Believe in Yourself Pastor Deborah Wofford, 2011-05-26 This book is for those facing a bully or facing fear Believe in yourself and watch your fears disappear People will call you names just to get next to you Its not what they call you its what you answer too Pastor Deborah Wofford wants to inspire you to win God said youre special thats why you dont fit in Its time for you to soar so dont fall apart Believe in yourself follow the dreams in your heart **Rejected: but Not Rejected** Paul L. Staack, 2017-09-13 A famous saying tells us that there are two inevitable things in life death and taxes We need to add one more inevitable to this list Everyone has to face and deal with rejection If you are rejected by someone that person is taking an action toward you Rejected is a verb in this setting However rejected is also an adjective It is a word that describes and defines We must never allow our lives to be defined or described by rejection Paul L Staack has written this book to keep you out of the garbage can of a rejected life It is inevitable You will be rejected in life However as you apply the principles in this book rejection will never define or describe your life You can truly be Rejected But Not Rejected Faith for the Curious Mark Matlock, 2024-09-24 It may surprise you to know that the majority of non Christians are not hostile to the faith or looking for a fight In fact most are open and even curious about spiritual matters Yet evangelism training and apologetic resources are often geared toward knowing what to say to hardcore atheists and evolutionists who make up less than 10 percent of the unchurched population If you re ready to have respectful and fruitful spiritual conversations with your spiritually curious friends neighbors and family members Mark Matlock offers this research based approach He shows you how to create a church culture that is open to spiritual exploration and discovery help foster meaningful connections to Jesus and his Church start spiritual conversations and break through common communication barriers bridge the gap between traditional Christianity and the modern spiritual climate and much more Created for Dominion Ifeoma Eze, Okwudili Eze, 2018-04-10 And God blessed them and God said unto them be fruitful and multiply and replenish the earth and subdue it and have dominion over the fish of the sea and over the fowl of the air and over every living thing that moveth upon the earth It was God s intent that the human family would explore and leverage on the dominion he has given them over the entire earth However Adam s lack of appreciation shown by defying the only restriction placed on him required severe punishment After the fall of man in the Garden of Eden man ceded his dominion to the devil Man betrayed the trust God reposed on him when he gave the primary ruler ship of the earth to him But because of God s love for man he worked out a redemptive plan and came down to die in order to ransom man by the shedding of his own blood When the penalty of man s sin was fully paid on the cross of Calvary and the access to the throne room of grace was opened for man to obtain mercy and find grace to help in times of need man once again obliged by God to accept his offer for pardon Now anyone that has accepted the lordship of Jesus Christ over his her life and also walk in the consciousness of the finished work of Calvary could exercise his dominion in Christ over the forces of life and nature **The Student's Concordance to the Revised Version, 1881, of**
