repositioned yourself change is constant You may need to quit something in order to make room for the next season of your life Before you quit anything look within and determine your real motives Revisit the longings deep in your heart Get a clear perspective on what you re releasing and what your taking hold of Examine your prior choices and consider what you ve quit in the past This honest self examination will prepare you for a new beginning Life Without Limits Lucinda Bassett,2001-12-24 In Life Without Limits Bassett asks If you could have do and be anything right now what would you ask for Eight out of ten people are unable to answer this simple question How about you Do you know how to get what you want Do you even know what you want What do you see when you look in the mirror A self confident radiant person who is living life to the fullest Or do you see a frustrated insecure dissatisfied person who doesn t know how to change things Bassett says In my work I am continually amazed at the number of people who are personally professionally and financially frustrated But the worst part is if they could change things they aren t sure how or even what they would change People stop dreaming settling for a life that is neither satisfying nor rewarding because their fears and insecurities prevent them from seeing what they want in life and how to get it Acquiring happiness wealth or success on any level is difficult when you aren t clear about what you want and you don t have a plan Before you know it years pass by and you re looking back with regrets In my work over the past fourteen years I have encountered two types of people The first group is the doers They are the movers and the shakers They plan their life and are strongly motivated They are on a clear path know exactly what they want and they are willing to take the risks to get it The second group is the drifters They drift through life with no real sense of direction ending up frustrated This can happen to people in the most prestigious occupations The drifters have a hard time establishing a sense of true happiness satisfaction or security because they know they aren t where they should be but they don t know what to do about it Life Without Limits helps you clarify what you want in every area of your life By using Bassett s powerful techniques you will change therefore your life will change Your thoughts are magnets attracting everything from the type of people you meet to the types of opportunities that come your way Your thinking must be clear distinct and sharply defined Your focused thoughts elicit emotion your emotions ignite your actions and have a tremendous effect on the universal energy that surrounds you You control your life You control your destiny And only you can take steps to change it Life Without Limits helps you take back your power Life Without Limits is the complete guide to attaining abundance in every area of your life It will help you to achieve satisfaction and fulfillment personally professionally and financially Once you have defined what success means for you you will clarify your dreams and start pursuing them Opportunities will present themselves new doors will open and you will begin to live the life you were meant to live a life without limits Begin now to change the person you are into the person you know you have the potential to become Lucinda Bassett **Dare to Live Without Limits** Bryan Golden,2004 Describes techniques designed to help people break through the limitations that keep them from achieving their goals and take positive control of their lives The Power of 100!
