SAXENA, 2019-08-21 Gender inequality and discrimination not only in India, all over world is a multifaceted issue that has been related to both men and women. Some people think gender equality indices place men at a disadvantage when India's population is surveyed, women are found to be at disadvantage in several ways. These trends are disturbing as a natural prediction would be that with growth comes education and prosperity, the dowry system involving a cash or in kind payment from the bride's family to the grooms at the time of marriage is another institution that disempowered women. It reinforces the inferior status of Indian women and puts them at risk of violence in their marital households. The normalization of intra household violence is a huge detriment to the welfare of women. Crimes against women have doubled. Gender inequality extends across various facets of society. Political participation is a key factor to rectify this situation. Gender bias extends to electoral politics and their representative also. The book deals with Population Stabilizing Measure, Juvenile Delinquency, Gender Based Violence, Women Fish Retailers, Gender Inequality, Geriatric Issues in Women and their Management in India, Women's Attitude And The Environment, The Journey of Indian Women across ages, Gender Discrimination in the Workplace, Violence Against Women, dowry system, Women's Role in Developing Technology, Increasing Productivity, Improving Lives, Gender Budgeting, Trafficking of women for Sexual Exploitation and Women In Politics. **Innovative Computing and Communications**
