus and other Celestial spirits recorded by James Padgett between 1914 and 1920 Padgett a lawyer in Washington DC is practically unknown and yet recorded vitally important messages from Spirits who desire humanity to realize the truth about life and death that Christianity is not teaching Jesus brings again the truths of his message and mission from his work on earth 2000 years ago Dr D Samuels says about these messages Whatever one may believe regarding the source of these messages the contents are so new and revolutionary yet so compelling by their logic and sublime simplicity that a serious study of them must be undertaken in order to comprehend their significance and challenge Accept the challenge and investigate for your self the astounding good news of God s Great Love presented in these messages from heaven God s Love is the Divine Love it has real substance and when received into the soul will change the soul and complete our creation *Adult Leader* ,1928 The Women's Study Bible Mary J. Evans,2009 Everyone knows about Noah Moses and Paul But what about Hagar Michal and Priscilla all women who had a direct influence in the story of God s people The Bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today In The Women s Study Bible respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today Separate sidebars cover topics such as midwifery women disciples and female images of God The Women s Study Bible doesn t shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included Book Jacket The Gift of Divine Love, an Introduction to the Padgett Messages Zara Borthwick,2008-10-16 The Gift of Divine Love an Introduction to the Padgett Messages introduce the spirit communications received by James E Padgett This book contains a small selection of spirit messages that help commence the reader to become familiar and aware of the soulful teachings of Divine Love The Padgett Messages and The Padgett Messages Volume I and II contain all the spirit messages that James E Padgett received and these definitive books provide the reader with a comprehensive resource of spirit communications and teachings of Divine Love This introduction to the Padgett Messages is like a gift and will provide an easy resource for the individual to begin learning about the spirit communications that form the Padgett Messages There was a need to create this introduction which can be a primer to the experience of Divine Love and reading the greater collection of messages received by James Padgett This is a lovely book and is as the title suggests a gift of love to read and share **Offering Christ** Jack Jackson,2017-06-06 After decades of conversation serving up a mosaic of understandings of Wesleyan evangelism focusing on proclamation initiation and embodiment Jack Jackson offers a clearer portrait of Wesley s evangelistic vision understood through the lens of offering grace Any discussion of Wesley s vision of evangelism must center on the proclamation of the story of God in Christ But for John Wesley evangelism was much more than preaching for conversion This book offers a fresh conception of Wesley s evangelistic vision by analyzing his method of

gospel proclamation Wesley was not constrained by the truncated vision of evangelism that has been dominant since the late nineteenth century one that all too often centers on group preaching with a sole emphasis on conversion Rather he stressed a number of practices that focus on a verbal proclamation of the gospel These practices occur in a variety of settings only one of which is public preaching and result in a number of responses only one of which is conversion Of crucial importance for current theological students clergy and church leaders around the world the book demonstrates that visitation for the purpose of spiritual direction and evangelism was in many ways the critical leadership and pastoral practice of early British Methodism This book offers important insights into early Methodism that inform both contemporary practices of evangelism and Christian leadership for both clergy and laity **Leaves of Healing** ,1926 Association Monthly ,1908 **The Church of England magazine [afterw.] The Church of England and Lambeth magazine** ,1865 **The Proofs of Christ's Resurrection; from a Lawyer's Standpoint** Charles R. Morrison,2022-08-21 In *The Proofs of Christ's Resurrection from a Lawyer's Standpoint* Charles R Morrison employs a meticulous legal framework to dissect the evidence surrounding the resurrection of Jesus Christ Merging theological discourse with rigorous logical reasoning Morrison articulates the historical and testimonial claims regarding the resurrection scrutinizing them much like a case presented in a courtroom His analytical style blends a clear argumentation with eloquent prose reflecting a commitment to both faith and rational inquiry a feature not unusual in legal literature but rare in religious apologetics The book is set against the backdrop of early 20th century debates about faith and reason positioning itself within a significant discourse on the reconciliation of empirical and experiential evidence in matters of belief Charles R Morrison a jurist with a profound interest in religious studies draws on his legal expertise to challenge skeptics and bolster believers faith in the resurrection narrative His background not only enables him to dissect complex arguments effectively but also imbues the text with a profound understanding of how legal principles can illuminate spiritual truths Morrison's scholarly inquiry not only reflects his intellectual pursuits but also his personal convictions as he seeks to reaffirm the implications of Christ's resurrection on moral and spiritual grounds This book is a vital read for those intrigued by the intersection of faith and reason or for anyone seeking a deeper understanding of Christian apologetics Morrison's unique approach invites readers to engage with the evidence critically providing a compelling resource for theologians lawyers and lay readers alike Whether you are a skeptic or a believer Morrison's rigorous analysis will inspire thoughtful contemplation on one of Christianity's core tenets The Watchman-examiner ,1926 Kindergarten Review ,1895 *Gospel Herald* ,1929
