God Gave Us The World:

God vs Money Satan and the World Bonnell Leon Patrick, 2022-05-04 Your Actions Speak Louder than Your Words Hell Is Waiting for You About This Book This book will tell you and teach you everything that you need to know about God and his Son and also about Satan and his son This world has always been dark and many of us have spent our whole lives walking and living in the dark because we refuse to turn on that light inside of us This book will remind many of you where you are headed if you don't open your eyes and let your light shine so you can see what's in front of you This book will tell you why Satan is here and why God put us here with Satan It will tell you why God allows all these good things and bad things to happen to us or what we think is good but may be bad And what we think is bad may not be as bad as what we think This book will tell you and everyone who reads it the reason we treat people the way we do when it comes to hurting someone or helping someone and why we should love everyone It will tell you why your husband your wife your family your friends and everyone you love treat you so bad when you're trying so hard to be good to them or why they are so good to you no matter how bad you treat them This book will also show and tell you what to do when you don't know what else to do and what you should think about when you have nothing but bad thoughts This book will tell you why the people of this world will try taking everything you got until there's nothing left It will also tell you why family friends and loved ones kill themselves This world is not what you think it is It's a fantasy land for the ones who are blind but it's a death trap for the ones who can see This book will tell you why 90 percent of the people in this world serving Satan and why only 10 percent truly serve God it will also tell you everything you need to know about the law God's laws and Satan's laws And why the people who live by God's laws suffer and why the ones who obey Satan's laws live so well This book will tell you why our flesh will never heal and why our Spirit will never die This book has all the answers to life that you can think of or need to know while living here on earth But a lot of you may not like the answer that will be given to you because it's the truth and a lot of you can't handle the truth because Satan will not let you It's only because you were not told the truth which means this world is lost and a lot of you don't really know God You just think you do About This Book The reason that I choose any title for my books is that the truth will set you free and also because there's nothing great about no book in the whole wide world if God is not a part of that book Anyone who writes about God or tells anyone anything about God but does not live for God themselves there's nothing in this world great about them either And they all will pay a very heavy price for telling and living a lie And no one no matter who you are no one can spread the good news about God and his Son and receive Money glory or praises for their works if it's a gift from God who lives in heaven Not even a nation leader who serves the gods of this world no matter what religion you are and especially a church leader whom Jesus calls the kings of the earth who chose to become the enemies of God And no one can say that they love and honor God if they're living by the evil laws rules and regulations of this world The Bible teaches us that if anyone who has received the gift of God has been chosen by God all the schools in the world can't

teach us anything about God unless he wanted them to know about him You can't pay for a gift that only God can give which comes from heaven Because we are taught by the Holy Spirit not by man That's why we give all glory praises and honor to God and our reward is in heaven not on earth Satan shouldn't be paying you for something that God gave you but he does every day because if you didn't know all talent comes from God And when God gives anyone or has given anyone any kind of talent it is all good but the evil and sinful desires of this world have taken that talent that God has given us to serve Satan Anything that's not good comes from the world everything that we learn in school about the world comes from the holy spirit but everyone who chooses to live for the world will become one with the world and everyone who becomes one with the world are the ones who are caught in the trap of trying to get the best of everything in the world They go to the best school to get the best jobs or an occupation that pays a lot of Money so they can live a good life here on earth which brings destruction They are the ones who are searching for a better career and future here on earth But I got news for you and everyone who think just like you There isn't one Never has been Life doesn't begin until the time and date that God has already planned This sinful life is temporary We are only here to choose the one we want to live our future with and a lot of us will not have a job occupation career or future because many of you choose to serve Satan and his son and the world The reason that so many of you have chosen to serve them is because we took God out of the schools the church buildings and the world a long long time ago Everything we learn from God is a gift from God which comes from heaven This is why we can't serve God for Money and we can't serve God with Money and we can't serve God and Money But there will be very many in hell with Satan because God showed me that this world is very much in love with Money Everywhere I go the people are calling out Satan's son name all over the world Money Money Money Money Money Money Money The church leaders of this world are now using God and his Son as a front to make all kinds of Money from the people who are lost but why When some of them want very much and trying very hard to find God and his Son So if someone receiving Money to make a living by telling you something good or bad that they say God gave them to give to the world to make their life better might not have come from God who's in heaven Because there's nothing to laugh or smile about when someone discovers the truth If the Holy Spirit tells or shows someone that everyone is doing what Satan wants instead of doing what God wants that along is devastating How do you explain to your Creator how much you love Money and the world which are his enemy If you were told something that you didn't know or were shown something that others can't see will bring tears to anyone's eyes if only they knew the truth Every time I leave my house I walk around with tears in my eyes all day long because I hardly see anyone out there or on TV living for God I even see church leaders and churchgoers who should be close to God but are now very far from God than anyone it's because Satan has blinded them all and leading them down the wrong road It doesn't take an educated person or a lot of books with a lot of educated words to tell the ones who are lost and unfaithful to God where they're headed if they don't turn back to God It just takes the truth It takes a true servant that is chosen by God to tell the ones

who are lost the truth The whole truth and nothing but the truth I am your servant who was chosen by God not by man And I write only what is true to help everyone get through the narrow gate that leads to God That s more love than anyone can ever give to one another or to anyone in the whole wide world It s because he s the only way to heaven This world is now filled with all kinds of temptation that it s almost unstoppable to the flesh What that means is if the people of this world are already lost then so will the ones who are coming in the world will also be lost because it will be hard for them to see hear or understand anything with all this garbage that Satan s people keep coming up with God said it himself that if he doesn t send his Son soon Satan will have more followers than there are grains of sand along the beach And now until this day Satan has more followers than man can count But God knows every last one by name And if you or your family friends and loved ones choose to live for the world most likely the names of everyone you love may be among that list This book will give you the wisdom knowledge and understanding of true life a life that only a few have ever experienced outside the flesh here on earth But to get this gift you will have to give up the world and everything that belongs to the world for God the greatest love of all So please before you read this book I would like to ask you to go somewhere private in your home or somewhere that you won t be interrupted because you will need to focus on the gift that the Holy Spirit gives you to fight Satan Get down on your hands and knees and from the bottom of your heart I want you to ask God to give you the wisdom knowledge and understanding of his will It may not come right away but it will come And also take a Bible with you that you can understand we are not here to prove to anyone how smart we are by reading big words that we can t understand Believe or not 90 percent of the people in this world can t understand the Bible as it is If they did the world wouldn t be in the shape it s in today People with all the knowledge of the world can t understand the Bible only the ones that are chosen to get the Word out So if you claim to be one of the chosen ones or a follower of Christ then do your job Give up this world and give God your heart AMEN To all who call themselves a servant of God who s in heaven Please quit changing adding and taking away what s in God s will All I ask is for you to correct the ones who do wrong and help the ones who need our help I write what a lot of people can t see hear or understand yet but the time will come when all shall know God Sometime it s best to get piss off than to get piss on I know who you are Be very careful Satan

WHAT? Book I Days 1 - 91 Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to

laughter Try to apply the thoughts to your life But the bottom line is if you don't read you won't benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God's Constitution Matthew chapters 5-7 about God's manifested love what it means to be Grafted In to God's family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress

Proof? Philip Gardiner, 2002 Many years ago the author challenged himself to find out whether there really was any evidence for the existence of God This book is the practical conclusion to his searching Some say there can be no proof either way This book challenges you to decide for yourself Outlined within the pages of this book is all the evidence from all sides in layman's terms It is time to decide for yourself

War and Individual Rights Kai Draper, 2016 Kai Draper begins his book with the assumption that individual rights exist and stand as moral obstacles to the pursuit of national no less than personal interests That assumption might seem to demand a pacifist rejection of war for any sustained war effort requires military operations that predictably kill many noncombatants as collateral damage and presumably at least most noncombatants have a right not to be killed Yet Draper ends with the conclusion that sometimes recourse to war is justified In making his argument he relies on the insights of John Locke to develop and defend a framework of rights to serve as the foundation for a new just war theory Notably missing from that framework is any doctrine of double effect Most just war theorists rely on that doctrine to justify injuring and killing innocent bystanders but Draper argues that various prominent formulations of the doctrine are either untenable or irrelevant to the ethics of war Ultimately he offers a single principle for assessing whether recourse to war would be justified He also explores in some detail the issue of how to distinguish discriminate from indiscriminate violence in war arguing that some but not all noncombatants are liable to attack
