Gods Wider Presence Reconsidering General Revelation:

God's Wider Presence Robert K. Johnston, 2014-10-14 What are we to make of those occasional yet illuminating experiences of God's presence that occur outside both church and Scripture? We may encounter God's revelatory presence as we experience a beautiful sunset, the birth of a child, or a work of art, music, or literature. While theologians have tended to describe such experiences abstractly as mere traces or echoes, those involved often recognize such moments of transcendence as transformative. Here senior theologian Robert Johnston explores how Christians should think theologically about God's wider revelatory presence that is mediated outside the church through creation, conscience, and culture. The book offers a robust constructive biblical theology of general revelation, rooting its insights in the broader Trinitarian work of the Spirit. Drawing in part from the author's theological engagement with film and the arts, the book helps Christians understand personal moments of experiencing God's transcendence and accounts for revelatory experiences of those outside the believing community. It also shows how God's revelatory presence can impact our interaction with nonbelievers and those of other faiths.

The Father and the Feminine Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered? Is male imagery such as Father, Son, or King the only appropriate way? Are there ways to talk of God using female gendered metaphors and pronouns? And how does the use of such language impact humans as gendered people? Moving beyond the extremes in this debate, *The Father and the Feminine* seeks to clarify the ways Christians speak about God, whether this is by recognizing revelation and Christian tradition upholding God's ineffability using analogies, metaphors, and narratives referring to God as Father, Son, and Spirit, or by seeking a liberating way of life in community. Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly, but at the same time that it cannot be the exclusive way Christians speak of the Divine. The grammar of Christian Scripture and tradition both authorize the use of female language, which Christians ought to use in pursuing a deeper relationship with God and others, as well as a more authentic view of self.

Knowing God as an Evangelical Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology, there are several authoritative approaches. Yet the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon. In this book, Dan-Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism. Specifically, he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance. Petre then uses a canonical epistemological methodology to outline a biblically based framework. In exploring how the Scripture conceptualizes the formation of theological knowledge, the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies. The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon. Using this vantage point, the author assesses the

contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement

Redeeming Transcendence in the Arts Jeremy Begbie, 2018-02-14 How can the arts witness to the transcendence of the Christian God Many people believe that there is something transcendent about the arts that they can awaken a profound sense of awe wonder and mystery of something beyond this world even for those who may have no use for conventional forms of Christianity In this book Jeremy Begbie a leading voice on theology and the arts employs a biblical Trinitarian imagination to show how Christian involvement in the arts can be shaped by the distinctive vision of God's transcendence opened up in and through Jesus Christ

Gospel as Work of Art David Brown, 2024-03-07 A lushly illustrated magisterial exploration of the imaginative truth of the gospel In the modern academy truth and imagination are thought to be mutually exclusive But what if truth can spring from other fonts like art literature and invention The legacy of the Enlightenment favors historical and empirical inquiry above all other methods for searching for truth But this assumption constrains our theological explorations Though the historicity of Jesus's life death and resurrection is important it is not the only thing that matters For instance is John's Gospel any less true than the Synoptics just because it's less historically accurate David Brown challenges us to expand our understanding of the gospel past source criticism and historical Jesus studies to include works of imagination Reading Scripture in tandem with works of art throughout the centuries Brown reenvision the gospel as an open text Scholars of theology and biblical studies freed from literalism will find new avenues of revelation in *Gospel as Work of Art* This volume includes over one hundred color illustrations

The Crosscurrents series highlights emerging theologies and biblical interpretations from Majority World and minoritized communities. The first volume in the series elaborates theologies of land, a theme often missing or ignored by churches and theologians especially in the Global North. In this volume, four authors who represent Palestinian, First Nations, Latinx, and South African communities examine the intricate relationship among land, scape, migration, and identity. Together with a Malaysian Chinese, the authors deliberate on the complex issues arising out of political domination as well as humanity's conquest and abuse of land that create unjust space, landless people, and the broken landscape of God's creation.
