Goering Cross Examined:

Goering Cross Examined Jacqueline George, 2014-07-13 When Field Marshall Hermann Goering Deputy Führer and commander of the Luftwaffe appeared before the Nuremberg Tribunal in 1946 to answer for his crimes the world was watching Much of Europe had directly suffered through the war that he and the Nazi system had brought to the continent and now he would have to answer for his crimes On the other hand Germany was full of Nazis who had been defeated but did not feel any part of the guilt for those terrible events Would Goering be able to stand up for them and give them hope for the future Goering proved to be intelligent and resourceful a natural leader who dominated the other defendants at the trial and showed no self doubt at all The evidence he gave on his own behalf made the unthinkable seem reasonable the normal reaction of a government and country under threat from outside forces He denied all knowledge of war crimes and the crimes against humanity that were now being uncovered Only cross examination by American and British prosecutors could force him to admit his complicity but Goering was far too clever to be pinned down easily Here in the actual words spoken by the three adversaries is the story of the American prosecutor Supreme Court Justice Robert Jackson and his British colleague Sir David Maxwell Fyfe fighting to bring the true story of Goering's crimes into the light Using complete court transcripts with commentaries on each session this book allows the reader to follow the battle day by day All three men and especially Goering jump from the pages in the words they used seventy years ago This is Goering from a different angle seen not through his deeds but as you might see him at a town hall meeting He is talkative and charismatic even when on trial for his life and with the ruins of the Third Reich around him His trial is followed through to the end and the book has an Epilogue from his fellow defendant Albert Speer This very readable book brings together the many strands of the Goering war crimes trial in a way that allows the interested but legally challenged reader to appreciate the hubris and depravity of the Reich's Deputy Führer The reader is left with the impression that Goering throughout his trial believed in the righteousness of the Nazi Cause and was surprised and disappointed in the final outcome Goering's testimony to the Tribunal is both chilling and a fitting final testimony to the Nazi era Charles Gillman Wells *Maccarthy on Cross-examination* Terence MacCarthy, 2007 Learn how to look good on cross even when the witness is not cooperating Learn how to manage and effectively minimize the witness's involvement without appearing controlling extracting and insulting Filled with illustrative cross examinations from actual cases this book is your key to employing these proven techniques in your own practice Using the three themes that run through out the book looking good telling a story and using short statements you can take control of your cross examinations and achieve the results you desire **The Nuremberg Trials** Ann Tusa, 2003-02-19 This well researched book exposes the many different facets of the Nuremberg Trial Using a variety of resources the Tusas are able to thoroughly layout new information from the trial This was the closure for many to World War II and it was one of the greatest judicial accomplishments The Tusas provide a clear history of the events and fresh insight to what happened during the trial The

Anatomy of the Nuremberg Trials Telford Taylor, 2012-06-20 A long awaited memoir of the Nuremberg war crimes trials by one of its key participants In 1945 Telford Taylor joined the prosecution staff and eventually became chief counsel of the international tribunal established to try top echelon Nazis Telford provides an engrossing eyewitness account of one of the most significant events of our century Trials of War Criminals Before the Nuernberg Military Tribunals Under Control Council Law No. 10, Nuremberg, October 1946-April, 1949: Procedures, practice and administration ,1949 **Trials of War Criminals Before the Nuremberg Military Tribunals Under Control Council Law No. 10, Nuernberg, October 1946-April 1949** International Military Tribunal, 1949 Scorpions Noah Feldman, 2011-01-26 A history of the careers and constitutional visions of four U S Supreme Court Justices appointed by Franklin Roosevelt A tiny ebullient Jew who started as America s leading liberal and ended as its most famous judicial conservative A Klansman who became an absolutist advocate of free speech and civil rights A backcountry lawyer who started off trying cases about cows and went on to conduct the most important international trial ever A self invented tall tale Westerner who narrowly missed the presidency but expanded individual freedom beyond what anyone before had dreamed Four more different men could hardly be imagined Yet they had certain things in common Each was a self made man who came from humble beginnings on the edge of poverty Each had driving ambition and a will to succeed Each was in his own way a genius Hugo Black William O Douglas Felix Frankfurter and Robert Jackson began as close allies and friends of FDR But the quest to shape a new Constitution led them to competition and sometimes outright warfare *Scorpions* tells the story of these four great justices their relationship with Roosevelt with each other and with the turbulent world of the Great Depression World War II and the Cold War It also serves as a history of the modern Constitution itself Praise for *Scorpions* Smart and engaging New York Times Book Review Full of high stakes intellectual drama Washington Post A first rate work of narrative history that succeeds in bringing the intellectual and political battles of the post Roosevelt Court vividly to life Publishers Weekly *The Psychology of Genocide, Massacres, and Extreme Violence* Donald G. Perspectives on the Nuremberg Trial Guénaél
 Mettraux, 2008-03-27 The trial of major Nazi war criminals in Nuremberg was a landmark event in the development of
 modern international law and continues to be highly influential in our understanding of international criminal law and post
 conflict justice This volume offers a unique collection of the most important essays written on the Trial discussing the key
 legal political and philosophical questions raised by the Trial both at the time and in historical perspective The collection
 focuses on pieces from those involved in the Tribunal discussing the establishment of the Tribunal the Trial itself and the
 debate that followed the Judgment Also included are representative essays of the academic debate that has surrounded
 Nuremberg in the sixty years since the Trial Ranging from the contribution of Nuremberg to the substantive development of
 international criminal law to the philosophical evaluation of legalism in post conflict international relations the perspectives
 provided by the essays offer a unique overview of the persistent significance of Nuremberg across a range of academic
 disciplines The collection also features newly translated essays from key German Russian and French writers available in
 English for the first time a new essay by Guénaél Mettraux examining the Nuremberg legacy in contemporary international
 criminal justice and an exhaustive bibliography of the literature on Nuremberg
