Feingold,2023-03-26 A true story about Internet dating and finding God in the midst of it Dating is a strange phenomenon and it has always been that way since the beginning of time With trying to get all personality traits good and bad lined up perfectly with each other and of course there must be a spark it is amazing that people truly do find the one I realized in my dating journey there would be highs and lows and ups and downs but nothing in my life prepared me for the roller coaster ride that turned me upside down and inside out The turns and the twists were unimaginable leaving me bewildered panic stricken and always self doubting that for myself maybe the one would never be found My book takes the reader on a ride through the depths of dating in this era and the hidden forces and powers behind it This story is also mine filled with disappointments and joy finding that your one true love doesn t always have to be the man or woman you are looking for It can be God in all His glory reaching out to you with His hand letting you know that even when you cannot find the perfect man or woman to love you God will always love you and He is perfect Take a ride with me and feel the power of God as He moves me to see in life what is important and what is not Sometimes the one thing that is right in front of us waiting for us is blocked by our own disillusion of what we want or in my case what I thought I needed to be truly whole Enjoy the ride and God s blessing *The WTF Dating Files: True Stories of Love, Lust, and Lunacy* Jacqueline Snape,2025-09-01 The WTF Dating Files True Stories of Love Lust and Lunacy isn t your typical romance memoir Forget fairytales and happily ever afters this is the raw hilarious sometimes cringe worthy reality of modern dating told by someone who lived it From men who lied

about their height and age to bizarre first dates to long nights wondering if common sense had officially died these stories are equal parts comedy and cautionary tale Each chapter drops you into the chaos of love and lust with sharp honesty and a no filter voice that says exactly what you've been thinking but never dared to admit out loud If you've ever swiped right and instantly regretted it rolled your eyes at another nice guy speech or wondered how romance got so ridiculous this book will make you laugh nod and maybe even feel a little less alone in the madness It's a survival guide disguised as entertainment a confessional laced with sarcasm and a reminder that sometimes the worst dates make the best stories Because in the end love may be messy but at least it's never boring
