God On Campus Sacred Causes And Global Effects Campus America S:

God on Campus Trent Sheppard,2010-01-04 Trent Sheppard explores historical turning points as they've intersected college students in prayer From the establishment of early American campuses during the Great Awakening to the parachurch movement in the mid twentieth century to the Campus America initiative to establish vital praying communities on every campus in the United States Sheppard shows that students can participate in remarkable movements of God simply by being open to being moved

God on Campus Trent Sheppard,2010-09 God on Campus traces a remarkable legacy of spiritual awakening that stretches from the founding of the earliest colleges in the United States to a global movement of nonstop student prayer spreading across campuses today This is a book to help you remember your roots Trent Sheppard writes ordinary people like you and me bold and timid brilliant and insecure disillusioned and dangerous ambitious and naive holy and fallen fearless and afraid people who prayed people who conspired together with their friends in faith and action people who believed their lives could actually help shape the unfolding narrative of history From the establishment of early American campuses during the Great Awakening to the rapidly spreading collegiate movements of the twenty first century Sheppard shows how students can integrate their passion in prayer with practical Christ like living in culture The goal he explains is not for us to abandon our studies in economics or education and all become preachers instead The goal is to live like Jesus in the very soul of society

Christian Scholarship in the Twenty-First Century Thomas M. Crisp,Steve L. Porter,Gregg A. Ten Elshof,2014-09-19 The Christian tradition provides a wealth of insight into perennial human questions about the shape of the good life human happiness virtue justice wealth and poverty spiritual growth and much else besides and Christian scholars can do great good by bringing that rich tradition into conversation with the broader culture But what is the nature and purpose of distinctively Christian scholarship and what does that imply for the life and calling of the Christian scholar What is it about Christian scholarship that makes it Christian Ten eminent scholars grapple with such questions in this volume They offer deep and thought provoking discussions of the habits and commitments of the Christian scholar the methodology and pedagogy of Christian scholarship the role of the Holy Spirit in education Christian approaches to art and literature and more CONTRIBUTORS Jonathan A Anderson Dariusz M Brycko Natasha Duquette M Elizabeth Lewis Hall George Hunsinger Paul K Moser Alvin Plantinga Craig J Slane Nicholas Wolterstorff Amos Yong

The Next Great Move of God Jennifer LeClaire,2015-04-07 BE PART OF THE MOVEMENT THAT REACHES HEAVEN Before its foundation America first flew the Appeal to Heaven flag It was the banner George Washington used on his navy ships to signal that their only hope against British rule and religious persecution was an appeal to heaven The crusade continues today Sparked in part by a revelation Dutch Sheets received over the course of twelve years the nation is being called back to prayer for a Third Great Awakening As a result pockets of revival are breaking out across the nation Through in depth interviews eye witness accounts transcribed speeches and prophetic visions from noted leaders such as Billy Graham Reinhard Bonnke the

late Steve Hill and others *The Next Great Move of God* serves as a means to not only fan the fires of revival unto this awakening but also equip you to sustain it **Christian Education** Freddy Cardoza, 2019-11-05 This introductory textbook solidly situates Christian education in the church and ministry context of the 21st century With over 20 years of ministry teaching and leadership experience Freddy Cardoza is uniquely qualified to bring together a wide range of Christian educators This volume features the expertise of 25 evangelical scholars of Christian education including diverse next generation voices in the field It provides balanced biblical theological and practical perspectives for church and parachurch leaders equipping them to meet the ever changing needs of our world Additional resources for professors and students are available through Textbook eSources **From Asbury University Revival to the Russian Revival: Read about Twenty Revivals of the Twentieth Century** G. J. Hocking, 2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University Australia through America and across the European continent all within the space of one century Why This Book I wrote *The Twentieth Revivals of the Century* because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea s Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses **Dirty Glory** Pete Greig, 2016-10-18 U K Book of the Year 2017 For many Christians prayer is an obligation that has little bearing on everyday life The story of the 24 7 prayer movement demonstrates in gripping detail how prayer is far more than an obligation and how God is far more interested in prayer than we are Continuing to chronicle the life and extraordinary ministry of the 24 7 prayer movement for a readership anxiously awaiting this title Pete Greig tells story after story of God s faithful interaction with human prayer to change lives and cultures **God on Campus** Trent Sheppard, 2009-11-25 Trent Sheppard explores historical turning points as they ve intersected college students in prayer From the establishment of early American campuses during the Great Awakening to the parachurch movement in the mid twentieth century to the Campus America initiative to establish vital praying communities on every campus in the United States Sheppard shows that students can participate in remarkable movements of God simply by being open to being moved **Southern Campus** , 1926

Spence,2025-06-30 Despite heady claims about Christ centeredness Evangelical colleges are scandalously secular institutions in thrall to the regnant assumptions of the market economy and mainstream higher education Paradigms intended to integrate faith and learning often ironically fracture and distort Christianity Even the spiritual dimensions of the Christian college presumed to keep it safe from religious declension are prone to secularizing tendencies because the American Evangelical culture from which the college receives its spiritual cues and from which it accepts its donors money is itself captive to a set of sub biblical economic social and political assumptions This book argues that the cause of the scandal is the absence of the church in the imagination of the Evangelical college It therefore proposes that the mission and practice of the Evangelical college should be to summon equip and renew the people of God While this may sound like a return to an obsolete bible school model of Christian education the ecclesial vision only sounds narrow because we lack a robust understanding of the vocation of the church itself By simultaneously restricting our vision of the Evangelical college while broadening our understanding of the church a more fully evangelical educational endeavor might emerge *Continent*

,1916 *American Kairos* Richard Benjamin Crosby,2023-04-18 In this book the author has written a history of not only the National Cathedral but also the idea that animates it arguing that it is a touchstone site for the American civil religion the idea that the American nation functions much like a religion with its own rituals sacred texts holy days and so on Moreover he shows it is the National Cathedral that most embodies the various tug of wars that have quietly defined the American civil religion questions of belonging of ideology and of America s place in the world *The Christian Advocate* ,1906 *United Church Herald* ,1964 *From a Native Son* Ward Churchill,1996 Ward Churchill has emerged over the past decade as one

of the strongest and most influential voices of native resistance in North America From a Native Son collects his most important and unflinching essays which explore the themes of **Gospel Herald** ,1917 **Surprised by God** Danya Ruttenberg,2009-08-01 At thirteen Danya Ruttenberg decided she was an atheist As a young adult she immersed herself in the rhinestone bedazzled wonderland of late 1990s San Francisco drinking smuggled absinthe with wealthy geeks and plotting the revolution with feminist zinemakers But she found herself yearning for something she would eventually call God

Surprised by God is a memoir of a young woman's spiritual awakening and eventual path to the rabbinate a story of integrating life on the edge of the twenty first century into the discipline of traditional Judaism without sacrificing either It's also an unflinchingly honest guide to the kind of work that goes into developing a spiritual practice and it shows why perhaps doing this in today's world requires more effort than ever
