## La Strega Innamorata:

**La Strega Innamorata** Pasquale Festa Campanile, 1985      **Representations of Endymion and Selene** Anna Chiara Corradino, 2025-03-06 A focused study of an ancient myth and its reception which provokes new consideration of how myth in general can challenge social norms Analyzing the visual and literary transformations of the myth of Endymion and Selene Anna Chiara Corradino argues that this myth becomes a valuable tool for understanding the cultural problematization and censorship of female sexuality as well as the marginalization of alternative forms of male sexuality The myth's key themes of dominant femininity reified masculinity and female necrophilia are shaped through the centuries from the core story of Selene the goddess of the Moon falling in love with a mortal shepherd Endymion and granting him eternal sleep so she can kiss him every night In five core sections focusing on the archaeology of the myth in the ancient world the art of the Renaissance to Baroque periods and modern art and film Corradino traces the way the relationship between the two lovers embodies the taboo topic of the eroticization of the sleeping and or dead male body and the suppressed desire of female domination and dominance This research breaks new ground by displaying how these marginal desires have always challenged normativity and have had a profound impact on and through multiple receptions      Italian Gothic Horror Films, 1980-1989 Roberto Curti, 2019-02-15 The Italian Gothic horror genre underwent many changes in the 1980s with masters such as Mario Bava and Riccardo Freda dying or retiring and young filmmakers such as Lamberto Bava *Macabro Demons* and Michele Soavi *The Church* surfacing Horror films proved commercially successful in the first half of the decade thanks to Dario Argento both as director and producer and Lucio Fulci but the rise of made for TV products has resulted in the gradual disappearance of genre products from the big screen This book examines all the Italian Gothic films of the 1980s It includes previously unpublished trivia and production data taken from official archive papers original scripts and interviews with filmmakers actors and scriptwriters The entries include a complete cast and crew list plot summary production history and analysis Two appendices list direct to video releases and made for TV films      **I. that the comedic dialogue and cross dressing characters so prevalent in Italian Renaissance comedies played with the presuppositions of the day and engaged with contemporary social norms expectations and desires Cross dressing female characters reveal the relativity of sex and gender roles and also present a vision of female empowerment At the same time cross dressing male characters suggest a unique perception of the male life cycle that was more uncertain and contested than often assumed and show more broadly how masculinity was also socially and culturally constructed In discussing marriage sexuality and gender roles the comedies deploy a social scripting that not only reflects and comments on the everyday life of the time but also interacts with it with playful humor and revealing insight **La strega, l'astrologo, e il**
