Go Down Moses Faulkner:

Go Down, Moses William Faulkner, 1991-01-30 I believe that man will not merely endure he will prevail He is immortal not because he alone among creatures has an inexhaustible voice but because he has a soul a spirit capable of compassion and sacrifice and endurance William Faulkner on receiving the Nobel Prize *Go Down Moses* is composed of seven interrelated stories all of them set in Faulkner's mythic Yoknapatawpha County From a variety of perspectives Faulkner examines the complex changing relationships between blacks and whites between man and nature weaving a cohesive novel rich in implication and insight

Go Down, Moses Nancy Dew Taylor, 1994 First published in 1994 Routledge is an imprint of Taylor Francis an informa company

Go Down Moses William Faulkner William Faulkner, 1942 *Go Down Moses* is a 1942 collection of seven related pieces of short fiction by American author William Faulkner sometimes considered a novel The most prominent character and unifying voice is that of Isaac McCaslin Uncle Ike who will live to be an old man uncle to half a county and father to no one The year is about 1859 Cass lives with his grand uncles Theophilus and Amodeus McCaslin called Uncle Buck and Uncle Buddy respectively by most of the characters in the book The story opens with the news that Tomy's Turl a slave on the McCaslin plantation has run away But this is not the first time this has happened and Uncle Buck and Buddy know where he always goes to Hubert Beauchamp's neighboring plantation to see his love a slave girl named Tennie Beauchamp himself has an unmarried sister Sophonisba nicknamed Sibbey who seems romantically interested in Buck Forced to stay the night to look for Tomy's Turl Buck and Cass accidentally enter Sophonisba's room thinking it to be their room This situation is exploited by Hubert who tries to pressure Buck into marrying Sophonisba Buck does not agree to Hubert's exploitive interpretation of events Buck Buddy and Hubert settle both their situation and that of Tomy's Turl by tying them to the outcome of a poker match If Buck loses he is to marry Sophonisba and must agree to buy the slave girl Tennie so Turl will stop running away to see her Buck loses but coaxes Hubert into allowing another game Hubert against Buddy to determine the marriage and property issues The stakes are changed many times but in the end Buddy wins and the McCaslins take Tennie for free Old Isaac McCaslin heard this story relating events that took place before he was born from his older cousin McCaslin Edmonds who was 16 years his senior and like a father to him A young child McCaslin Edmonds rides with his Uncle Buck to the neighboring plantation of Hubert Beauchamp in pursuit of an escaped slave The slave Tomy's Turl runs away frequently to visit Tennie a slave of the Beauchamps with whom he is in love Tomy's Turl eludes McCaslin and Uncle Buck who are forced to rely on the leisurely Hubert Beauchamp for help They are forced to eat dinner with Beauchamp and his sister Sophonisba Sibbey who is looking for a husband and has Uncle Buck in mind Hubert and Buck search through the woods for Turl and make a 500 dollar bet over whether he will be caught outside Tennie's cabin that night That night he is indeed at the cabin but he runs past them and eludes capture Buck and young McCaslin are forced to spend the night at the plantation house Buck and the boy accidentally go into the wrong bedroom and discover Sophonisba

lying in the bed She wakes up and screams and Beauchamp takes advantage of the situation to try to pressure Buck to marry Sophonisba Buck rejects the idea angrily and the two men play cards to settle things a single hand of poker will decide whether Buck will have to marry Sophonisba and also who has to buy the other's slave since the situation with Tennie and Tomey's Turl is clearly unmanageable as it is Buck loses the hand and sends McCaslin home to fetch Buck's twin brother Buddy a legendary poker player Buddy arrives and coaxes Beauchamp into another poker game They spend a great deal of time hammering out the stakes but in the end Beauchamp folds and Buddy wins the game Uncle Buck Uncle Buddy McCaslin Tennie and Tomey's Turl return to the McCaslin plantation Tennie and Tomey's Turl will be married

Go Down, Moses, and Other Stories, by William Faulkner William Faulkner, *Threads Cable-strong* Dirk Kuyk, 1983 This first full length explication of the novel argues that *Go Down Moses* is not simply a sequence of stories but a powerful experimental novel possessing a unity found not in conventional narrative structures but in concrete and orderly patterns of narration action and meaning The threads that bind the work into a whole include race class family history and myth

Go Down, Moses William Faulkner, 1995 Seven interrelated stories chronicle the lives of the McCaslin family's white and Black descendents

William Faulkner's Go Down Moses Thomas McHaney, 1990-12-01 **William Faulkner, Go Down, Moses** Mary Ross, 1982 *Go Down, Moses*, 2015 Faulkner examines the changing relationship of black to white and of man to the land and weaves a complex work that is rich in understanding of the human condition *Go Down, Moses* Arthur F. Kinney, 1996 The book's longest episode The Bear which in altered form has become one of Faulkner's best known short works poignantly demonstrates how the dehumanizing effects of ownership also alienate people from nature and ultimately from themselves
