describes biblical counseling as a noble adjective married to a nervous noun. Believers are wise to be skeptical of much that is done in the name of counseling in secular settings. Even under the umbrella of Christian counseling, one has heard horror stories of cases where God's Word has been misused. But Jeff Watson makes a strong case in this volume for the legitimacy of marrying biblical and counseling. Christian counselors, says Watson, need to cultivate three fundamental skills in their patients: How to tell their stories, How to choose their goals wisely, and How to practice changes in their lives. Watson helps counselors achieve these goals by drawing on the interactions of Christ, the commands of Scripture, and the actions of the apostles and prophets. Thus he marries counseling and biblical principles. To those of us who are called on to counsel on any level, Charles Swindoll says, "This book will become an invaluable tool for you. I urge you to let it become your manual for proper counseling."

Pastoral Counseling: Where One Encounters the Enormity of God's Love Gerald V. Miller, 2022-08-05. The pastoral counselor brings God's presence to the counseling session. The counselor radiates God's enormous unconditional love and forgiveness to the client. Clients come in because they are spiritually broken and prey to the allies of darkness: fear of abandonment from God and those they love, resentment, frustration, anxiety, and callousness. He is the prodigal son. Through empathy, compassion, and counseling skills, the pastoral counselor connects them to the God who runs to meet him with joy, throws his arms around him, kisses him, forgives him, and makes him psychologically and spiritually whole again by giving him the signet ring. The pastoral counselor's role is to facilitate this occurrence. *Seeing Is Believing* Gregory A. Boyd, 2004-04. Break out of spiritual performance into a liberating relationship with Christ. Experience the reality of Jesus through the imaginative power of prayer.

Discipleship Counseling Dr. Neil T. Anderson, 2011-08-26. Building on the concepts found in *Victory over the Darkness* and *The Bondage Breaker*, Neil Anderson's counseling ministry guide provides clear information and excellent models to help you understand what discipleship counseling is all about. If you're a pastor, counselor, or lay leader, this resource will make you more comfortable, confident, and competent in your role as encourager. In turn, this will help you free people from their emotional pain and spiritual conflicts as you guide them to a more complete understanding of who they are in Christ.

Counseling Survivors of Sexual Abuse Diane Langberg, 2003-04. This powerful book deals with the issue of how Christians, especially those called to counsel, can help survivors of sexual abuse find healing and hope. From 20 years of experience, the author demonstrates how counselors can walk alongside people deeply wounded by sexual abuse as they face the truth about who they are, who their abuser was, and who God is as the Savior and Redeemer of all life. *Counseling Survivors of Sexual Abuse* issues a strong call to the church at large to walk with survivors through the long, dark nights of their healing. *God of Wonders* David A. Steen, 2012. Explore the wonders of God's creation with biologist David A. Steen and discover the intricacies of things we usually take for granted: taste, gravity, skin, bacteria, trees, DNA, stars, cellular reproduction, and many more. Are you ready to experience an overwhelming sense of awe? God's creative genius is simply breathtaking.
