Metanoia and OTHER SERMONS Ruskin Falls, 2021-10-31 The book is a collection of twenty three sermons from the period of February through August 2020 Each sermon is preceded and thereby situated in the congregation by that Sunday's greeting and after the church moved to online only worship due to the outbreak of COVID 19 by the day's announcements The author considers his preaching style to be more irenic than competitive in spirit If though there is

homiletic competition going on in what he is doing here it is he says with preachers and with himself when he numbers among them who are bent as preachers on being conservative or evangelical or liberal or progressive or idiosyncratic or entertaining or otherwise situated above the word that preachers as preachers must strive to submit to and serve He intends his sermons as exercises in openness for the truth of God's word which word the church is ever on the verge of losing touch with and needing to learn anew to hear and heed The sermons are neither feel good nor finger pointing They are neither prosperity promoting nor therapeutically oriented They are not even an attempt to make the church sound relevant to the issues of the day Rather they simply aim at openness to the truth that sets us free for and in and through the faith and courage that Christ came bringing

Body and Blood Andrew R. Hardy, Keith Foster, 2019-06-07 The largest missional challenge facing the church of Christ in the West is to equip every member to engage in missionary endeavor in third places Third places are those social zones in society like coffee shops gyms shopping malls pubs etc that everyone and anyone can meet in as commonly owned spaces The authors argue that for too long the church has not equipped and trained its members to engage in mission in the public square The mobilization of every member to become the hands and feet of the missional sacramental body of Christ to carry the message of God's generous love to not yet Christians is vital if we want to witness the kingdom reign of God extend into their lives Places are important to the sovereign Lord of mission and this book challenges the churches of Christ to become what they properly need to be equipping agencies for every member mission and ministry

"All Authority Has Been Given To Me" Tim Lehman,2019-11-20 For much of Christian history greater focus has been paid to Jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven But retired pastor Tim Lehman contends that we ve drastically missed the point by not looking closely at and learning from Jesus words and actions before his death As a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth In this broad study of Matthew s Gospel Lehman challenges readers to view Jesus death in light of his life He urges us not just to believe in Jesus but to believe Jesus to take seriously all that he taught and how he lived As Lehman leads readers along a carefully laid path Christians and non Christians alike will have to rethink long held assumptions the place of violence in the Christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more But along the way we are sure to learn grow and hopefully come to know more deeply God s unconditional love for all
