God behind Bars: An Empirical Approach to Prison Ministry in the United States and Germany Daniel B. Lampe,2024-07-01 This first empirical study on differences between prison ministries in the US and Germany enables a dialogue between chaplains of both countries What can they learn from each other What do they have in common that thus has been transculturally tested The divergent theological philosophical backgrounds of the two criminal justice systems are presented along with their different accentuations of retributing punishment and rehabilitating restoration Religious extremism of inmates and switching of religious orientation in prisons are discussed the roles of volunteers assessed and

promising restoration methods presented such as the so called Circles or religion related rehabilitation programs which have been proven to reduce recidivism by changing inmates mindsets The book examines chaplains working styles in ten fields of activity as well as their theological and political leanings their job satisfaction and factors contributing to overload their time management and their dreams of what could be done better **God Behind Bars** John Perry,2006-08-06 When Charles Colson was released after seven months of prison time following the Watergate scandal the last thing on earth he wanted to do was go back into those dark frightening prisons but God called him to do just that Thus was born a life long ministry and here for the first time if the amazing success story of Prison Fellowship s thirty years of work in the darkest places on earth

God Is with You Lois Spear,2002 This powerful little book contains 27 prayerful reflections based on Scripture and the experiences of a variety of incarcerated men These reflections are designed to move the reader not only to prayer but to positive action aimed at helping him move beyond the usual prison experience Sr Lois Spear tells the stories of people she has met in prison most behind bars but some who work in the prison or visit it God Is With You will inspire readers to look beyond the prison they may have built around themselves and find that God s redemptive love extends to everyone even those behind prison bars Finding Grace Behind Bars Rick Russ,2009-12 The command that the Lord left for all Christians is to make disciples of all people For many that means talking about church to a neighbor a golf buddy a co worker or perhaps a family member For Rick the great commission was a call to bring spiritual freedom to those who had lost their societal freedom inmates America s ever increasing prison population lost to the message of salvation In a world full of focus on victims and victim s rights Rick saw the opportunity to bring the message of salvation to the offenders Though many of the men and women to whom Rick ministers will never be free from the bars that surround them because of their crime against another person or society they can be free from the condemnation that has souls as its focus This is a book that describes a ministry It describes a ministry to men and women who from hardened circumstances find the softness of salvation through personal forgiveness and an understanding that Christ s arms are long enough to reach around even the vilest sinner to bring them to Him Read with your heart Read with the knowledge that Christ still stands at the door and knocks and He will join anyone who with a repentant heart will open Mike Berry Motivational Speaker Lessons learned from our relationship quietly emerge with focused challenges Rick s life lessons connections with those in need and the lost and of course answering God s call guide him and I to this healing place Georgetown County Detention Center Ongoing encouragement to all who read this book Prevention intervention and aftercare will always be needed for the least of these Chaplain C Williams Finding God Within Ray Leonardini,2016-10-01 For nearly a decade Ray Leonardini has been visiting the incarcerated in Folsom State Prison and other correctional facilities where he has been teaching and facilitating contemplative prayer the contemporary manifestation of the ancient Christian meditative tradition In Finding God Within Leonardini demonstrates the extraordinary power of contemplative or centering prayer in transforming the lives of prisoners and offers insightful analyses of biblical

but into the innermost thoughts and feelings of its inmates A powerful account occasionally confronting yet laced with humour and pathos It is raw and real confronting and challenging brutally honest tinged with touches of humour providing the reader with a valuable insight into a prisoner's life behind the razor wire beautifully produced colourful and easy to read Reverend Graham Wright Senior Prison Chaplain for the Anglican Diocese of Perth **Inside Faith** William Noblett, 2009-02

The prison world is one that is largely hidden from our view secret and removed Part of the reason for this secrecy may be a fear that we will discover something of ourselves in those in prison In *Inside Faith* William Noblett attempts to bring the secrecy to light through the stories of individuals and to bring to view something of the ministry of chaplains and others in a complex emotional and sometimes violent environment Taking the form of short reflections William Noblett explores real situations that arise in prison life and offers theological insights along with prayers and narratives that can be used in a prison liturgical or house group setting *Inside Faith* is an invaluable resource book for anyone wishing to know more about prisons and prison ministry as well as all those involved in more formal chaplaincy work If you've ever wondered what life was like inside a prison step inside the pages and the prayers of this book From the foreword by Rt Rev James Jones Bishop of Liverpool and Anglican Bishop to Prisons **Unheard Voices** Imelda Wickham, 2021-06-07 This book is an attempt by the author to give us a brief human insight into life behind bars in one of our penal institutions It is written from the perspective of someone who has walked the walk with the prisoner for twenty years and now questions the effectiveness of our criminal justice system She is an advocate for a Restorative Justice System and sees this model as the way forward She argues that true justice lies in healing for all involved in criminal behaviour including victim perpetrator and society The second part of the book hears the voices of the prisoners in emotionally charged reflections on the reality of life within a prison cell The author challenges the use of prisons to deal with addictions mental health issues and homelessness Where prisons are needed as they are for a small cohort of people they should be open institutions dedicated to rehabilitation based on the needs of the individual and on societal needs of the time *The Prison Chaplaincy, And Its Experiences* Hosea Quinby, 2019-12-18 In *The Prison Chaplaincy And Its Experiences* Hosea Quinby provides a profound exploration of the spiritual and social dimensions of life within prison walls Through reflective prose interspersed with poignant narratives Quinby delves into the emotional landscapes of both inmates and chaplains illuminating the transformative power of faith and compassion in an often dehumanizing environment The book adheres to a contemplative literary style rooted in 19th century reformist ideals making it a significant contribution to the literature of social justice and spiritual care Hosea Quinby an early advocate for prison reform and a dedicated chaplain draws upon his extensive experience in congregational ministry and direct involvement with the penal system His unique perspective shaped by the currents of the humanitarian movements of his time sheds light on the pressing issues of rehabilitation and moral guidance for those trapped in cycles of incarceration Quinby's background informs his earnest advocacy for empathy and understanding striving to bridge the divide between

society and its incarcerated members This insightful work is not just for scholars or practitioners in the field of chaplaincy but is essential reading for anyone interested in the complexities of human redemption and societal responsibility Quinby's heartfelt narratives and keen observations encourage readers to reflect on their own perceptions of justice and mercy making *The Prison Chaplaincy And Its Experiences* a timeless and transformative read Marked for Life Sehested, Nancy Hastings, 2019-08-29 A beautifully told narrative of a church pastor who became a state chaplain in high security prisons for men Having chronicled many stories of incarceration during her thirteen year stint she describes here how she bore witness to misery and miracles within an intractable system
