evangelical churches in your area Chances are they will be in the nice areas of town and their leaders will be middle class
Tim Chester once attended a lecture where the speaker showed a map of Sheffield The council wards were coloured different
shades according to social indicators educational achievement household income benefit recipients social housing criminal
activity and so on Slide after slide showed that the east side of the city was the needy socially deprived half compared to the
more prosperous west Where are the churches Counting all the various tribes of evangelicalism the large churches are on the
west side The working class and deprived areas of our cities are not being reached with the gospel There are many exciting
exceptions but the pattern is clear According to Mez McConnell from Niddrie Community Church in Edinburgh of the fifty
