Is the Good Book Bad? Rabbi Michael Stern,2022-02-01 Slavery Animal sacrifices Expulsion of the seven nations With in depth treatment of numerous passages from the Scripture these and other topics from the Jewish Scripture troublesome to many 21st century readers are analyzed in Is the Good Book Bad Stern also makes the case that a morality based on belief in God is more compelling than one based on scientific materialism While the content and argumentation are unique and nuanced he takes on modern day criticism without making modern day compromises on the authenticity of Scripture and how it was interpreted by the sages of the Talmud and the scholars who followed in their footsteps

Luther and the Stories of God Robert Kolb,2012-03-01 Awarded the Hermann Sasse Preis by the Independent Evangelical Lutheran Church of Germany Martin Luther read and preached the biblical text as the record of God addressing real flesh and blood people and their daily lives He used stories to drive home his vision of the Christian life a life that includes struggling against temptation enduring suffering praising God in worship and prayer and serving one s neighbor in response to God s callings and commands Leading Lutheran scholar Robert Kolb highlights Luther s use of storytelling in his preaching and teaching to show how Scripture undergirded Luther s approach to spiritual formation With both depth and clarity Kolb explores how Luther retold and expanded on biblical narratives in order to cultivate the daily life of faith in Christ

Seeking the Region in American Literature and Culture Robert Jackson,2005-10-10 Regionalism often evokes provinciality and an affiliation with minor literary genres but Robert Jackson shows that region is an integral part of American identity providing grounding for major independent voices Jackson offers a new critical model of region that contributes to literary and cultural study across a wide range of topics He addresses American literature since the Civil War with particular attention to Mark Twain William Faulkner Flannery O Connor and Toni Morrison In advancing their own diverse aesthetic and social agendas reactionary and progressive theological and secular gender based race based and above all dissident these writers Jackson argues articulate some of the most perceptive and innovative expressions of the American region in the literary history of the United States According to Jackson the region transcends both rigidly defined spatial categories the South of slavery the North of freedom the West of unlimited possibility and derivative cultural connotations of local color to reveal subtle and powerful insights He provides a regional reading of Twain s greatest novel The Adventures of Huckleberry Finn and a meaningful new interpretation of the

work and its place in the American canon He explores Faulkner s obsession with regional identity and places the Mississippian s work in problematic relation to the Depression era Nashville Agrarian movement O Connor searching for a critical vocabulary to confront mainstream American literature religion and gender transforms the region from a hothouse of sentimentality into a sharp deadly weapon in her short fiction Morrison s brilliant appropriation of region enables her to fashion an aesthetic that is both race conscious and endowed with revisionist agency through the region she imagines a new grounding for American identity Jackson illuminates the importance of rethinking long established assumptions and demonstrates the vast potential of the region in critical considerations of American literature and culture Even as he devotes significant attention to realism modernism southern literature and African American literature he speaks to a wide range of fields in American Cultural studies

Religion and Generalised Trust Handi Hadiwitanto,2016 For most Indonesian citizens Muslims and Christians alike religion plays an important role in private and public life Against the backdrop of tacit and overt conflicts between religious groups in Indonesia this study examines the potential role of religion in building trust between people To what extent does religion induce or reduce trust between Muslims and

Christians While religious communities are important socialising agencies for moral principles that may encourage trust religious identification may also be related to distrust towards others making trust a problematic issue in the context of interreligious relations This dissertation describes how trust is determined by religion in both positive and negative ways and how it can be seen as a crucial concept within the religious meaning system Series Interreligious Studies Vol 9 Subject Religious Studies Southeast Asian Studies Sociology *The Seven Deadly Sins* David A. Salomon, 2019-03-22 This volume looks at the history of the idea of sin as it has influenced and shaped Western culture Emphasis is placed on an inter and cross disciplinary approach The word sin has come to transcend the theological and enter the common parlance in both media and society This book is an examination of that idea It discusses how the concept of sin evolved through the Middle Ages and into the modern era From religion to politics and from the bedroom to the boardroom a more complete understanding of the history of sin will assist the modern reader in a wide variety of fields This book builds on the work of Gregory the Great to explain each of the so called seven deadly sins pride lust anger gluttony avarice envy and sloth Each chapter provides a close look at the origins and history of that individual sin concluding with a section on contemporary applications of the idea and a case study The central argument is that the concept of sin has been integral to the development of Western society including not only political and religious history but also in extensive aspects of popular culture in the twenty first century The broader but significant issue of intention versus action permeates the study
