The Scroll Bible Commentary Vol 1 Harris Kakoulides, The Scroll Bible Commentary on the Old Testament by Harris Kakoulides with names of God Studies archaeological discoveries notes from the Mr Kakoulides and the Bible podcast Arguments for Moses Isaiah Daniel authorship evidence for flat earth theory reasons not to tithe references and quotes from Josephus Phileo Rashi and many more Truly a commentary you would want to have close on your side *A Grammar of the Ethics of John* Jan G. van der Watt, 2023-04-05 After a century of neglect Johannine ethics has enjoyed a recent surge in interest inspired by new theoretical insights in analysing ethical data in John's Gospel By closely re-reading the text on the basis of this fresh research Jan G van der Watt's aim in the present volume is to reveal ethical data within its structural interrelatedness The result is a comprehensive overview of basic questions related to ethics such as what the basis or source of ethics actually is whether identity plays a role in ethical decision making how values and ethical requirements are to be recognised what is expected of an ethical agent and what ethical behaviour looks like As a coherent guide to getting deeds done ethically this first volume on the grammar of John's ethics focuses on this Gospel while a second is set to concentrate on his letters Volume 1 Dust Jacket Inside Front Flap **Church Dogmatics The Doctrine of the Word of God, Volume 1, Part 2** Karl Barth, 2004-03-08 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth's theology found its expression mainly through his closely reasoned fourteen part magnum opus *Die Kirchliche Dogmatik* Having taken over 30 years to write the *Church Dogmatics* is regarded as one of the most important theological works of all time and represents the pinnacle of Barth's achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the *Church Dogmatics* in paperback *Summa Theologiae, Prima Pars: Volume 1, The One God, QQ 1-26* Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 When Leo XII promulgated *Aeterni Patris* in 1879 he stipulated that the Leonine or official edition of the *Summa* should always be printed in conjunction with Cajetan's Commentary For five hundred years they were studied together Generations were trained by reading through the *Summa* article by article with Cajetan's commentaries in hand Early printed editions of the *Summa* typically included them in a Talmudic arrangement as marginal text running around each article by Aquinas This edition imitates that example Recently serious thinkers of all denominations and none have found new reasons to be interested in St Thomas His text is deceptively simple yet important issues are handled in every article sometimes below the surface Cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy Part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the Renaissance and the twentieth century The time is ripe for an analytically inspired translation of Thomas hence this volume Never until now has Cajetan's Commentary been put into English in its entirety William Marshner's translation is consistent with fidelity to the technical force of the original The

translator's footnotes acknowledge what empirical science has made obsolete in the work of St Thomas and also make clear how much today's science would have saved Thomas useless labor This volume will for the first time make Cajetan's help available to the modern reader **Renaissance Humanism, Volume 1** Albert Rabil, Jr.,2016-11-11 This book is a volume

Samuel Trott was one of the leading Baptist frontier ministers, a firm Predestinarian, an Exalter of Christ Alone, one who contended in earnest for that faith once delivered unto the saints. Along with Gilbert Beebe, he was one of the most influential of that group of Particular Baptists which came to be known as Old School. With this volume of Trott's Writings as selected from the Signs of the Times, we hope under the blessing of the LORD to attempt to establish afresh a renewed evaluation and appreciation of the writings of one who faithfully served his generation in setting forth the Glories of Christ's Redemption. Grace not only to those who were privileged to sit under his Ministry but to many subsequent generations of Christ-minded. I Cor 2:16. Believers even to this dark day wherein the Essential Truths of the Gospel are for the most part thrown aside or trampled underfoot by men whose minds have been corrupted from the simplicity or singleness that is in Christ. **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007. A Commentary on the Book of Revelation. Volume 2. The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides. **Feasting on the Word: Year A, Volume 1** David L.
