Serge Latouche

La Hora Del Decrecimiento Con Vivencias:

La hora del decrecimiento Serge Latouche, Didier Harpagès, 2012-12-01 El crecimiento económico se ha vuelto insostenible para nuestro entorno. Pero la hora del decrecimiento no es solamente la de la urgencia ecológica sino que como proponen los autores debe ser el momento de rehabilitar el tiempo de trabajar menos para vivir mejor y de inventar nuevas formas de vida para recuperar el placer de la sobriedad. El c lebre economista y especialista del decrecimiento Serge Latouche junto con Didier Hapag s profesor de Ciencias económicas y sociales ambos militantes del decrecimiento exponen con claridad el proyecto decreciente en este libro breve y conciso. Una lectura b sica para todas aquellas personas que deseen abordar en profundidad los temas y las propuestas del decrecimiento **José María Eguren** Estuardo Núñez, 1964

Salir de la sociedad de consumo Serge Latouche, 2014-01-15 La v a del decrecimiento reposa sobre un postulado compartido por la mayor a de las sociedades no occidentales por misteriosa que sea la vida es un don maravilloso. Es cierto que el hombre tiene la facultad de transformarla en un regalo envenenado y desde el advenimiento del capitalismo as lo ha hecho. Sin embargo llegados al fondo del callej n sin salida de la sociedad de consumo no es demasiado tarde para dar media vuelta y buscar un camino practicable gui ndonos por otras voces diferentes de las del pensamiento nico y de los discursos progresistas de la econom a y la t cnica. La v a del decrecimiento es la de la resistencia ante la apisonadora de la occidentalizaci n del mundo y tambi n la de la disidencia respecto al totalitarismo rampante de la sociedad de consumo mundializada. Este libro estudia la construcci n de una civilizaci n de sobriedad voluntaria y de autolimitaci n alternativa al atolladero de la sociedad de crecimiento. A partir de unas peque as pinceladas se crea como en un cuadro impresionista un dibujo de conjunto una tonalidad com n un ethos **Hecho para tirar** Serge Latouche, 2018-03-01 Todos hemos sufrido la experiencia unos con la lavadora otros con el televisor o el ordenador de tener aparatos y equipos que se aver an tras el fallo de un elemento. Por lo tanto todos en un momento u otro nos hemos enfrentado aunque a veces sin saberlo al fen meno de la obsolescencia programada. Y si bien esta pr ctica ya es desagradable y costosa para el consumidor resulta un desastre para el ecosistema. Sin embargo para el gran p blico aunque esta experiencia resulta familiar la palabra obsolescencia y su verdadero sentido sigue siendo desconocida. De qu se trata exactamente. Cu l es su origen su historia y su importancia. Cu les son sus l mites y sus consecuencias. Qu soluciones podemos proponer para ponerle remedio. El presente op sculo pretende dar respuesta de manera clara y sencilla a estas leg timas preguntas.

Uncover the mysteries within Explore with is enigmatic creation, Embark on a Mystery with **La Hora Del Decrecimiento Con Vivencias** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
