Peter J. Ahrensdorf

Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays:

Greek Tragedy and Political Philosophy Peter J. Ahrens Dorf, 2009-04-06 In this book Peter Ahrens Dorf provides a sustained challenge to the prevailing view that Sophocles is an opponent of rationalism Political Philosophy Steven B. Smith, 2012-10-30 DIV Who ought to govern Why should I obey the law How should conflict be controlled What is the proper education for a citizen and a statesman These questions probe some of the deepest and most enduring problems that every society confronts regardless of time and place Today we ask the same crucial questions about law authority justice and freedom that Plato Aristotle Machiavelli Hobbes Locke Rousseau and Tocqueville faced in previous centuries In this lively and enlightening book Professor Steven B Smith introduces the wide terrain of political philosophy through the classic texts of the discipline Works by the greatest thinkers illuminate the permanent problems of political life Smith shows and while we may not accept all their conclusions it would be a mistake to overlook the relevance of their insights div *Pollution and Crisis in Greek Tragedy* Fabian Meinel, 2015-03-09 Pollution is ubiquitous in Greek tragedy matricidal Orestes seeks purification at Apollo s shrine in Delphi carrion from Polyneices unburied corpse fills the altars of Thebes delirious Phaedra suffers from a pollution of the mind This book undertakes the first detailed analysis of the important role which pollution and its counterparts purity and purification play in tragedy It argues that pollution is central in the negotiation of tragic crises fulfilling a diverse array of functions by virtue of its qualities and associations from making sense of adversity to configuring civic identity in the encounter of self and other While primarily a literary study providing close readings of several key plays the book also provides important new perspectives on pollution It will appeal to a broad range of scholars and students not only in classics and literary studies but also in the study of religions and anthropology Praise and Blame in Greek Tragedy Kate Cook, 2024-01-11 Exploring the use of praise and blame in Greek tragedy in relation to heroic identity Kate Cook demonstrates that the distribution of praise and blame a significant social function of archaic and classical poetry also plays a key role in Greek tragedy Both concepts are a central part of the discourse surrounding the identity of male heroic figures in tragedy and thus are essential for understanding a range of tragedies in their literary and social contexts In the tragic genre the destructive or dangerous aspects of the process of kleos glory are explored and the distribution of praise and blame becomes a way of destabilising identity and conflict between individuals in democratic Athens The first half of this book shows the kinds of conflicts generated by heroes who seek after one kind of praise in tragedy but face other characters or choruses who refuse to grant the praise discourses they desire The second half examines what happens when female speakers engage in the production of these discourses particularly the wives and mothers of heroic figures who often refuse to contribute to the production of praise and positive kleos for these men Praise and Blame in Greek Tragedy therefore demonstrates how a focus on this poetically significant topic can generate new readings of well known tragedies and develops a new approach to both male heroic identity and women s speech in tragedy **The Theban Plays**

Sophocles,2014-02-15 The timeless Theban tragedies of Sophocles Oedipus the Tyrant Oedipus at Colonus and Antigone have fascinated and moved audiences and readers across the ages with their haunting plots and their unforgettable heroes and heroines Now following the best texts faithfully and translating the key moral religious and political terminology of the plays accurately and consistently Peter J Ahrensdorf and Thomas L Pangle allow contemporary readers to study the most literally exact reproductions of precisely what Sophocles wrote rendered in readily comprehensible English These translations enable readers to engage the Theban plays of Sophocles in their full authentic complexity and to study with precision the plays profound and enduring human questions In the preface notes to the plays and introductions Ahrensdorf and Pangle supply critical historical mythic and linguistic background information and highlight the moral religious political philosophic and psychological questions at the heart of each of the plays Even readers unfamiliar with Greek drama will find what they need to experience reflect on and enjoy these towering works of classical literature A Companion to Sophocles Kirk

Ormand,2015-06-02 A Companion to Sophocles presents the first comprehensive collection of essays in decades to address all aspects of the life works and critical reception of Sophocles First collection of its kind to provide introductory essays to the fragments of his lost plays and to the remaining fragments of one satyr play the Ichneutae in addition to each of his extant tragedies Features new essays on Sophoclean drama that go well beyond the current state of scholarship on Sophocles Presents readings that historicize Sophocles in relation to the social cultural and intellectual world of fifth century Athens Seeks to place later interpretations and adaptations of Sophocles in their historical context Includes essays dedicated to issues of gender and sexuality significant moments in the history of interpreting Sophocles and reception of Sophocles by both ancient and modern playwrights **Instances of Death in Greek Tragedy** Sorana-Cristina Man,2020-03-20 In some

versions of the myth Iphigenia was due to be immolated by her father on Artemis altar before the beginning of the Trojan War but was replaced by the goddess with a deer at the last moment This is the most staggering and perhaps best known rite of sacrifice in Greek tragedy Perfectly symmetrical the end of this war is marked by another human tribute Polyxena Some of the topics investigated in this volume include whether these sacrifices as well as similar ones such as those of Macaria and Menoeceus the husbands of the Danaides the hero Pentheus and Aegisthus are all a way to balance things out or whether they cause an even greater unbalance **The ^AOedipus Plays of Sophocles** Paul Woodruff,2018-07-02 Philosophers and classicists examine Sophocles treatment of Oedipus the man who did not know himself in these new essays They discuss

barriers to self knowledge and an old man s quest for serenity and explore the question is it better not to be born at all or better once born to die young rather than live a long life *Adapting Greek Tragedy* Vayos Liapis,Avra Sidiropoulou,2021-04 Shows how contemporary adaptations on the stage and on the page can breathe new life into Greek tragedy **Politics and**

Theatre in Twentieth-Century Europe M. Morgan,2013-12-18 This book explores the connection between politics and theatre by looking at the works and lives of Shaw Brecht Sartre and Ionesco providing a cultural history detailing the

changing role of political theatre in twentieth century Europe **Principle and Prudence in Western Political Thought** Christopher Lynch, Jonathan Marks, 2016-03-01 Reflections on principle and prudence in the thoughts and actions of great thinkers and statesmen Discussions of the place of moral principle in political practice are haunted by the abstract and misleading distinction between realism and its various principled or idealist alternatives This volume argues that such discussions must be recast in terms of the relationship between principle and prudence as Nathan Tarcov maintains that relationship is not dichotomous but complementary In a substantive introduction the editors investigate Leo Strauss's attack on contemporary political thought for its failure to account for both principle and prudence in politics Leading commentators then reflect on principle and prudence in the writings of great thinkers such as Homer Machiavelli and Hegel and in the thoughts and actions of great statesmen such as Pericles Jefferson and Lincoln In a concluding section contributors reassess Strauss's own approach to principle and prudence in the history of political philosophy **Principle and Prudence in Western Political Thought** contains a series of first rate essays on a if not the central problem of political thought how should and can abstract and general principles inform contingent particularistic political life Catherine H Zuckert coauthor of *Leo Strauss and the Problem of Political Philosophy* *The Philosophical Stage* Joshua Billings, 2024-06-04 A bold new reconception of ancient Greek drama as a mode of philosophical thinking *The Philosophical Stage* offers an innovative approach to ancient Greek literature and thought that places drama at the heart of intellectual history Drawing on evidence from tragedy and comedy Joshua Billings shines new light on the development of early Greek philosophy arguing that drama is our best source for understanding the intellectual culture of classical Athens In this incisive book Billings recasts classical Greek intellectual history as a conversation across discourses and demonstrates the significance of dramatic reflections on widely shared theoretical questions He argues that neither literature nor philosophy was a defined category in the fifth century BCE and develops a method of reading dramatic form as a structured investigation of issues at the heart of the emerging discipline of philosophy A breathtaking work of intellectual history by one of today's most original classical scholars *The Philosophical Stage* presents a novel approach to ancient drama and sets a path for a renewed understanding of early Greek thought

The Democratic Arts of Mourning Alexander Keller Hirsch, David W. McIvor, 2019-01-21 *The Democratic Arts of Mourning* reflects on the variety of ways in which mourning affects political and social life In recent decades political theorists have increasingly examined and explored the themes of loss grief and mourning With an introduction that contextualizes the turn to mourning in previous scholarship on the politics of tragedy this book includes twelve chapters that clarify the intertwinement between politics and mourning The chapters are organized into five thematic sections that each shed light on how democratic societies relate to loss grief suffering and death Collectively the chapters explore the concept of mourning and its relationship to civic rituals memorials taboos social movements and popular music Chapters examine how social groups defend their members against experiences of grief or mourning or how poetic expressions such as ancient

Greek tragedy can address the catastrophes of human life Other chapters explore the politics of symbols and bodies and how they can become fraught objects that stand in for a society's undigested unmourned losses and absences The book concludes with an interview with Bonnie Honig whose own work on mourning has been deeply influential in contemporary political theory

Sophocles Jennifer R. March, 2020 A new edition of the celebrated Greek tragedy Oedipus Tyrannus by Sophocles with introduction Greek text facing page translation and commentary Jenny March's new translation brings alive the power and complexities of Sophocles writing Oedipus fate is cruel and undeserved but his courage and compassion endure to the end

Brill's Companion to Sophocles Andreas Markantonatos, 2015-03-20 Brill's Companion to Sophocles offers 32 specially commissioned essays from leading international scholars which give critical examinations of the progress and direction of numerous wide ranging debates about various aspects of Sophoclean drama Each chapter offers an authoritative and state of the art survey of current thinking and research in a particular subject area as well as covering a wide variety of thematic angles Recent advances in scholarship have raised new questions about Sophocles and Greek tragedy and have overturned some long standing assumptions Besides presenting a comprehensive and authoritative guide to understanding Sophocles this companion provides scholars and students with compelling fresh perspectives upon a broad range of issues in the field of Sophoclean studies

Tragedy and Archaic Greek Thought D. L. Cairns, 2013-12-31 Eight leading contemporary interpreters of Classical Greek tragedy here explore its relation to the thought of the Archaic Period Prominent topics are the nature and possibility of divine justice the influence of the gods on humans fate and human responsibility the instability of fortune and the principle of alternation hybris and ate and the inheritance of guilt and suffering Other themes are tragedy's relation with Pre Socratic philosophy and the interplay between Archaic features of the genre and fifth century ethical and political thought The book makes a powerful case for the importance of Archaic thought not only in the evolution of the tragic genre but also for developed features of the Classical tragedians art Along with three papers on Aeschylus four on Sophocles and one on Euripides there is an extensive introduction by the editor

Political Ontology and International Political Thought Vassilios Paipais, 2016-11-09 This book challenges received notions of ontology in political theory and international relations by offering a psychoanalytically informed critique of depoliticisation in prominent liberal post liberal dialogic and agonistic approaches to pluralism in world politics Paipais locates the temptation of depoliticisation in their labouring under the fundamental fantasy of various guises of foundationalism in the form of either political anthropology or ontology as in the last instance ground or conversely anti foundationalism the denial of all grounds yet still operating within a foundationalist imaginary He argues instead for a formal political ontology of the void against historicism shot through an incarnate messianic nihilism against ethicism and teleological forms of politics In so doing the author offers critical readings of the messianic nihilism of Benjamin Agamben Taubes and i ek by problematising the antinomian tendencies in their respective politicaltheologies The book argues for a version of i ek's Badiouian politics of militancy

supplemented by a proper participatory understanding of St Paul's messianic meontology and incarnational Christology as a means to reconceptualise the nexus between subjectivity universality and political action in world politics It will be of interest to students and scholars of International Relations theory political theory critical social theory and political theology

Tragedy and Redress in Western Literature Richard Gaskin, 2018-05-04 This book offers a unique interpretation of tragic literature in the Western tradition deploying the method and style of Analytic philosophy Richard Gaskin argues that tragic literature seeks to offer moral and linguistic redress compensation for suffering Moral redress involves the balancing of a protagonist's suffering with guilt and vice versa Gaskin contends that to a much greater extent than has been recognized by recent critics traditional tragedy represents suffering as incurred by avoidable and culpable mistakes of a cognitive nature Moral redress operates in the first instance at the level of the individual agent Linguistic redress by contrast operates at a higher level of generality namely at the level of the community its fundamental motor is the sheer expressibility of suffering in words Against many writers on tragedy Gaskin argues that language is competent to express pain and suffering and that tragic literature has that expression as one of its principal purposes The definition of tragic literature in this book is expanded to include more than stage drama the treatment stretches from the Classical and Medieval periods through to the early twentieth century There is a special focus on Sophocles but Gaskin takes account of most other major tragic authors in the European tradition including Homer Aeschylus Euripides Virgil Seneca Chaucer Marlowe Shakespeare Corneille Racine Lessing Goethe Schiller Kleist Büchner Ibsen Hardy Kafka and Mann lesser known areas such as Renaissance neo Latin tragedy are also covered Among theorists of tragedy Gaskin concentrates on Aristotle and Bradley but the contributions of numerous contemporary commentators are also assessed **Tragedy and Redress in Western Literature A Philosophical Perspective** offers a new and genuinely interdisciplinary perspective on tragedy that will be of considerable interest both to philosophers of literature and to literary critics

Seeing with Free Eyes Marlene K. Sokolon, 2021-08-01 Responding to Plato's challenge to defend the political thought of poetic sources Marlene K Sokolon explores Euripides's understanding of justice in nine of his surviving tragedies Drawing on Greek mythological stories Euripides examines several competing ideas of justice from the ancient ethic of helping friends and harming enemies to justice as merit and relativist views of might makes right Reflecting Dionysus the paradoxical god of Greek theater Euripides reveals the human experience of understanding justice to be limited multifaceted and contradictory His approach underscores the value of understanding justice not only as a rational idea or theory but also as an integral part of the continuous and unfinished dialogue of political community As the first book devoted to Euripidean justice **Seeing with Free Eyes** adds to the growing interest in how citizens in democracies use storytelling genres to think about important political questions such as What is justice

Whispering the Strategies of Language: An Psychological Journey through **Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays**

In a digitally-driven world where screens reign supreme and quick interaction drowns out the subtleties of language, the profound strategies and psychological nuances hidden within words frequently get unheard. However, set within the pages of **Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays** a fascinating literary value pulsating with raw thoughts, lies a fantastic journey waiting to be undertaken. Written by a talented wordsmith, this marvelous opus invites readers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the material of each and every word. Within the emotional depths of the touching evaluation, we shall embark upon a heartfelt exploration of the book is core themes, dissect their interesting publishing design, and succumb to the powerful resonance it evokes deep within the recesses of readers hearts.

Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays Introduction

In the digital age, access to information has become easier than ever before. The ability to download Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays has opened up a world of possibilities. Downloading Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Greek Tragedy And Political Philosophy Rationalism And Religion In Sophocles Theban Plays Books
