Ruffcorn,2020-08-04 For most of its history the church has preached and taught a doctrine of dubious biblical origins The doctrine has cast a pall of gloom over the light of the gospel of Jesus Christ It has caused division in the human family has inspired fear of God s wrath in the lives of the faithful and has prevented believers from experiencing the abundant life that is theirs through the life death and resurrection of Jesus Nowhere to Go But Up investigates the source of this doctrine and surveys its use by the Christian church From its findings the book offers an alternative interpretation to several passages of Scripture recapturing the understanding of the first followers of the Way and the insights of the earliest church fathers Several salvation motifs are resurrected from the early centuries of the church These motifs invite readers to view the ministry of Jesus from refreshing life changing perspectives Shunning the centuries old practice of living in fear of God s judgment the book presents readers with a new dynamic yet realistic vision of living in the power of God s love celebrating creation the diversity of the human family and our unity as God s children Secrets of a Supernatural World Buck Stephens,2011-03-01 Revelation From a Near Death Experience compares elements of Scripture science and personal revelation received during a near death experience which leads you to understand why things are the way they are why you are you and what your earthly and eternal purpose is With a touch of good humor uncharted territories are explored rarely discussed in today s churches through megabytes of Scriptural and personal revelation If you have ever wondered any of the following this book is your answer If God created the

world and He is an all knowing God why did He create Lucifer who would rebel against Him and become the devil Why did He create Adam and Eve if He knew they would fail If God is love how can He allow evil in the world Who is Jesus anyway and why would His death save me Don t all religions lead to God What about the aliens and the UFOs that have supposedly visited us What about angels and demons can we see them Is there such a thing as the supernatural Revelation From a Near Death Experience provides the answers to life s hardest questions
