God Ter Sprake Reflecties Over De Taal Van De Religie:

The Collected Works of Edward Schillebeeckx Volume 10 Edward Schillebeeckx, 2014-09-25 This book was originally planned as the ecclesiological third part of Schillebeeckx Jesus trilogy It indeed concludes his thinking about the relevance of the living Jesus through history but with a different approach than originally intended By the end of the 20th century many believers have left the unworldly super naturalistic preconiliar church behind Those who leave the church often leave a church that claims to be the direct mediator of God s will However the church is not a flawless gift from heaven It is the vulnerable work of human beings which tries to find accurate ways to comply to the heart of the gospel message In a time that is characterized by polarization in the church Schillebeeckx does not forget to look at the unprecedented and authentic flourishing of the gospel This book therefore contains the testimony of a theologian who tried during the course of his life to describe what God can mean for people today **God ter sprake. trajectory recounted here in extensive personal reflections has lead to an incisive inquiry into the possibilities of thinking and experiencing After Theism the title of a fundamental article reprinted here Post theism Reframing the Judeo Christian Tradition raises this question from three different perspectives first by spelling out the historical and intellectual backgrounds that have led to the supposed end of theism as it had been known through the ages secondly by discussing the systematic relationship between the disciplines of theology and competing concepts of rationality and thirdly by sketching out the contours of a philosophical thought that ventures beyond the most tenacious classical and modern presuppositions of theism Along the way the contributors explore a variety of ways in which the concepts and arguments imagery and rhetoric of the Judeo Christian traditions are in need and in the process of being constantly displaced Henri Krop Arie L Molendijk and Hent de Vries teach Philosophy the history of Christianity and Metaphysics respectively at the Erasmus University The University of Groningen and the University of Amsterdam *Church* Edward Schillebeeckx,1990 *Nederlands theologisch tijdschrift* ,1990 *Elseviers magazine* ,1986 *De ruimte van het volledige leven* Dirk Hanssens,1993
