God's Dinosaurs Allen E Nance Jr,2015-12-11 Since the first time evolution was suggested as an answer for explaining our existence a struggle has ensued Evolutionists struggle to prove themselves right Creationists struggle to prove evolutionists wrong and the accepted Biblical stories correct In both cases the concepts of the other party leave their own explanations incomplete In this work Allen serves to set the records straight He takes into account the words of God as they are actually written and the scientific explanations of the dinosaur bones The results are both intriguing and eye opening God created the dinosaur and all other life on earth However the true story may not be what you think This book is your guide to discovering the real truth as it has never been told Allen a science lover and Christian is a teacher by profession and by the spiritual gift of the Holy Spirit Eph 4 11 With this study the author of *The Roman Empire Lives in the Catholic Church* was led to do an objective in depth study of the Creation story as recorded in God s Word The result is this definitive Biblical answer of how the dinosaurs fit into the Creation story God Through the Looking Glass William David Spencer,Aída
