From Hamas to America Mosab Hassan Yousef, James Becket, 2024-08-06 From Hamas to America is a gripping memoir that follows the son of Hamas founder Mosab Hassan as he breaks away from his culture's practice of terrorism to becoming a double agent for Israel to finally fleeing to America and becoming a US citizen and ultimately finding peace This is my opportunity to share my journey with others to let go of both the traumas and the triumphs to find freedom to proclaim my truth Mosab Hassan Yousef has worn many labels Hamas terrorist Green Prince spy traitor hero Hollywood player Muslim Christian yogi stateless refugee deportee citizen But all these labels have one thing in common they serve someone else's agenda Now for the first time the New York Times bestselling author of Son of Hamas tells the full truth of his story In it we see him growing up as the son of one of the founders of Hamas being imprisoned and tortured by the Israelis growing to hate the Hamas tactics of rape and violence working with the Israeli intelligence to expose suicide bombers and save lives seeking asylum in the US fighting with Homeland Security to avoid deportation rejecting Islam and converting to Christianity and making international headlines for it becoming a top speaker on Middle Eastern affairs and the Israeli Palestinian conflict working with Hollywood to tell his story and obtaining US citizenship and discovering the life saving discipline of yoga This is the inspiring story of someone who has been under threat of assassination or imprisonment for most of his life but who somehow finds the path to freedom and peace Few will walk in his shoes but everyone can follow his example and make their own journey to find redemption and peace Beyond Survival Gerald Coffee, 2013-10-23 When life loses its meaning when suddenly the world is turned upside down when there's nothing left that resembles life as we've known it where do we find the strength and sustenance to go on For naval aviator Jerry Coffee and others who were held as prisoners of war in North Vietnam there was only one choice to go within Beyond Survival is a journey into the invincible human spirit that unites heart and mind in a compelling and unforgettable experience Drawing from his seven years as a POW Captain Coffee provides timeless lessons that apply to the physical emotional and ethical challenges of everyday life Proving that leadership and creativity are possible in difficult and uncertain circumstances Captain Coffee offers a message we can draw on in any trying situation His story demonstrates that conviction must come from within and in telling that story he touches the place inside of us where growth begins Beyond Survival is a positive statement about love and commitment in the midst of war and division It contrasts the cold reality of war degradation and torture with the warmth of human connections inner serenity and

kinship with all of life It poignantly illustrates that to be stripped of everything that is familiar and by which we identify ourselves leaves us with only what unites us our human identity It conveys truths about relationships at every level with ourselves with others with our country and with our God Without inflaming the wounds inflicted by America's involvement in Vietnam Beyond Survival explores an issue at the heart of every free society the willingness of ordinary individuals to maintain a passion for freedom so compelling that adversity strengthens rather than weakens personal resolve in the worst of circumstances Through Gerald Coffee's story you will discover the universal principles of survival and triumph that empower anyone to overcome adversity
