God In Her Midst Preaching Healing To Wounded Women:

God in Her Midst Elaine McCollins Flake, 2007 Author and pastor Flake offers a theological paradigm to help preachers understand and fulfill their responsibility to preach liberation and empowerment to marginalized and hurting black women

God in Her Midst Elaine McCollins Flake, 2000 *The Womanist Preacher* Kimberly P. Johnson, 2017-07-28 The Womanist Preacher Proclaiming Womanist Rhetoric from the Pulpit performs a close textual analysis of five womanist sermons to answer the question how does womanist preaching attempt to transform adapt the tenets of womanist thought to make it rhetorically viable in the church And what is gained and lost in this The sermons come from five women who are considered exemplars of womanist preaching Elaine M Flake Gina M Stewart Cheryl Kirk Duggan Melva L Sampson and Claudette A Copeland This book takes the first step in womanist scholarship to dissect what is rhetorically going on in womanist preaching to categorize womanist sermons under the four tenets of womanist preaching and to then create four rhetorical models that reflect the rhetorical attributes of the four different categories or phrased tenets that Stacey Floyd Thomas uses to represent Alice Walker's womanist definition *Healing the Wounds of Sexual Abuse* Elaine A.

Heath, 2019-03-19 This accessibly written book illuminates the good news of healing and liberation the Bible offers survivors of sexual abuse As an expert in pastoral ministry and a survivor of abuse herself Elaine Heath handles this sensitive topic with compassion and grace The book is illustrated with stories and insights from survivors and each chapter ends with reflection questions and recommended activities Previously published as *We Were the Least of These* this repackaged edition includes a new contextualized introduction that explores how the book speaks into a vital cultural conversation MeToo

The Voice of the Bridegroom Benjamin A. Roberts, 2021-02-02 Preaching is a relational act This book explores the relationship between the preacher and the assembly as a spousal relationship Written by a parish pastor with a doctorate in preaching and rooted in the Roman Catholic notion of the priest as bridegroom of the church this work examines characteristics of the spousal relationship between husband and wife and then provides an analysis of the ministerial priesthood through this nuptial lens This nuptial reflection on the ministerial priesthood is then applied to preaching This book presents a nuptial hermeneutic or vision for preaching and the implications of this vision for the assembly the preacher the homily and the homiletical method The appendices include a one page strategy for preaching summarizing the homiletical method a rubric for homily evaluation by members of the assembly and two sample homilies **Introduction to the Practice of African American Preaching** Frank A. Thomas, 2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the

African American preaching tradition and catch the author's enthusiasm for it. Next, Thomas traces the relationship between homiletics and rhetoric in Western preaching, demonstrating how African American preaching is inherently theological and rhetorical. He then explores the question: what is black preaching? Thomas introduces the reader to methods of close reading and ideological criticism. And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example. The next chapter considers the question: what is excellence in black preaching? The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition. The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics. Thomas next turns to questions about the relevancy of the church to the Millennial generation. Specifically, how will the African American church remain relevant to this generation, which is so deeply concerned with social justice?

The God of the Dangerous Sermon Frank A. Thomas, 2021-10-19

Learn to engage with a dangerous God to preach the sermons your community needs today. Every sermon has a theology and a god of that theology behind it. Preaching is more effective and has more integrity when preachers understand the god behind their theology. Specifically, whether the god is a universal God like the one expressed by Christ and the Christian faith or a tribal god which is sometimes dressed up to resemble Christianity but is something else entirely. Frank A. Thomas culminates his exploration of the Dangerous Sermon with this book, which leads readers through the process of identifying and understanding the gods behind theology and their connection to preaching. The reader is equipped to discern the metaphors, symbols, and rhetorical indicators which point to the god a preacher is serving and calling others to serve. Praise for *The God of the Dangerous Sermon*: Enlightening, vibrant, and memorable. A vital resource for anyone who seeks to preach substantive sermons. Donyelle McCray, Associate Professor of Homiletics, Yale Divinity School, New Haven, CT. With dexterous and definitive argument, Thomas compels preachers to be accountable for the God behind their rhetoric. Karoline M. Lewis, Marbury E. Anderson Chair of Biblical Preaching, Professor of Biblical Preaching, Luther Seminary, St. Paul, MN. *The God of the Dangerous Sermon* and its two companion books will raise up the next wave of preachers who simultaneously nurture faith communities and bear witness to the God of justice we know in the face of Jesus Christ. Gregory V. Palmer, Resident Bishop of the Ohio West Episcopal Area, United Methodist Church. Warning to all preachers: Do not open this book by Frank Thomas unless you are ready to be changed. No one else lays out the promise and perils of preaching with such clarity and compassion. I know I do not live up to the call of the God of the Dangerous sermon every single Sunday, but Frank Thomas sure makes me want to. Great teachers and preachers will do that. Lillian Daniel, senior pastor of First Congregational Church in Dubuque, IA, author of *Tired of Apologizing for a Church I Don't Belong To*. In *God of the Dangerous Sermon*, Frank Thomas refines his theoretical vision of celebration in African American preaching and demonstrates how and why theological content is at the heart of his project. For Thomas, celebration is rhetorical theology made possible because of the actions and character of a God whose divine performance consists of

healing the brokenhearted liberating the oppressed and refusing to be tribal A legend in his time this is Thomas at the height of his native genius and creative powers Kenyatta R Gilbert professor of homiletics Howard University School of Divinity Washington DC author of Exodus Preaching Crafting Sermons about Justice and Hope from Abingdon Press **Preaching and the Other** Ronald J. Allen, 2008-11-01 Preaching and the Other introduces the reader to six major themes characteristic of the postmodern era that are important for preaching and explains their implications Themes discussed include perception as interpretation deconstruction otherness transgression pluralism and the importance of apologetics Preaching and the Personal J Dwayne Howell, 2014-07-31 Preaching is a very personal process a minister or speaker prepares his or her own sermon and presents it to the congregation Sermons draw upon the Bible as a central source and the source provides a basis of faith for the believing community The preaching event is also personal for the individual members of the congregation who receive the preacher's words based on a biblical text in their own unique way In the synthesis of Biblical text sermon and listener response many testimonies are present Preaching and the Personal is a collection of papers that have been presented at the Society of Biblical Literature These papers encourage and nurture dialogue among scholars who share an interest in the unique theological problems inherent to the relationship between biblical interpretation and proclamation Preaching and the Personal opens a stimulating dialogue in the field **Feminist Theologies** Kerrie Handasyde, Katharine Massam, Stephen Burns, 2024-09-30 Feminist Theologies A Companion explores the contemporary contours of the field With contributors from a diverse range of settings the volume captures the current diversity and richness of feminist theologies both in and beyond the academy Focusing both on theory and praxis chapters move from considering the outlines of the feminist agenda to exploring the relationship between academic feminist theology and ecclesial or personal spiritual and finally articulating how feminist theological outlooks manifest themselves in a variety of settings With contributions from Gina Zurlo Nancy Bedford Agnes Brazil Cathryn McKinney Rebekah Pryor Gale Yee Heather Eaton Al Barrett Simon Sutcliffe Hannah Bacon Lisa Isherwood Karen O Donnell Jane Chevous Alana Harris Antonia Sobocki Tina Beattie Janice McRandal Stephen Burns Cristina Lledo Gomez Michael W Brierley Claire Renkin Hye Ran Kim Cragg Kerrie Handasyde Gail Ramshaw and Anne Elvey *Prophetic Peril* Thomas M. Fuerst, 2025-02-17 Prophecy reimagines the world It critiques what is and encourages its audience to imagine what could be All prophecy therefore begins with a person willing to reimagine their own situation In the biblical and African American traditions this person receives a call to prophetic ministry that upends their reality and compels them to change the way things are Prophetic Peril The Rhetoric of Nineteenth Century African American Prophetic Call Narratives invites readers into the imaginative subversive and ethically complicated stories of four nineteenth century Black figures who received the call to challenge the what is and live into the what could be in the midst of a hard hearted world Focusing on the prophetic call narratives of Maria Stewart Nat Turner Julia Foote and Richard Allen author Thomas M Fuerst offers insight into the unique contributions this tradition makes to American oratory storytelling history

ethics theology and protest As Fuerst demonstrates Turner s call narrative subverts white political interests and expands politics to include the resistance rhetoric and witness of those on the margins Allen s apologetic narration combines deeply thoughtful Protestant exegesis with a liberation theology shaped by the experience of enslavement anchoring his rhetorical power in the experience of Black people in the nineteenth century The call narratives of Stewart and Foote circumvent patriarchy and resist patriarchal interpretations of the Bible through biblical embodied dramatic visionary appeals that sidestep persuasion and demand either acceptance or rejection Taken together these case studies reveal how antebellum Black preachers used religious storytelling to resist white patriarchal oppression and assert their own voices offering unique insight to our understanding of prophecy and resistance We Were the Least of These Elaine A. Heath,2011-05-01 Much of what is written about abuse and the Bible focuses on the ways Scripture is used to hurt rather than heal This accessibly written book provides a much needed perspective illuminating the good news of healing and liberation that the Bible offers survivors of sexual abuse As a theologian and survivor of abuse herself Elaine Heath handles this sensitive topic with compassion and grace She offers a close reading of several biblical passages that have proven to be profoundly healing for her and for other survivors The book is illustrated with stories and insights from sexual abuse survivors who have experienced healing through the Bible in order to bring hope and encouragement to victims It will be welcome reading for those who have suffered from abuse as well as for pastors counselors therapists and others who minister to them Each chapter ends with two sets of reflection questions and recommended activities one set for survivors and another for those who journey with them **Don't Forget To Say Your Prayers** Lydia P. Ford,2012-03-21 Lydia Ford has written an incredibly honest and transparent story of her life In the midst of past storms and life changing events the death of her only daughter and at the time of publication the untimely death of her husband of 37 years Rev Ford has courageously held fast to her testimony Don t Forget to Say Your Prayers as first taught by her beloved grandmother Surely some of you have asked the question Why pray Does God even care that I am hurting How can prayer change what God has already sovereignly decreed How can prayer help me to move forward and accept the devastating loneliness and suffering of my present situation In this book Lydia Ford shares how prayer helped her to face the most difficult trials and testing of her faith in God Read her story and listen to her as she cries out and goes before the Lord with prayers and thanksgiving relying on God for His assurance that He is only a prayer away *The African American Pulpit* , **American Book Publishing Record** ,2007
