Selected Devotions

Gary Hankins, 2024-11-25 This book contains individual devotions on the Word of God s immeasurable value and the way Jesus Christ has plotted for each one of us who believes He is our risen Lord and Savior the only begotten Son of God Jesus is the Word made flesh who created the New Testament in His shed blood and sacrifice The Old and the New Testaments offer

us insight to the love and will of God for each one of us personally when we accept Jesus as our personal Savior The Holy Spirit comes to dwell within us He tutors us as we study the Word in print to reveal the Word in Jesus Christ who presents us washed clean in His blood to become His brothers and sisters We become God s own children It is my prayer that the words within these devotions are His not mine Thanks be to God **Jubilee Hitchhiker** William Hjortsberg,2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan s career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius *English/German Dictionary of Idioms* Professor Hans Schemann,2013-04-15 This dictionary is the ideal supplement to the German English Dictionary of Idioms which together give a rich source of material for the translator from and into each language The dictionary contains 15 000 headwords each entry supplying the German equivalents variants contexts and the degree of currency rarity of the idiomatic expression This dictionary will be an invaluable resource for students and professional literary translators Not for sale in Germany Austria or Switzerland **The Anatomy of Exile: A Novel** Zeeva Bukai,2025-01-14 The Abadi Family saga begins when a modern day Romeo and Juliet story between a Palestinian and a Jew ends in predictable tragedy The family flees to America to mend but encounters only more turmoil that threatens to tear the family apart In the wake of the 1967 Six Day War Tamar Abadi s world collapses when her sister in law is killed in what appears to be a terror attack but what is really the result of a secret relationship with a Palestinian poet Tamar s husband Salim is an Arab and a Jew Torn between the two identities and mourning his sister s death he uproots the family and moves them to the US As Tamar struggles to maintain the integrity of the family s Jewish Israeli identity against the backdrop of the American melting pot culture a Palestinian family moves into the apartment upstairs and she is forced to reckon with her narrow thinking as her daughter falls in love with the Palestinian son Fearing history will repeat itself Tamar s determination to separate the two sets into motion a series of events that have the power to destroy her relationship with her daughter her marriage and the family she has worked so hard to protect This powerful debut novel explores Tamar s struggle to keep her family intact to accept love

that is taboo and grapples with how exile forces us to reshape our identity in ways we could not imagine **Shepherd's Awakening** Pablo Andrés Wunderlich Padilla, The enemy has infiltrated the empire and gained enough political and military influence to subvert it from within The venom of darkness spills from the heart of the kingdom Politicians and civilians alike have been tamed and subdued rendered incapable of recognizing right from wrong good from evil Evil spreads like a terminal disease unchallenged unhindered and unrestrained In a small village on the outskirts of the kingdom an innocent young shepherd tends to his sheep and helps on the family farm His family's estate is hastening toward economic ruin due to the untimely death of his grandfather It all falls on him to honor his family's legacy When the young shepherd sets off on a seemingly dull journey to a nearby village he encounters a terrible darkness His quest will become an epic battle of survival love and ultimate sacrifice As he accepts the call to arms his innocence will be lost He must save his country and awaken his people from slumber Will he be in time to save them all Soldiers from Experience Eric Michael Burke, 2022-10-26 Winner of the Albert Castel Book Award Winner of the Colonel Richard W Ulbrich Memorial Book Award Winner of the Civil War Books and Authors Book of the Year Award In *Soldiers from Experience* Eric Michael Burke examines the tactical behavior and operational performance of Major General William T Sherman's Fifteenth US Army Corps during its first year fighting in the Western Theater of the American Civil War Burke analyzes how specific experiences and patterns of meaning making within the ranks led to the emergence of what he characterizes as a distinctive corps level tactical culture The concept introduced here for the first time consists of a collection of shared historically derived ideas beliefs norms and assumptions that play a decisive role in shaping a military command's particular collective approach on and off the battlefield Burke shows that while military historians of the Civil War frequently assert that generals somehow imparted their character upon the troops they led Sherman's corps reveals the opposite to be true Contrary to long held historiographical assumptions he suggests the physical terrain itself played a much more influential role than rifled weapons in necessitating tactical changes At the same time Burke argues soldiers' battlefield traumas and regular interactions with southern civilians the enslaved and freedpeople during raids inspired them to embrace emancipation and the widespread destruction of Rebel property and resources An awareness and understanding of this culture increasingly informed Sherman's command during all three of his most notable late war campaigns Burke's study serves as the first book length examination of an army corps operating in the Western Theater during the conflict It sheds new light on Civil War history more broadly by uncovering a direct link between the exigencies of nineteenth century land warfare and the transformation of US wartime strategy from conciliation which aimed to protect the property of Southern civilians to hard war Most significantly *Soldiers from Experience* introduces a new theoretical construct of small unit level tactical principles wholly absent from the rapidly growing interdisciplinary scholarship on the intricacies and influence of culture on military operations **Jesus Monotheism** Crispin Fletcher-Louis, 2015-07-29 This is the first of a four volume groundbreaking study of Christological origins The fruit of twenty

years research Jesus Monotheism lays out a new paradigm that goes beyond the now widely held view that Paul and others held to an unprecedented Christological monotheism There was already in Second Temple Judaism and in the Bible a kind of christological monotheism But it is first with Jesus and his followers that a human figure is included in the identity of the one God as a fully divine person Volume 1 lays out the arguments of an emerging consensus championed by Larry Hurtado and Richard Bauckham that from its Jewish beginnings the Christian community had a high Christology and worshipped Jesus as a divine figure New data is adduced to support that case But there are weaknesses in the emerging consensus For example it underplays the incarnation and does not convincingly explain what caused the earliest Christology The recent study of Adam traditions the findings of Enoch literature specialists and of those who have explored a Jewish and Christian debt to Greco Roman Ruler Cult traditions all point towards a fresh approach to both the origins and shape of the earliest divine Christology

Samuel Beckett l'œuvre carrefour/l'œuvre limite Marius Buning,Matthijs Engelberts,Sjef Houppermans,1997 ISBN 9042003375 paperback NLG 55 00 From the contents Beckettissimo Beckett virtuose de l'echo fin de partie et l'essence du bouddhisme Emmanuel Jacquart Staging of institutional tensions in Beckett's plays Juergen Siess Postmodern staging of waiting for Godot Mariko Hori Tanaka Staging himself or Beckett's late style in the theatre S E Gontarski figure *Jesus's Identification with the Marginalized and the Liminal* Bekele Deboch Anshiso,2018-05-06 The first century Judaic understanding of the identity and nature of the Messiah has been a much debated topic among biblical scholars and preachers alike So too has the messianic identity and nature of Jesus himself Bekele Deboch informs these debates with fresh evidence outside the traditional scriptural references to miracles and supernatural identifications by demons and God himself as well as earthly identification by human beings With thorough narrative criticism and analysis of contemporaneous literature this book brings insightful new conclusions that transform our understanding of the biblical messianic identity revealed in the person of Jesus Jesus not only self identified with the marginalized and liminal but also experienced extreme marginality himself to the point of shameful death on a tree Jesus church around the world has the responsibility to herald his messianic identity and salvation to the marginalized of today Bekele Deboch has followed Christ's example of walking with the marginalized and makes here a powerful case for the church to do the same
