The Branch Exposition of the Bible, Volume 2 Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

Renewing the Balance Dirk Dunbar, 2017-03-31 In *Renewing the Balance* Dirk Dunbar shows how the balance worshipped in ancient Earth wisdom traditions is being integrated into Western culture's dominantly masculine rational value system Filled with hope revelations regarding cultural evolution and scholarship of the highest order Dunbar's book passionately challenges all of us to recover the archaic reverence for the natural world to reconsider the limits of growth progress and mechanistic thinking and to join in the newly reclaimed celebration of life that fosters peace and the potential for a sustainable future Dirk Dunbar's *Renewing the Balance* is a crucial and comprehensive account of how traditional cultures maintained a healthy balance that preserved our natural world and how our modern technocratic economic ideology has produced a culture that is dangerously out of balance It is at once a diagnosis of our disease and a prescription for healing our collective psyche polis and environment A truly fascinating philosophical adventure Sam Keen Author of 12 books including *The Passionate Life* and *Hymns to an Unknown God* *Renewing the Balance* brings depth and breadth to our efforts to understand how Western culture evolved as it did and to appreciate the many streams that now flow into our efforts to manifest ecological wisdom in a hypermodern world Charlene Spretnak Author of 9 books including *States of Grace* and *The Resurgence of the Real* *The Monthly Musical Record*, 1908 Includes music *Bulletin of the Public Library of the City of Boston* Boston Public Library, 1871
