destroying traditional values in favor of modernity Detailing the Baron s occult and magical work during the war de Turris shows that the only thing Evola took with him when he escaped Italy was the UR Group papers material that would later become the three volume work Introduction to Magic Sharing details from Evola s long hospital stays during and after the war the author proves that the injury that led to Evola s paralysis was caused by an Allied bombing raid in Vienna and not as rumor has it by a sex magic act gone horribly wrong The author shares photographs from the time period and the Baron s correspondence with Ren Guenon on the possibility of restoring the spiritual and magical power of an authentic Freemasonry Offering conclusive evidence that Evola was not part of the Nazi regime de Turris sheds light on the inner workings of this legendary occult figure and what Evola believed was the best approach for the magus to take in the modern world
