Givens, 2017-06-01 *Feeding the Flock* the second volume of Terryl L Givens s landmark study of the foundations of Mormon thought and practice traces the essential contours of Mormon practice as it developed from Joseph Smith to the present Despite the stigmatizing fascination with its social innovations polygamy communalism its stark supernaturalism angels gold plates and seer stones and its most esoteric aspects a New World Garden of Eden sacred undergarments as well as its long standing outlier status among American Protestants Givens reminds us that Mormonism remains the most enduring and thriving product of the nineteenth century s religious upheavals and innovations Because Mormonism is founded on a radically unconventional cosmology based on unusual doctrines of human nature deity and soteriology a history of its development cannot use conventional theological categories Givens has structured these volumes in a way that recognizes the implicit logic of Mormon thought The first book *Wrestling the Angel* centered on the theoretical foundations of Mormon thought and doctrine regarding God humans and salvation *Feeding the Flock* considers Mormon practice the authority of the institution of the church and its priesthood forms of worship and the function and nature of spiritual gifts in the church s history revealing that Mormonism is still a tradition very much in the process of formation At once original and provocative engaging and learned Givens offers the most sustained account of Mormon thought and practice yet written **When the Moon Turns to Blood** Leah Sottile, 2022-06-21 *WHEN THE MOON TURNS TO BLOOD* examines the culture of end times paranoia and a trail of mysterious deaths surrounding former beauty queen Lori Vallow and her husband grave digger turned doomsday novelist Chad Daybell When police in Rexburg Idaho perform a wellness check on seven J J Vallow and his sister sixteen year old Tylee Ryan both children are nowhere to be found Their mother Lori Vallow gives a phony explanation and when officers return the following day with a search warrant she too is gone As the police begin to close in a larger web of mystery murder fanaticism and deceit begins to unravel Vallow s case is sinuously complex As investigators prod further they find the accused Black Widow has an unusual number of bodies piling up around her *WHEN THE MOON TURNS TO BLOOD* tells a gripping story of extreme beliefs snake oil prophets and explores the question if it feels like the world is ending how are people supposed to act *The Doomsday Mother* John Glatt, 2022-01-18 In *The Doomsday Mother* bestselling true crime author John Glatt tells the twisted tale of Lori Vallow accused of having her two children murdered to start a new life with her new husband doomsday prepper Chad Daybell At first the residents of Kauai Beach Resort took little notice of their new neighbors The glamorous blonde and her tall husband fit the image of the ritzy gated community The couple seemed to keep to themselves until the police knocked on their door with a search warrant Lori Vallow and Chad Daybell had fled to Hawaii

in the midst of being investigated for the disappearance of Lori's children back in Idaho Tylee and JJ who hadn't been seen alive in five months For years Lori Vallow had been devoted to her children and her Mormon faith But when her path crossed with Chad Daybell a religious zealot who taught his followers how to prepare for the end times the tumultuous relationship transformed her into someone unrecognizable As authorities searched for Lori's children they uncovered more suspicious deaths with links to both Lori and Chad including the death of Lori's third and fourth husbands her brother and Chad's wife In June 2020 the gruesome remains of JJ and Tylee were discovered on Chad's property and the newlyweds were arrested and charged with murder And in a shocking development horrifying statements revealed that the couple's fanatical beliefs had convinced them the children had become zombies a belief that may have led to their deaths Bestselling author and journalist John Glatt takes readers deeper into the devastating story of Lori Vallow and Chad Daybell in an attempt to unravel the lethal relationship of this doomsday couple
